### STATE OF NEW HAMPSHIRE

#### Town of Newmarket

To the Inhabitants of the Town of Newmarket in the County of Rockingham in said State, qualified to vote in town affairs.

You are hereby notified to meet at the Town Hall in said town on Tuesday, the 12th day of March, to act on the following subjects:

(POLLS WILL BE OPEN FROM 10:00 A.M. to 6:00 P.M.)

1. To choose all necessary Town Officers for the ensuing year.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year; as may be necessary for General Government including Town Officers' salaries and expenses, election and registration, town buildings, for the protection of persons and property, including the Police Department, for health and sanitation, vital statistics, general expenses of the departments, for education and the public library, for charities, including the decoration of soldiers' graves, for recreation, for cemeteries, for indebtedness to other governmental divisions and to pay all other necessary charges arising within said Town.

3. To see if the Town will vote to authorize and empower the Selectmen to borrow money for necessary expenditures; in anticipation of the collection of taxes.

4. To see if the Town will vote to allow a discount of two percent (2 %) on all taxes except poll and head taxes, if paid within fifteen days after receipt of bill.

5. To see if the Town will vote to accept the budget as submitted by the Budget Committee.

6. To see if the Town will vote to pay members of the Fire Department \$97.00 in addition to that required by law. (Recommended by the Budget Committee)

7. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) to be used as part payment for a comprehensive plan, the balance to be raised next year by vote of the people. (Recommended by the Budget Committee)

8. To see if the Town of Newmarket will adopt the following resolution:

**Whereas**, there is determined to be a need for a housing authority in the town.

**Wherefore**, in accordance with Section 4 of Chapter 203 of New Hampshire Revised Statutes Annotated, and in accord with the foregoing finding of need, there is hereby created a municipal housing authority for the Town of Newmarket, with all the powers and authority granted by said Chapter 203.

This resolution to take effect upon its passage.

9. To see if the voters will appropriate the sum of One Thousand Three Hundred Dollars (\$1,300.00), as the town's share of the cost of repairing the Steeple that houses the Town Clock.

10. To see if the Town will vote to authorize the selectmen to sell tax acquired property, now held by the Town of Newmarket, to the highest bidder.

11. To see if the Town will authorize the Board of Selectmen to appoint a committee which will help the town participate in a state-wide contest to improve the appearance of New Hampshire.

Given under our hands and seals this 26th day of February, in the year of our Lord, nineteen hundred and sixty-eight.

FRANK M. SCHANDA  
ROBERT L. FILION  
NICHOLAS ZUK

Selectmen of Newmarket, N.H.

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned by posting an attested copy of the Warrant at the place of meeting within named, and a like copy at the Post Office. Being a public place in said town, on the 26th day of February, 1968.

## ANNUAL PROGRESS REPORT OF THE SELECTMEN

It is our pleasure to present this annual report for the year 1967. We wish to take this opportunity to thank all the department heads, employees and fellow citizens of Newmarket, who have made our jobs pleasant throughout the year.

The reconstruction of South Main Street has been a State-Town financial undertaking. The storm drainage for this area has been completed. This project is expected to be completed in 1968, with the extension of the curbing, sidewalks and resurfacing of the roadway, to the end of the school property.

The Town Road Aid money available to Newmarket was used on Langs Lane. In 1968, Langs Lanes will be continued and approximately one thousand dollars will be used on Bay Road to remove the most serious hazards; we plan to work on Bay Road until all hazards have been removed.

Riverside Cemetery expenses were above normal due to the extreme wet weather conditions which caused extra mowing to be done. Cedar Avenue was re-graveled and graded.

Work was continued on the Town Hall. The heating system has been changed from steam to circulating hot water. The hall is now being used two or three times a week by the Girl Scouts, Boy Scouts and different church and non-profit organizations.

Bids were sent out and the low bidders were as follows: Dump Truck, Great Bay Motor Co., Inc.; Fuel Oil, Robinson-Rudd Oil Service; Gasoline, H. R. Haines Co., Inc. and Temporary Loan, Durham Trust Co.

