## COOPERATIVE H. S. DUE? To Be Discussed At School Meeting Tuesday

Concerning the much discussed Article 11 in the School Warrant, a yes vote for this article is not a vote to enter into a Cooperative High School but merely an article to gain the sentiments of the townspeople regarding investigation of the possibility of joining a cooperative school district.

With the completion of St. Thomas Aquinas High School in Dover Point, the enrollment at Newmarket High could possibly be reduced to the level that it would become uneconomical to operate as an efficient high school.

As an example of how reduced enrollment can affect various types of state and federal aid, this year at Newmarket High federal funds for Home Economics instruction was denied us because of a lack of enough students enrolled in that course. It is foreseeable that this could happen in other types of aid if the school is reduced in its enrollment.

If such a cooperative school was authorized with Epping, Brentwood and Newfields sending students to Newmarket High, it would greatly increase the offerings the school could make to students in matters of new courses, broader physical education program and many advantages which the school is now unable to offer due to its limited size.

This article (Article 11) certainly should receive the attention of every voter and parent. Newmarket High will be faced with a major problem in the near future and now is the time to discuss it.

With the anticipation of a record turnout at this meeting on Tuesday night concerning Article 11, there is a possibility that the business part of the meeting might be held at the high school gymnasium where adequate seating could be provided. It has been the general practice that the business part of the meeting be postponed until 8:00 p.m. in order to give more people a chance to attend.

Following is the official school warrant.

The State of New Hampshire

To the Inhabitants of the School district in the town of Newmarket, New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 15th day of March, 1960, at ten o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officer or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the School District of Newmarket will vote with the other Districts of Supervisory Union # 14 to provide for the services of a Helping Teacher as provided in R.S.A. 186:11, XXII, XXIII, XXIV; as amended 1957 R.S.A. 252:2; to commence July 1, 1960.

10. To see if the School District of Newmarket will raise and appropriate the sum of \$680.00 for the purchase of a power Lawn Mower for cutting the grass around the schools and ball field.

11. To see if the School District of Newmarket would care to investigate the possibility of joining a Cooperative School District for grades 7-12, with one or all of the following towns — Epping, Brentwood and Newfields.

12. To transact any other business which may legally come before this meeting.

Given under our hands at said Newmarket this 24th day of February, 1960.

HENRY M. BOSINGER,  
KENNETH M. VARNEY,  
BEATRICE L. GEOFRION  
School Board

## TOWN VOTERS DOWN SIDEWALKS & PLANNING

The Newmarket Town meeting called for Tuesday, March 8 at 10 o'clock in the morning began with Frank Schanda, moderator accepting a motion that — aside from the balloting conducted during the day in the Primary and local election, the articles of the Town Warrant and other town business be postponed until 8 in the evening to allow more people to attend and participate in town affairs.

Results of the local balloting in which there were no contests, were as follows, with a total of 738 votes cast:

Robert Rousseau, town clerk, 711; Selectman for 3 years, Clinton Haley 672, Albert Caswell, 26 write-in votes; Jennie Loiselle, Tax Collector for 1 year, 707; Robert Labranche, Treasurer for 1 year 692; Harold Mastin, r., Trustee of the Trust Fund for 3 years, 674. Results of the question of allowing Beano, 275 in favor, 74 unfavorable.

With the reading of the Town Warrant, a motion was made and carried that Article 2, to raise such sums of money as necessary to defray town expenses, etc., to be completed by the reading of the budget, item

by item. During this time the figure \$3,600.00 was corrected to read \$2,500 and the suggested figure of \$3,500.00 for town hall expenses discussed at length before that amount was voted.

The question was raised regarding installation of parking meters at the town-owned parking lot on North Main st., on which no action was taken.

\$400 was appropriated for the extermination of blister rust and care of trees which is now being used to remove dead and dangerous trees bordering the main street. Most recently removed were those in front of the Sam Smith Shoe company.

The economic factor of trading the police cruiser this year was explained by George Griswold. He reported that another years use will find the vehicle costing the town more per mile, and during that period its peak trade-in value will have depreciated considerably. The article was carried.

Following a requested explanation of the uses to which the Civil Defense appropriation had been spent, given by CD chairman George Hauschel, an enthused taxpayer then recommended that the CD chairman, his work and his volunteer group be commended for their efforts.

A motion was accepted that under the item "Town Road Aid" the appropriated amount be changed to \$385 instead of the \$2,300.00 shown.

