## Water Tank Bids To Be Awarded At Next Meeting

Bids on cleaning the town water tank will be awarded in April at the meeting of the Newmarket Water Board, it was learned by "The Times" today. It is hoped that the work can be started sometime during the month of May and be completed in June.

Meanwhile the mechanical means of supplying water to the town while the tank is being drained, cleaned and repaired, has been under discussion. This will require special valves, fittings, etc., which has been ordered. Pumps will be in operation 24-hours a day while the tank is undergoing its face-lifting. There will also be water department men on duty around-the-clock.

Bids for the actual repair of the tank have been requested and will be awarded when the nature and extent of the deterioration has been determined. The work will be done in the shortest possible time.

## Port City Lawyer To Speak Here

The Men's Service Club has scheduled Attorney David Sanderson of Portsmouth as speaker at their next regular meeting Monday, March 28.

Mr. Sanderson is associated with the law firm of Marvin, Peyser, Hale and Sanderson and is a member of the Appalachian Mountain Climbing Club and was one of the club members who assisted in the rescue of the two Massachusetts boys stranded on Cannon Mountain last September.

His topic will be "Adventure in Rock Climbing." The meeting will begin at 7 p.m. with a dinner at the Centre Spa Restaurant.

## Lee Police Department, Selectmen Reach Agreement On Appropriation

The Board of Selectmen refused to accept the resignation of Police Chief Gilman Menter following the filing of a petition by Lee townspeople to the effect. At a recent meeting of the Selectmen and the Police Department, a mutually satisfactory financial arrangement was reached.

Chief Menter had previously turned in his badge after 15 years of service as Lee police chief when the departments' expected increase in appropriations was not included in this year's budget.

According to the police department report for the year of 1959, the department investigated 75 complaints, 14 auto accidents, 5 missing person cases, processed 2 death certificates, rendered assistance to other police agencies 24 times. The chief and his two deputies travelled approximately 2,200 miles on police business and worked 456 man hours.

The salaries paid the police department for the year were as follows: Chief \$75.; 2 deputies, \$25 each.

## H.D. Club Makes Cancer Dressings

The Newmarket Day Home Demonstration Group held a meeting at the home of Mrs. Nellie Anderson on Packers Falls road and made 98 cancer dressings.

It was voted to send dues to affiliate with the State HD Council and a donation of \$5 to the Williamson-Babb, Scholarship Fund. Members also decided to buy a tile for the Memorial Tile wall at the Community Church as a gesture of appreciation for the use of church tables at sewing classes held in the library.

Each member will be responsible for bringing 15 birthday favors to the next meeting for use at the County Home. Scraps of wool yarn, wallpaper, needles, crochet hooks and similar suitable items will be collected for use in the rehabilitation program conducted there.

General discussion was held on the list of projects most desired during the coming year, with those receiving the greatest interest to be submitted in order to the Home Demonstration Agent.

Attending were Mrs. Nellie Anderson, Mrs. Elma Kitchin, Mrs. Alice Kent, Mrs. Pauline Brisson, Mrs. Merina Fontaine, Mrs. Helen Dodds, Mrs. Mary Bosinger, Mrs. Edwina Bennet, Mrs. Jeanette Turcotte and Mrs. Jean Bloom.

## Clean-up Day To Be Held By Jr.'s

The Junior Class of Newmarket High School has made plans to sponsor a Clean-Up Day on Friday, April 29, as a means of earning money for the class treasury. They will offer Baby Sitting at 50c per hour, spring cleaning at 65c per hour — this includes window washing, cleaning of sheds, cellars and attics.

Harassed housewives may call Heather Branch at OL 9-3664 or Joyce Albee at OL 9-3353 for additional information regarding these services.

Serving on the Clean-Up Day committee are Gerry Larrivee, Jackie Marden, Carol Hazeltine, John Goodwin, Douglas Sklarski, Henry Smas and Joyce Albee.

## Polio Clinic To Be Held March 31

A Polio Immunization clinic sponsored by the Newmarket PTA will be held Thursday, March 31st from 6 to 7 p.m. at the fire house.

First, second and third booster shots for pre-school age children, students, and adults will be offered, with Dr. Irving E. Brown, Jr., the attending physician.

Those interested are asked to register no later than Monday, March 28 by calling Mrs. Kenneth Anderson at OL 9-3738, or Mrs. Lincoln Gowen at OL 9-3232.

Permission slips have been sent home to indicate the willingness of parents to have their children immunized.

The amount of vaccine ordered for this clinic is dependant on the number of people registering. With this in mind, those registering are reminded of the importance of keeping the appointment once it is made.