The town parking lot will be worked on in 1968. We

intend to put an exit on to Spring Street and make the entrance to this lot on Main Street.

We want to thank two of our fine industries for their help and cooperation in beautifying our Main Street. Smith Shoe Corporation paid to have a new fence installed in front of their mill and the town removed the old fence for them. Gallant Manufacturing Company paid to have a new sidewalk and small park in front of their mill and the town helped with some of the work.

The selectmen's meetings are the first and third Tuesdays of each month. We welcome anyone who wishes to attend these meetings.

Respectfully submitted,

FRANK M. SCHANDA, Chairman

**DIVISION OF MUNICIPAL ACCOUNTING**

**STATE TAX COMMISSION**

**Concord, New Hampshire**

**Summary of Findings and Recommendations**

January 29, 1968

Board of Selectmen  
Newmarket, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Newmarket for the fiscal year ended December 31, 1967, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

**SCOPE OF AUDIT**

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Public Library, District Court, Trustees of Trust Funds and Special Sewer Fund Construction Account.

**FINANCIAL STATEMENTS**

**Comparative Balance Sheets:**

**December 31, 1966 — December 31, 1967:**

(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1966 and December 31, 1967, are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by \$22,357.29 in 1967.

**Analysis of Change in Financial Condition:** (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

**Comparative Statements of Appropriations and Expenditures  
Estimated and Actual Revenues:**

(Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1967, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$759.81, plus a revenue surplus of \$17,177.65, resulted in a net budget of \$17,937.46.

**Summary Statement of Receipts and Expenditures:**

(Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1967, made up in accordance with the uniform classification of accounts, is presented in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1967, is indicated in Exhibit B-2.

**Special Sewer Fund Construction Account:** (Exhibit H)

A statement of the activity in the special sewer fund construction account during the year is indicated in Exhibit H.

**Statement of Long Term Indebtedness:** (Exhibit I)

A statement of outstanding long term indebtedness as of December 31, 1967, showing annual debt service requirements, is contained in Exhibit I.

## AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements submitted from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

## GENERAL COMMENTS

### **Current Surplus:**

The current surplus (excess of total assets over current liabilities) increased from \$20,177.14 to \$38,034.53 in 1967 as shown herewith:

	Dec. 31, 1966	Dec. 31, 1967
Total Assets	\$632,130.11	\$659,818.98
Current Liabilities	611,952.97	621,784.45
Current Surplus	<u>\$ 20,177.14</u>	<u>\$ 38,034.53</u>

### **Note, Bond and Coupon Register:**

The Town Treasurer is required under the provisions of R.S.A. 33:12 to maintain a Note, Bond and Coupon Register, in which all note and bond issues must be recorded.

**Uncollected Taxes:**

As of December 31, 1967, delinquent property, poll, yield and state head taxes amounting to \$14,191.71 on account of tax levies of 1966 and prior years remained outstanding on the tax collector's warrants, as detailed below:

Levy of 1966	\$ 8,578.78
Levy of 1965	3,284.88
Levy of 1964	1,208.75
Levy of 1963	490.30
Levy of 1962	121.00
Levy of 1961	138.00
Levy of 1960	168.00
Levy of 1959	202.00
	<hr/>
	\$14,191.71

Examination of the various warrants revealed a number of instances where taxpayers are deceased, have moved from the Town, were erroneously assessed, etc. The lists of uncollected taxes should be reviewed and where required, abatements should be issued by the selectmen. The Tax Collector should take the necessary steps required to enforce collection of the remainder of these delinquent taxes. Chapter 80 of R.S.A. provides the Collector with ample powers of enforcement.

**Unredeemed Taxes:**

There were, as of December 31, 1967, unredeemed taxes from the tax sales of the levies of 1964 and prior years as follows:

Levy of 1962	\$ 1,138.81
Levy of 1961	152.40
	<hr/>
	\$ 1,291.21

Inasmuch as the two year period provided by law in which redemption from tax sales may be made has expired on these unredeemed taxes, the Tax Collector should deed all of the properties involved to the Town at once.

**Library:**

We recommend the use of columnar journals with appropriate classifications of receipts and expenditures be adopted by the Library treasurer.