Proposed sidewalk construction during the coming year called for an estimated expenditure of \$8,200.00 to cover the cost of excavating the existing sidewalk on Main street, from the old fire house to the Durham side bridge. This was to consist of removing the old ma-

terials and resurfacing the areas with the same type of material used on main street last summer. After several false starts — one motion recommended that the amount of \$4,000 be set aside this year and a like amount next year — the matter was resolved by balloting according to the check list. A total of 220 votes were cast with 129 no votes and 91 in favor. The article was indefinitely postponed and there will be no sidewalk rebuilding during the coming year.

The remaining articles in the warrant were read. Article 8, to raise \$8,000.00 for necessary repairs on the water tank. Bernard Pelczar of the water board explained that following work done in 1934, no repairs

Continued on Page 3

## LEE POLICE CHIEF OUT

Gilman Menter, police chief of Lee for 15 years, resigned his position Tuesday night. Mr. Menter stated his reason for resigning was that the expected increased appropriation for the police department was not forthcoming.

## SEWING CLASS OF ADULT EDUCATION PROGRAM

Pictured above is the newly begun sewing class of the Adult Education Evening Program which is held at the high school. Classes are held every Wednesday and Thursday evenings and have proved highly popular to many area residents. Shown from left to right are Mrs. Doris Douquette, Beulah Adams, Miss Alice Mongeon, Mrs. Cecile Bergeron, Mrs. John Bogacz, Mrs. Skillings, instructor, Mrs. Regan, Mrs. C. Meserve and Mrs. Grant.

**Elementary School Activities**

**Grade One**

The First Grade is working with rhyming words and learning final consonants.

With the money from P.T.A. we bought a consonant game and a spelling game. We enjoy playing with them when our work is finished.

At story time one of the children reads a story to the class instead of the teacher.

In Arithmetic we are learning subtraction and have learned combinations to 5.

We had a spelling bee to review our spelling words.

**Grade Two**

The following people received gold stars in spelling: Helen Bearisto, Stephen Schultz, Judith Byron, Francine Jones, Margaret Philbrick, Mildred Knowles, Sharon Miesowicz and Garold Pratt.

Last week we "made" a dial telephone from cardboard and practiced calling various numbers.

We had fun using a walkie talkie made with two tin cans and a piece of string. It was brought to us by Donna Irving.

As a part of our study of communication, the second grade has constructed a television set using a cardboard box, two broom handles, and many sheets of paper.

We hope to present a television program to the first grade.

A much admired white mouse has joined the second grade.

**Grade Three**

In spite of the many snowstorms the third graders are thinking of spring and things to come in Spring. They are drawing pictures of the March winds — flying kites, people's hats flying in the wind.

They have just finished studying about the moon and now the entire class is keeping a record of the shapes of the moon that appear each night.

What does a good breakfast

consist of? The third graders know. They are drawing charts of what they and all people should eat each morning before coming to school.

They no longer ask how to spell a word or what a word means. They look it up in their dictionary. They have become quite competent in the workings of the dictionary.

**Grade Four**

New class officers for the month of March are: Randy Gage, Room Manager; Alan Kustra and Bruce Hodsdon as Librarians.

Those pupils receiving 100's in History this week are Bruce Hodsdon, Alan Kustra, Michael Pazdon, Sara Reuter, Timmy Russell, Faith Silver, and Daren Wilson.

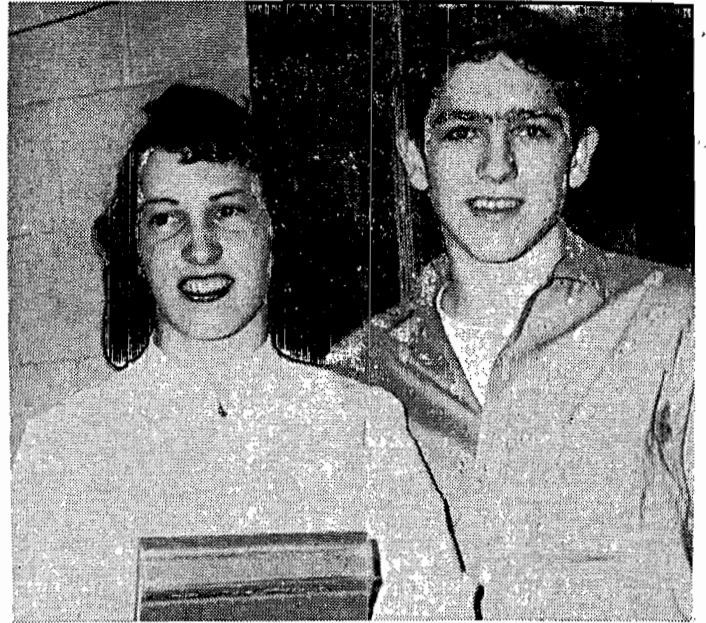

Receiving 100's in Geography were Bruce Hodsdon, Alan Kustra, Sara Reuter, and Daren Wilson.