## Rockingham Golf Club To Open Soon Under New Management

The Rockingham Golf club, a local institution for the past 30 years will open this spring under new management. George Hauschel and Bill Ball have leased the property and will be open for business as soon as weather permits.

The 9-hole course was designed by Manuel Francis of the Vespers Country Club of Amesbury, Mass. in the early 1930's for the late Walter Hanson, and leased to Urban Fellows for several years.

World War II found golfers occupied in other arenas and the course was closed for the duration. After the war, Hanson re-opened the Club and continued its management un-

til his death last year. The new proprietors plan improvements to the course and club house as well as offering the usual pleasant atmosphere that local golfers have come to expect at Rockingham.

The refreshment stand opposite the course has been leased for the coming summer season by Mr. and Mrs. Kenneth Tilton, owner of the Centre Spa Restaurant on Main street and will be open for business as soon as weather permits.

## C.D. Director Is Appointed In Lee

John Randall, chairman of the Board of Selectmen of Lee announces the appointment of Staton Curtis as Civil Defense Director for the town of Lee. Mr. Curtis has appointed Miss Alice Dudley as his deputy.

Mr. Curtis is director of the Memorial Union Building in Durham and is a former secretary-treasurer of the Lee Fire Department and for several years has been a deputy police officer.

Miss Dudley is a former WAC officer and is now engaged in the operation of a dairy farm. She is an active member of the Jeremiah Smith Grange and has been an auditor for the town of Lee for 15 years.

## 7 Tables In Play At C.Y.O. Whist

St. Mary's CYO held its first in a series of whist parties Thursday, March 17 at the school hall with 7 tables in play. Present plans are to conduct additional card parties every Thursday for the next three weeks. The door prize was won by Mrs. Donat W. Roy, the floating prize by Mrs. Tillie Gazda and the pool of \$6.50 by Mrs. Donat Roy.

Special prizes were awarded to Mrs. Trudy Gielar and Rose-lynn Bargiel.

## Two Fined After Main St. Brawl

Appearing before Judge Russell McGuirk at the regular session of Municipal Court last Saturday were Edgar MacDougall of Newmarket and John Huntress of Berwick, Maine, charged with engaging in a brawl on Main street.

Both entered a plea of guilty and were instructed to keep the peace by Judge McGuirk, each was fined \$5 and given a suspended sentence of 30 days in the House of Correction.

# Stamp Collectors News

by Mrs. Ione Kent

Stamps are becoming important for other reasons than hobbies. Teachers can, when possible, make much use of them in the school curriculum. This idea is to be emphasized at the Interpex (International Philatelic Exhibition) to be held from March 25-27 at the Trade Show Building, 1500 Eighth avenue, N. Y. C. The Smith Street School in Uniondale, Long Island, will demonstrate practical use of Philately in various fields of instruction. Dr. Irene F. Cypher, President of the Metropolitan N. Y. Audio-Visual Association, will preside over these programs.

A film strip, "Adventure in

Stamps", which shows the use of stamps dealing with many phases of historical and industrial developments from ancient times to the present age, will be shown. Mr. Rasen created this strip as he has done much work with audio-visual programs and as stamps are his hobby and he wished to bring the knowledge pictured in stamps to pupils in this unique method.

More stamps are issued recently for one or more kinds of propaganda. These Refugee stamps are to interest the world with refugee problems and some carry an extra charge to aid the refugee fund. Then the Credo stamps are to give the world our messages of faith and good will. Our eight cent regular stamp used for postage to most foreign countries pictures the Statue of Liberty, long a symbol of freedom in many lands.

The April meeting of the Great Bay Stamp Club is to be held April 5, 1960, at 7 p.m., at the Phillip's Exeter Academy. (This will be held in the main building with the clock on it.) Anyone interested in stamps is invited.

For those collecting flower topicals, Australia is issuing 4 new flower stamps during March and Israel is issuing 2 flower stamps in April.

The Washington Credo stamp has another scarce plate num-

Israel is to issue World Refugee pair on April 7th to comply with the U.N. request.

Canadian Girl Guide is to be honored with a 5c stamp April 20th at Ottawa.

The new stamp issued by Malta Feb. 8th commemorating the shipwreck of St. Paul is interesting. St. Paul was on his way to a trial in Rome when the ship was wrecked. He stayed in the island three months during which time he converted the inhabitants to Christianity.

This island is in a strategic position in the Mediterranean, but is so rocky it is not self supporting. Money spent by the British Military Service and tourists helps, but Great Britain has to make up the deficit.