**Conclusion:**

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) should be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Newmarket for their assistance during the course of the audit.

Yours very truly,

O. MAURICE OLESON, Director  
DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION

Frederick E. Laplante, Auditor

## ANNUAL REPORT OF THE BOARD OF WATER COMMISSIONERS

Physical progress in the direction of the newly purchased Well site was practically non-existent during the past year due to budget restrictions; which included the item to purchase the land (\$12,500.00).

A critical safety hazard will be eliminated in the near future as a result of a combined effort on behalf of the Industrial Protection Water Corp. and the Water Board and their decision to cross connect the sprinkler system of the entire industrial complex of the community to the town water system. This improvement will permit the eventual razing of the water storage tank located off Main St., adjacent to the Polish Club parking lot. Removal of this tank will eliminate need for repairs to the tank and its supporting members; failures to which could result in serious damage and loss of life.

The request of a building contractor for improved water service facilitated the extension of the six inch main on No. Main St. another 325 feet at practically no expense to the town. Our efforts in this area should be complete since we have reached the Durham town line.

Two hydrants will be relocated to accommodate a new sidewalk on So. Main St.; either to the delight or dismay of our student population on their way to and from school.

In order to establish a firm base for future planning, sensible direction and expenditure priorities the Commissioners have voted to engage an engineering firm to determine the life expectancy of the Standpipe on Great Hill and establish the requirements, type and location of a new tank; giving consideration to our changing requirements, current

and future sources of water, value of current water source, required improvements to increase the capacity of our present plant and to evaluate the adequacy of our distribution system in respect to extensiveness, flows and size.

We thank one and all, including the various municipal departments, for your cooperation during 1967 —

Respectfully submitted,

Board of Water Commissioners

## REPORT OF THE POLICE DEPARTMENT

Newmarket citizens may be justly proud of the fact that they successfully bucked the state and national trend and reduced their motor vehicle accidents by the enviable margin of 30% over the previous year.

It goes without saying that good law enforcement is a contributing factor to such a result, but all the law enforcement in the world will not prevent accidents, unless the motorists themselves give their cooperation to their law enforcement agencies — state and local, this, the citizens of Newmarket have done. Our sincerest thanks.

It has been an extremely busy year as far as your police department goes. Complaints, larcenies, breaking and entering, assault with deadly weapons, and even murder has been handled by your department.

We, of the department, have often wondered how would be the best way to get the citizens of this town to show more of an interest at what goes on as far as law enforcement is concerned. Far too many citizens have no contact at all with their department until they are the unhappy recipient of a warning or a summons to appear in court for an infraction of the law. This obviously does not form the best relationship to all concerned.

We cannot go from door to door selling law enforcement, but we have an extremely important product to sell. More important at this time in our history than ever before. Not important to some person, unknown, or some strange group, but important to every single citizen of this town.

Within the next 365 days, surely, some of you must be able to find a few minutes to drop by and get to know your

department and the men in it a little better. I am sure we both will benefit by it.

We are here to serve you. Your department is only as good as the people who back it.

Respectfully submitted,

PAUL T. GAHAN

Chief of Police

## FIRE DEPARTMENT REPORT

### 1967 Fire Report

Building .....	2
Chimney .....	2
Brush .....	13
Car .....	3
Car accidents .....	5
Miscellaneous .....	12
Requests for assistance from other towns .....	6

The year just past has been a rather uneventful one with no spectacular fires, we'll be able to keep things that way with your cooperation. Have you some area of possible trouble that needs attention but that you've been putting off doing anything about? Waste paper and debris in the cellar or attic? Fuses sized too large? Oil burner defective? If you have any problems contact the fire department and let's work together to prevent trouble. A few minutes of your time now may prevent many hours of heartbreak later.

Your department is steadily progressing to be more efficient. Many new items have been purchased to achieve this. Among them — a Water Vac; a vacuum cleaner type device to cut down on water damage. A mist vaporizer to eliminate the lingering smoke smell after a fire. Protective equipment for fire fighting personnel. Other fire fighting tools such as a fog nozzle, floodlights, etc. One dry hydrant was installed last year with other planned.