We are now undertaking a large unit on the countries of the world. We have begun on the continent of Europe, and each of the pupils is reporting on one particular country of his or her choice.

**WW I VETS TO MEET**

The Chateau Thierry Barracks, World War I Veterans, will hold its next regular meeting Wednesday, March 16 at the American Legion Hall at 8 p.m.

**"PERSONALITY PLUS" COUPLE**

Pictured above are Lucille LaBonte and Alfred Hill who were chosen this year as Newmarket High's Most Friendly Boy and Girl. — Staff Photo

**Woman's Club Meeting Delayed**

The regular meeting of the Newmarket Womans Club originally scheduled for Tuesday, March 15, has been cancelled because of the important annual School District Meeting will be held the same evening. Members of the club and of each of its departments are urged to attend the school meeting and to assume an active participation in town affairs.

**Engagement Announced**

Mr. and Mrs. Eugene Brousseau of 5 Lincoln ave., Newmarket, announce the engagement of their daughter Charlene Alice Brousseau to Raymond W. LeBeau, son of Mr. and Mrs. Claude LeBeau of Newmarket.

Miss Brousseau attended schools in Williamantic, Conn. and is employed at the Macallen Co. Her fiance attended Newmarket schools and is employed at the Sam Smith Shoe Co. Wedding ceremonies are planned for July 2nd.

### N.H. Educational TV Praised By Speaker At O.R.S. PTA Meeting

The Advanced Studies Program is a way to provide opportunities for able scholars without neglecting or interfering with regular school opportunities of the other students. The program is summed up by R. Philip Hugny, Assistant Director of Advanced Studies Program of St. Paul's School, at the recent monthly meeting of the Oyster River PTA, where he was the guest speaker.

Mr. Hugny stated the six weeks summer Advanced Studies Program and N.H.'s educational TV station WENH-TV are the most important educational assets in New Hampshire. Each year about 120 carefully selected male high school students are brought together for a rigorous program of advanced work on college level, instructed by the best qualified teachers in N.H. and other states to study such subjects as Advanced Math, Chemistry, Biology, Physics, Modern European History, and Classical Greek. The boys do a year's work in six weeks, thereby earning college credits.

There is an active sports pro-

gram to complement the concentrated studies program. At the end of the third week, College Day is held with admissions officers from about 30 colleges coming to appraise the boys and their records. The A.S.P., which is in its third year of operation, is entirely a N.H. project, financed through the Ford and National Science Foundations. Applications from states as far away as California have had to be turned down.

In answer to a question, Mr. Hugny said these boys do return after their summer's work, to accept more responsibilities and leadership in their respective high schools.

Mr. Hugny's enlightening talk was enjoyed by about 35 PTA members.

During the PTA business meeting, the Treasurer reported a balance of \$157.14. President Ken Woodward appointed a nominating committee of Mrs. Lillian Quimby, chairman, and Mrs. Elizabeth Sahmes and Mrs. Doris Granger to report at the annual meeting in April.

Mrs. Vedeler made a petition for money for the Child Guidance Clinic in Dover, stating that although Oyster River has contributed \$900, this amount falls short \$100 of its proportionate share, while Oyster River makes more use of the Clinic than Dover, who shoulders the biggest portion of the cost.

### Alice Canfield Weds Ernest Flanders In Church Double Ring Ceremony

Miss Alice Elaine Canfield, daughter of Mr. and Mrs. Raymond Canfield of Wiswall road, Durham, became the bride of Ernest W. Flanders, son of Mr. and Mrs. Wilfred Flanders of 547 State st., Portsmouth, in a recent ceremony at St. Mary's Church, Newmarket, with the Rev. Eugene Dumas, pastor, performing the double ring ceremony at a nuptial Mass.

Given in marriage by her father, the bride wore a princess style ballerina gown of white velvet. Her sabrina neckline was trimmed with sequins and pearls, with long fitted sleeves and bouffant skirt.

Miss Carol Allen of Kittery, maid of honor, wore a gown of blue net over taffeta with a matching taffeta headpiece. She carried a bouquet of yellow roses.

George Flanders of Portsmouth, brother of the bridegroom, was best man.

For her daughter's wedding, Mrs. Flanders chose a winter white faille sheath with blue accessories, and a pink carnation corsage. The mother of the bridegroom wore a beige silk print with matching accessories, and wore a corsage of tangerine carnation.

Following the ceremony, a reception was held at the home

### Supervisors of The Checklists At Town Hall

For the convenience of local townspeople, the Supervisors of the checklists will be at the town hall for School Board registration on Saturday, March 12 from 7 p.m. to 8 p.m. and again on Monday, March 14 from 7 p.m. to 8 p.m.