## Music Festival To Be Held Mar. 25

The Invitation Music Festival cancelled March 4 because of weather will be held Friday, March 25 at the Newmarket high school. Students from Newmarket, Nute High of Milton, Oyster River of Durham, and Raymond High school will combine under the direction of Dr. John Whitlock, head of the Music Education department and assistant professor of music at the University of New Hampshire. The afternoon will be devoted to group rehearsal and combined general rehearsal.

A concert of the combined chorus' will be held at 7:30 p.m. Tickets are available at the high school and may also be obtained from students, or may be purchased at the door. Tickets purchased for the original concert date will be honored. It is hoped that as many interested parents as possible will avail themselves of this opportunity to witness benefits of the type of musical education being offered at Newmarket high school.

## History of Newmarket Fire Department

The first fire engine ever owned and operated in Newmarket was purchased by the Newmarket Manufacturing Co. It was a very crude apparatus, operated by cranks. The water had to be poured into the tub and a tiny stream was thrown affording but little protection from the devouring flames. This was in 1832 and from this purchase dates the organization of the Fire Department.

Seven years later a brake machine was substituted for the first, which had been called The Coffee Mill. This was not much of an improvement however, for the water still had to be brought in buckets and poured into the box. They were, however, the sole protection until March 9, 1852, when the town voted to buy an engine, and a committee consisting of John Webster, who at that time was agent of the mills,

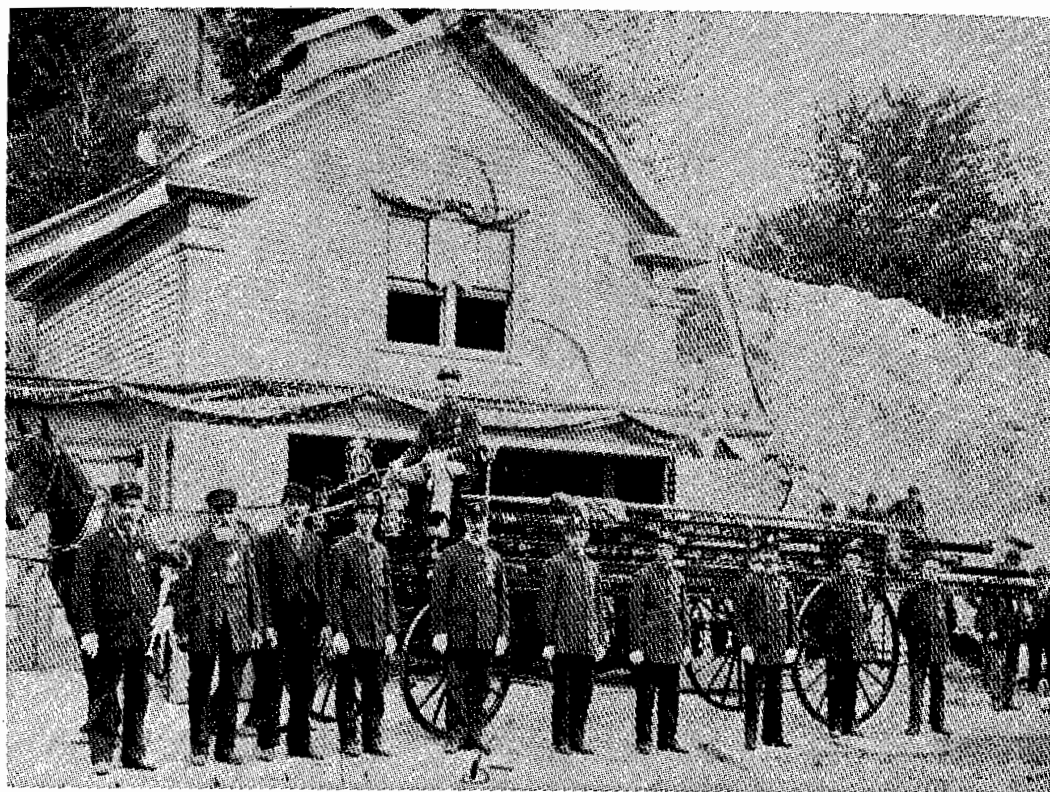

Dr. George W. Kittredge and Joseph Taylor, were authorized to raise \$1000, for the purchase. On April 26 a fire company was organized known as Tiger No. 1 of which Thomas W. Willy Sr. was captain.

The Newmarket Fire Department was reorganized in 1895, consisting of a board of engineers, a chief, and three assistant engineers, Tiger Hose No. 1 with 16 men, Granite Hose No. 2, 16 men consisting of Hose No. 3, and Hook and Ladder Co., No. 1 — 12 men and driver making 13 men.