Manpower during week day daylight hours is a problem both in this town and other towns of its size. For this and other practical reasons we again request no outside burning between 9 a.m. and 5 p.m., a permit is necessary, call 659-3286 or 659-3216 for permits.

The trend is now toward electronic alarm systems. We

plan to purchase a few monitor sets annually and to eventually have a supplementary system for alerting men. Due to our call man set-up an audible horn is a necessity, the radio set-up would be in addition to that.

A change in the mutual aid set-up with surrounding towns has been made. Durham is now the dispatch headquarters. This simplifies the organization and should make the practice of giving help when needed a more efficient one.

The fire department capital reserve fund is growing, a new pumper engine will be necessary in the near future. The present pumper is now 26 years old and one of the other trucks even older than that.

This is your fire department, feel free to visit the fire station, let us know your feelings on how it is operated — constructive criticism is welcomed.

Respectfully submitted,

ROBERT S. KELLER, Chief

HERBERT J. PHILBRICK, Deputy Chief

RICHARD J. BUTLER, Deputy Chief

## REPORT OF THE PLANNING BOARD

Your Planning Board has used the last year meeting with representatives of your State Department of Resources and Economic Development and a number of Planning Consultants. In this way we have gained considerable knowledge of the functions of a comprehensive plan.

The following questions and answers have been compiled for a better understanding.

### **What is a Comprehensive Plan?**

A comprehensive plan will tell us what should be done and how to do it. This plan will not be a hard and fast set of rules but a flexible tool to be used in shaping the future of Newmarket.

### **Who is in Back of the Project?**

Your local Government (Town Officials)  
Your State Government  
Your Federal Government  
And we hope "YOU".

### **Specifically What Will be Covered by the Plan?**

#### PHYSICAL CHANGES

A comprehensive plan of our town will deal with such vital subjects as housing, streets, and landscape. Emphasis especially on our Main Street and Business area.

#### PUBLIC WORKS STUDY

Water, sewage, Fire and Police Departments.

#### ECONOMIC STUDY

Government Structure, Economic Base, Resources and Financial considerations.

## RECREATION

Water front areas, Parks and Recreational Facilities

### **When will the Project Get Started and How Long will it Take?**

We may not get started until 1969 as there is a long waiting period after application due to the shortage of State and Federal funds. The plan will take 18 months to complete.

### **How will this Benefit the Taxpayers?**

Planned progress leads to fewer mistakes, as we plan, we progress and beautify our town at the same time. A plan will provide guide lines for efficient Government and services, this plan will help solve the problems and make the most of the opportunities.

### **Does a Comprehensive Plan Mean Zoning?**

A plan does not set up zoning. It may recommend it but the ultimate choice is in the hands of the voters.

### **How Much Will It Cost?**

We have had one estimate of Eighteen thousand dollars of which the towns share is one third or six thousand. We are asking in this years budget a sum of \$3,000 dollars to implement this plan.

### **Benefits and Costs**

Housing for the elderly, urban renewal, recreation areas and facilities Pollution control and water expansion projects.

Some projects cost the town nothing. Other projects are 1/3 Town 1/3 State and 1/3 Federal Government and others are on a 50-50 basis.

### **Why Now — Why Not Wait?**

The state and federal government have set up these programs on a contributing basis and we can benefit from them **now** while they are available. We also feel that Newmarket desperately needs this help **now** and that it will be the most significant project ever undertaken and will affect our progress for generations to come.

GEORGE E. GRISWOLD

Chairman of the Planning Board

## REPORT OF VISITING NURSE

On August 1, 1967 the Association began service to Durham, Lee and Madbury, later including Newmarket on a temporary basis. In the early spring of 1968 at the annual meeting of the Association by-laws will be adjusted to allow the Town of Newmarket to join as a participating member, with equal representation on the Board of Directors.

The visiting nurse does not replace the doctor; she works with him and under his directions. She gives home nursing care to people of all ages, the new mother and baby, the convalescent returning home from the hospital, sick children and the Medicare patient. Payment of the visiting nurse is included in Medicare benefits.