Election of officers of the Newmarket School district will be held Tuesday, March 15 at 10 a.m. Voters who question their eligibility have these two opportunities to insure themselves of their voting privilege at this important meeting.

### News Of The Past

Jan. 26, 1888, Newmarket Advertiser.

Street lamps have been placed near Sovereign's store and at the foot of High street. About three more are needed on Main street as some of the lamps are too far apart. At present there are about 50 street lamps in town, and by the judicious placing of 15 or 20 more our town would be as well lighted as any of its same size.

The first snow of the month and the first of any consequence this season, came on Sunday night, when six or eight inches fell, making quite good sleighing.

Jan. 24, 1929.

Frank Walker who has been ill with pneumonia is able to be out again. One of his young daughters who had it at the same time, is not so fortunate, as empyema developed and she is now in the Exeter Hospital.

The following officers were installed by Wallace Stiles of Brentwood, assisted by Mrs. Stiles, Ruth Clarkson, and Harriet Carpenter as emblem bearer. Master; F. Stanton Lawrence, Overseer; Charles Barton, Lecturer; Mary B. Dearborn; Steward; Leroy Dearborn, Ass't Steward; Labert Stevens, Chaplain; Rev. John D. Kettelle, Treas.; Miss Jennie M. Young, Sec.; Miss Rena E. Young, Gate Keeper; Andrew R. Francis, Ceres; Mary Lassell, Pomona; Marguerite Carpenter,

Flora; Loretta Butler, Lady Ass't Steward, Alice E. Walker.

On the front page of the Newmarket Advertiser of Jan. 31, 1929, an advertisement read, "Singing and Talking Pictures at the Strand Theatre in Dover, beginning Feb. 4.

In the local briefs, "Last week the Boston and Maine put in service their new heavy freight locomotives, hauling 100 - car trains the entire distance from the Hudson valley terminal to Portland, Me."

The Jan., 1929 PTA meeting program featured "What Our High School Needs Most," a parent's point of view by Mrs. Daniel Brady, a student's point of view by Miss Lillian Peck, a teacher's point of view by a Mr. Boland, and a group discussion on the subject. It was also noted that the firm in charge of laying the linoleum on the auditorium floor had already begun their work.

From the 40 years ago column - 1888.

W. F. Bennet has ceased to run the stage route between this town and Northwood, and a Mr. Crafts of the latter town is now running the route.

Ernest P. Pinkham, manager of the J. L. Boardman boot and shoe store, has purchased the stock and good will of the same, and will continue the business at the old stand.

Jan. 19, 1889.

Charles H. Smith Esq., has sold a house lot of 60 ft. front, west of the residence of Mrs. E. M. Small, to the Catholic society of this town for \$600. A parsonage will be erected thereon in the spring.

### D.H.T.A. To Hold Annual Meeting

The Annual Green Pastures Round-up and Annual Meeting of the Rockingham County Dairy Herd Improvement Association is to be held on Thursday afternoon, March 17th at 1:30 p.m., at the Rockingham County Home, Brentwood. The feature of the afternoon will be Gilman K. Crowell, Chief of the Bureau, State Department of Health, Concord, N. H., who will talk on "Use of Antibiotics and Insect Pesticides". Gunnar B. Olsson, Assistant Extension Dairyman, University of New Hampshire will discuss Dairy Herd Improvement Association Testing, with explanation of results as shown by the Rockingham County D.H.I.A. Annual Report.

The annual business meeting and election of officers of the county D.H.I.A. will be conducted by Robert D. Martin of Derry, as president.

In the Green Pastures Program, as announced by James A. Purington, County Agricultural Agent of the Rockingham County Cooperative Extension Service, a silver loving cup is to be awarded by the National Agricultural Limestone Institute, Inc., to the County Winner, along with two medals for second and third placing. Two other medal awards are to be given, as well as some gold seals.

Our Rockingham County Home, Brentwood, also won honors in 1959 by being awarded for the fifth consecutive time Frist Place in the State Institutional Class "Green Pastures Program". Remarks will be given by Green Pastures winners to be announced later.

### DID YOU KNOW...

## DEATHS and FUNERALS

### Mrs. Elizabeth A. Bascom

Mrs. Elizabeth A. (Hughes) Bascom, 55, died Sunday morning at her home, 8 Washington st., after a long illness.

She was born in Dover and had been employed for 14 years at the Royce Shoe Co., retiring in May of 1959 because of poor health. She was a communicant of St. Mary's Church.

Members of the family include her husband, Ernest P. Bascom; two sisters, Mrs. George St. Laurent of Newmarket, and Mrs. Thomas Hourihan of Dover; a brother, Earl Hughes of Dover and several nieces and nephews.

Funeral services were held Tuesday morning at 8 a.m. from the Brisson and Kent Funeral Home followed at 9 a.m. by a solemn high Mass of requiem with the Rev. Eugene Dumas, pastor celebrant; Rev. Robert Bryson, deacon; and Rev. Arthur Nelliher, Exeter, sub deacon.

Bearers were: Omer Lemieux, Frank Hill, Rosaire Turcotte, Adelard Beanlieu, Harry Doucette, Ernest Bearisto.

Burial was in Calvary Cemetery with Fr. Dumas reciting the committal service.

### Charles H. Littlefield

Charles H. Littlefield, 65, of 160 Main st., Newmarket, died Tuesday morning at his home.

He was born in Hillsborough. He was a retired press operator. He moved from Rochester to Newmarket six year ago.

Members of the family include two sons, Charles H. Littlefield Jr., and Harmon Littlefield, both of Newmarket; two daughters, Mrs. Irene Staples of Deerfield and Mrs. Louise Cheney of Albany; five grandchildren and a sister, Mrs. Cora Pike of Rochester.

Funeral services will be conducted Friday afternoon at the Edgerly Chapel by Rev. Vernon French, pastor of the first Methodist Church. Burial will be in Rochester Cemetery.

Friends may call at the funeral home at their convenience.

### Mrs. Lida W. MacIntosh

Private funeral services for Mrs. Lida W. MacIntosh, who died Monday at the Exeter Hospital, will be conducted Thursday afternoon at the Peabody Funeral Home in Derry by Rev. Albert D. Bolster, minister of the First Baptist Church of Derry. Burial will be in Pleasant View Cemetery in Londonderry.

## American Legion News

by Fred L. Beale

The membership report from the Department is in and the 3rd N. H. District has the largest number of members paid up for 1960 of any of the 8 districts. We had the 1st of March a paid up membership of 2833 or 84.09% of our quota. Still we are only second in standing percentage-wise. The 2nd district leads us by about 4.00%. District four, with whom we have a challenge run, is about 81.00 and also slightly behind us in paid up membership. The 3rd and 4th districts are the only 3000 membership districts and are very close in both.

The Robert G. Durgin Post still have only 325 paid up members. What is the matter with those delinquents. There are several who would be getting longevity membership cards this month, if they got their dues, in before we give the cards out sometime the later part of this month.

March installations listed to date are Northwood, March 8th; Epping, March 23rd and Exeter, March 25th.

A Television film salute to the 41st birthday of The American Legion, March 15-17th, has been prepared by Hearst Metrotone News, Inc., for distribution to stations in major metropolitan areas throughout the nation.

A 5-point program, ranging

from support of legislation to adjust service connected compensation payments to opposition of a bill which would rescind the National Defense Education Act's loyalty oath, has been set up by the National Legislative Comm. of the American Legion for the current session of the 86th Congress.

Who is the oldest living member of The American Legion? Dr. J. V. Winans of Post #112, Madison, Ohio, is believed to be the Buckeye State's oldest Legionaire. He will be 95 on May 27th.

On behalf of a grateful former patient of the Walter Reed Hospital and the Athens, Greece Post of the American Legion, National Commander Martin B. McKneally has presented marble busts of Hippocrates, the famous Greek physician, and Asklepios, the Greek god of medicine, to the hospital.

Incidents in the life of the late Supreme Court Justice Oliver Wendell Holmes will be televised by the National Broadcasting Company in the fifth production of its "Our American Heritage" Series at 8:00 p.m. (EST), Sunday, March 20th.

The Friday night Socials are still running to a full capacity even though the weather is trying to put a crimp in them. If you haven't been down you should and listen to the dance music of the J. B. Trio. Good Music, nuf sed. The next regular meeting of the Post is March 21st. Better attend and see what's doing.

## Father Redlon To Preach Lenten Sermons Here

Rev. Father Reginald Redlon

Rev. Fr. Reginald Redlon O.F.M., will preach a series of lenten sermons at St. Mary's Church every Tuesday evening at 7:15 throughout the holy season. Fr. Reginald is no stranger in Newmarket, having come to St. Marys on Sundays since November. The well known Franciscan Father is a native of Westbrook, Maine.

He was ordained to the priesthood in Washington, D.C., in June of 1949. Fr. Reginald has studied at St. Bonaventure University, Catholic University in Friburg, Switzerland and received his Ph.D. from the University of Louvain in Belgium. He is presently teaching Philosophy and Psychology at St. Francis College in Rye Beach.

A cordial invitation is extended to all to attend the series of lenten devotions at St. Mary's Church every Tuesday at 7:15 p.m.

## GIRL SCOUT NEWS

The Newmarket Girl Scout Troop after several weeks of preparation held its first formal meeting Wednesday, March 2, under the leadership of Miss Shirley Varney and Mrs. Doris Winn.

After receiving the Girl Scout Promise and Laws, it was unanimously voted by the Troop to sell Girl Scout Cookies during Girl Scout Week, March 5-12, which marks the 48th anniversary of the organization.

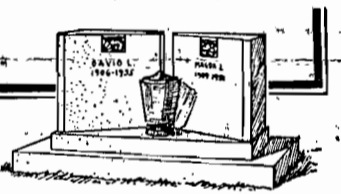

Plans were also discussed on the possibly of the Troop attending the Durham Neighborhood Girl Scout Rally, Thursday, March 10.

Carole Welley

## PTA Meeting Postponed

The Newmarket PTA meeting will not be held next Monday as originally planned. The program which includes pupils from Grades 1-6 requires larger space than the study hall ordinarily used. The schedule for the gymnasium leaves no open date at this time.

Members and parents are urged to attend March 21st. A short business meeting will precede the entertainment.

# NEWS FROM LEE . . .

By Mrs. Lloyd Stevens

## Heart Sunday

The generous amount of \$135, an encouraging increase over last year was collected by "heart neighbors" last Sunday, according to a report by Mrs. Dale Underwood who directed the American Heart Association Fund Drive in Lee.

Mrs. Underwood went on to say that some volunteers had not finished their calls but would do so shortly. She urged those who were not at home last Sunday and were left envelopes to send in their gifts by mail as soon as possible.

Mrs. Underwood expressed her sincere gratitude to the people of Lee for their generous contributions and many thanks to the twelve "heart neighbors" who volunteered their services. Volunteers were Mrs. Christopher Cook, Mrs. Ralph Granger, Mrs. Charles Woodward, Mrs. Ewell Morrison, Mrs. Clyde Fogg, Mrs. Tom Brown, Miss Alice Dudley, Mrs. Derek Seely, Mrs. Earle Charette, Mrs. Paul Estaver and Mrs. Oscar Gooch.

A complete report of Heart Sunday efforts as well as the rest of the campaign will be released at a later date.

## Lee Congregational Church

To enrich and deepen the religious life in the joint communities of Lee and Madbury, the Inter-Church Council is sponsoring special weekly services through Lent.

Beginning at 7:30 p.m., the services will consist of a brief devotional period followed by a discussion of the basic doctrines of the Christian faith.

In order that parents may participate in the Lenten devotions at the Lee church, a Nursery has been set up at the Lee parsonage to care for children of all ages. Parents may leave their children under the capable adult supervision of Mrs. Charles Woodward, both for Sunday morning and Thursday evening services during the Lenten period.

The next Thursday evening service will be held March 10 in Lee. Topic will be "What Think Ye of Christ."

## Special Sunday Service

Holy Communion, Installations and a Dedication Ceremony marked the first Sunday of Lent at morning worship, March 6, at the Lee Church. During the service, Mr.

Richard Clark, minister, installed the trustees and the Deacons and Deaconesses of the Church, followed by the dedication of memorial gifts. A plaque bearing the names of donors and those "In Memoriam" is on display in the church reading as follows: For drapes and dossal curtain; Donor, Mr. and Mrs. Harry Bressette in memory of Mr. and Mrs. Herbert Brooks; Mr. and Mrs. George McDaniel, in memory of Mr. and Mrs. Frank McDaniel; Mr. Arthur McDaniel, in memory of Mercy Durgin McDaniel; Mrs. Ralph Farmer, in memory of Ralph Farmer; Mrs. Arthur Thompson, in memory of Arthur J. Thompson; Mrs. Katherine Jones and Miss Esther Garrity, in memory of Mary Garrity; Mr. and Mrs. Herman Randall, in memory of Albert F. Randall; Mrs. Fred Chapman and Mrs. Charlotte Woodworth, in memory of Fred Chapman; Mrs. J. Henry Fisher and Mrs. Molly Thompson, in memory of James Henry Fisher. A beautiful Altar set was given in memory of Horace M. Poynter by Mrs. Horace M. Poynter and Miss Emily R. Poynter of Durham.

## Lee Hill 4-H Club

To help celebrate National 4-H Week, March 5-12, three club members, Joan Chadbourn, Sally Willard and Maye Mahoney, under the direction of Mrs. Thomas Mahoney, advisor of exhibits, designed and executed an attractive 4-H window display at Peggy's Country Store and a mobile to be on exhibit at the town hall for town meeting day. The Lee Hill club, one of Strafford County's most active, numbers 80 members participating in 15

different projects. Leaders of the group are Mrs. Louise We-nant and Mr. Ralph Granger.

## Lee Fire Dept. Auxiliary

The Lee Fire Dept. Auxiliary will hold its monthly meeting Monday, March 14 at 7:30 at the home of Mrs. Christopher Cook on Pelletiah's Hill, Cartland road. Program for the evening will be "Getting Ready for Easter", a hat making demonstration including do-it-yourself models, by Mrs. Dorothy Farrar of Durham.

## Antique Show & Sale

Tickets for the Antique Show and Sale to benefit the Exeter hospital and the Portsmouth Rehabilitation center to be held April 2, may be purchased in Lee from Mrs. Everett Sackett on Turtle Pond road. The sale will be held in the studio of the home of Baron von Bloomberg on Exeter road, Hampton. A reception will be held to meet an illustrious array of celebrities. Music and refreshments will be provided. Tickets cost \$5.00.

## Special Notices

The regular bi-monthly meeting of the Lee Riders of the Lee Hill 4-H Club, which was cancelled last week due to the storm, will be held tonight at the home of Mr. Robert Moore, Bennett road, Durham.

The next meeting of the Lee Hill 4-H Photography Unit will be held next Saturday afternoon, March 12, at 3, at the home of Ralph Granger.

## Personals

Mr. and Mrs. Wallace Dennis attend the funeral of Mr. Dennis' grandfather, Mr. William Leach, at Fairlee, Vt., last Monday.

## Stork Delivers Leap Year Babies

A dumfounded UNH grad student, E. Rogers Rutter, listened incredulously as his doctor informed him that he was father of Leap Year twins. His wife, Mary, had been admitted to the Exeter hospital the day before with a respiratory ailment and no intentions of delivering the couple's expected baby for at least two weeks.

There is no predicting nature's whims, however, and the couple was delightfully surprised at the arrival of the twins, David Seth, weighing in at 5 lbs. 4 oz., and Rachel Ann, who weighed 3 lbs. 7 3/4 oz. The Rutters, who make their home in a 42-ft. trailer at Fogg's Trailer Park in Lee, have one other son, Jonathan, age three. One problem that won't be doubled by the twins unexpected arrival, will be birthday parties.

## Civics Depart. To Sponsor Clinics

The Civics Department will sponsor the first in a series of immunization clinics in cooperation with the N. H. State Department of Health. The first clinic will be held next Tuesday, March 15 at the fire house from 9:30 to 10:30 a.m. This is not by appointment and interested mothers are urged to bring their children promptly at 9:30 if they wish to avail themselves of this opportunity.

Vaccinations (small pox immunization), Triple Toxoid (diphtheria, tetanus, pertussis, whooping cough) and Polio shots will be given. In the triple toxoid series, 1st, 2nd and 3rd shots and boosters will be offered. The recommended interval between the 3rd shot and booster is two years. 1st, 2nd, 3rd or 4th polio shots or the series will be given.

Dr. Gerald B. Shattuck will be the attending physician. Barbara Doody, R.N., of the Department of Public Health, will be in charge.

Joe Dixx's Sport Corner

By Richard Schanda

With Spring on its way and the last of the hunting season out of the way, we can now look ahead to some much needed fishing. Trout will open the season and by the end of this month the Fish and Game Dept. will start on their new stocking plans.

These plans call for a earlier stocking of trout. It seems that the Conservation Dept. has proven that high spring waters do not effect or scatter the newly stocked fish. This early stocking allows the fish to scatter to natural covers. They claim that the high water looks a lot worst on the surface but along the bottom, rocks and natural projections set up ebbing current which hold the fish. Sound reasonable enough.

If you would like to get in some early clam digging, drop down to the mouth of the Hampton River. I have had some of these early clams and outside of a faint fresh water taste, they pass the test. Of course, those Hampton clams are not as tasty as our native

bay clams. But they will have to do for another month or so. Before you dig clams in Hampton, check the law book for the legal location and also number your 8 qt. clam basket.

The Fish and Game Dept. is quite concerned with out-of-state fishermen who are bringing live bait into this state without a permit from the Dept. This is a law which the Fish and Game Dept. have not been pushing until lately. With all of our reclaimed ponds and lakes the problem is becoming serious. The trouble is that when the fisherman finishes fishing he usually dumps the rest of his live bait over the side. Now the state may have just killed off all the trash fish in this pond and here is a unknowing port restocking the pond with trash fish all over again. Also these minnies may have some disease which could be transmitted to the Game fish.

If you have non-resident fishing friends you might do well to warn them, because a stiff fine is being handed out to violators.

Reports from up north claim more snow on the ground with-in memory. Swell skiing for the skiers, but real tough sledding for the deer herd. Let's hope for a quick thaw.

It looks like the Hampton salt water marsh is on its way out.

The 1959 Legislature created

the Hampton Marsh Reclaiming Authority. They are planning to drain the marsh, dredge out the Hampton River and then build houses and cottages on the accumulated fill. A fine project for Hampton, but a blow to the last salt water breeding marsh for ducks and geese in the state of N.H. A good many of the salt water fish caught off the coast of N.H. spend their first years of life in this marsh as it is also a natural hatchery for cod, stripped bass, flounder, butterfish and haddock.

The Federal Wildlife Service is seriously thinking of revising the duck laws and bag limits. This is due to the fact that less black ducks can be shot when bag limits are lowered due to a decrease in other species of ducks such as the Red Heads and Canvas Back. The blacks are a more stable species and as most of our duck shooting in this area are blacks this would benefit the bay gunners. I have seen but one "Can" and no "Reds" in this area, so a lowered bag limit due to shortages of ducks not native to our eastern flyways does not seem quite right.

A trip to the pheasant rearing farm in Brentwood makes for an interesting afternoon. During your Sunday drive, cruise around that area. You will really see a big, fine job being done. They welcome visitors.

## RED CROSS SOLICITORS ARE LISTED FOR NEWMARKET

Last week the Red Cross received a frantic call from a Newmarket woman. News of the disaster in Morocco, where she had relatives, left her quite concerned. Within a couple of hours, the Red Cross was able to assure her that her relatives were safe.

This is but one of the services the Red Cross gives.

Newmarket people are benefitting by first aid training. Youngsters can learn swimming and water safety. Twenty five Newmarket residents received 81 pints of blood from the Red Cross in 1959. If disaster strikes, the Red Cross will be on hand.

This month the Red Cross is asking for funds to carry on its program. Some of the Newmarket residents who will be call-

ing on friends and neighbors on behalf of the Red Cross are:

Mrs. Adelbert R. Clark, Packers Falls road; Mrs. Frederick F. Cleveland, Packers Falls rd.; Mrs. John Fitzgibbon, Maplecrest; Mrs. Lincoln E. Gowan, Wadleigh Falls road; James W. Griswold, area chairman, Special Gifts; Mrs. Peter E. Hamel, Ash Swamp road; Margaret Mitchell, Lamprey and adjoining streets; Mrs. Robert D. Mitchell, Epping road.

Also Mrs. Herbert J. Philbrick, Elm street; Connie Sharples, Lamprey and adjoining streets; Mrs. A. Dickson Smith, Bay road; Mrs. Joseph St. Amour, Main street, RR bridge to Maplecrest; Miss Florence Turcotte, Maple street and RR

avenue; Mrs. Ralph Waugh, Rockingham Junction.

There is an acute need for more volunteers. Some streets in the central part of town and short sections of out-lying areas have not yet been assigned. Anyone who wishes to help is urged to call the Newmarket Fund Drive chairman, Mrs. Martha Elliott, OL 9-3081.

The American Red Cross is an integral part of our lives. It must be maintained and supported by the public which benefits from it. And let's not overlook these benefits, even if in some specific cases, they are more or less indirect.

Whether it is a question of providing training in such vital matters as First Aid, care of infants, the handling of the infirm, or in such spectacular cases as the 'tending of whole communities devastated by hurricane, as was true in the south a year ago, or other dis-

aster the Red Cross is constantly active. Its work is not primarily a matter of headlines. It is day by day activity whose effectiveness is measured often years afterward. These services are distributed over the entire country, its overseas possessions and wherever our armed forces are located. It is easy for persons in any one area of the country to underestimate their number and scope.

There is no one in the country who is not better off, directly or indirectly, because the American Red Cross is on the job. There is no one who would not be worse off, directly or otherwise, if it were not in existence. Therefore, it behoves us all to give credit where it is due.

March 1, therefore, marks the beginning of our annual appeal for funds; obtaining the public support through these contributions help carry out the organization's work and of time and talent from volunteers, the keystone of all Red Cross programs.

This year's theme "GOOD THINGS HAPPEN WHEN YOU GIVE" is a warm and meaningful one which will reach the hearts and consciences of the people of our community, the Exeter District Chapter and its 14 surrounding towns. The Red Cross enables everyone to help make these good things happen. By giving to the Red Cross each person helps to:

Restore the battered lives of disaster victims;  
Safety-proof America

through training in first aid, water safety and home nursing;

Provide blood for the sick and injured;

Alleviate the personal and family problems of servicemen, veterans and their dependents;

Prepare young people, through Junior Red Cross, to become the responsible family, community and national leaders of tomorrow.

By giving time and talent, each person joins two million devoted Red Cross volunteers and staff members in 3,700 chapters in this country and at U.S. military posts around the world in the pioneer-day practice of neighbor helping neighbor. The Red Cross is humanity in action — everywhere.