The Stevens Fire Alarm System, which was installed in April, 1897, has proved to all that was claimed for it, and has saved more than the money it cost in getting alarms in promptly, but like all electrical apparatus it requires constant care and attention. It has never failed to work when needed for an alarm.

A new travers runner hose pung for winter service was purchased. It was a much needed piece of apparatus. It carries 800 feet of hose, 4-play pipes and full outfit for the use of hosemen. It was housed at Elmer Kent's livery stable, where a fire alarm was located and a driver was ready night or day to start at once on an alarm of fire.

A company was organized for the operation of the company's machine styled the "Ever Ready", and it still continued its existence, but Tiger No. 1

Pictured above are members of the Newmarket Hook and Ladder Company who are shown lined up in front of their most modern piece of equipment. The photo was taken some 60 years ago and it shows from left to right: Franklin A. Brackett, Samuel Savage, Lewis Hersom, Andrew Gordon, Pliny Thompson, John Hersom, George Grant, Herbert Blazo, Harry Varney, and William Evans. The driver is John Long and horses name was Old Dime.

was the first equipped by the town.

The department at this time consisted of Tiger No. 1 with 37 members, "Always Ready" No. 2 — 29 members, and Hose Co. No. 1, with 6 members. It continued thus until 1858 when the company, realizing the need of more efficient equipment, purchased another hand brake machine known as "Granite" and as the old "Ever Ready" was now useless, they took its number, No. 2.

In 1894 and 1895, the town established its present efficient water system near the present site of the old nut and bolt factory, where it built a pumping station for the purpose of utilizing the water privileges. The sources of its supply are inexhaustible mountain springs. The reservoir is located on Great Hill, sufficiently high to afford pressure to safely cover the village.

Newmarket has been very fortunate, in the matter of fires. While several small losses have from time to time been sustained, only one serious conflagration has visited the town. This was on February 6, 1866, when many buildings were destroyed and a loss upwards of \$30,000 was sustained.

The fire alarm system con-

sisted of the tower bell striker in the tower of the Congregational Church. Two 18 inch fire gongs, one on the outside of each fire station, one 6 inch gong at Kent's livery stable, one 6 inch gong at the residence of the chief, two private tappers for firemen, and eleven non-interference pull street fire alarm boxes. The battery was at George L. Dearborn's drug store and was charged. The lines, boxes and gongs were in charge of the engineers.

Following are the names of the Newmarket Firemen under the new fire alarm system:

Board of Engineers — Franklin A. Brackett, Chief; William H. Small, Clerk; Pliny E. Thompson, Frank M. Bunker.

Tiger Hose Company, No. 1 — William H. Small, Director; Albert T. Stackpole, Capt. George O. Hodgdon, Clerk; John F. Behan, Timothy Batterbury, T. ### CD To Hold Alert May 3rd to 5th

The Newmarket Civil Defense Unit held its monthly meeting March 21st, at the fire house. Chairman George Hauschel announced the 2nd in the series of Red Cross First Aid classes would be held Tuesday, March 22 at 7:00 at the same location, and extended an invi-

tation to interested persons to attend.

Mrs. Martha Elliot, Ben Richardson, and Richard Emond were welcomed as new members of the unit.

All officers and specialized groups in the unit were reminded that they must main-

tain efficiency to retain their official Civil Defense status.

It was announced that 47 towns and cities in the state have signified their willingness to participate in "Operation Alert", scheduled for May 3rd to 5th. The responsibilities of each will be later designated by the state CD headquarters. Following the meeting, a movie dealing with "Sabotage", was shown. Refreshments supplied by Mrs. Betty Philbrick were served.

The Civil Defense Police Unit held a meeting following the regular CD meeting and elected 3 new members; Dick Emond, Alfred Canney, and Robert Pratt. The next meeting will be Monday, March 28, at the Civil Defense office at the town hall to discuss an educational training program to instruct members on rerouting traffic in emergencies and road blocks.

#### Important Notice To Veterans

In order to receive a veteran's exemption on property, a form must be filled out and returned to the selectmen before April 15. If there is any veteran who has not received this form, one may be obtained from any of the selectmen: Mr. John Randall, Lee Five Corners; Mr. Robert Keniston, Rt. 155; George Bennett, Bennett Road.

#### Accident Report

Two accidents were reported in last Thursday's storm. An unidentified car skidded and overturned on the Packer's Fall road with no damage reported. At 10 p.m. a car owned by John Umling of Pease Air Force Base skidded while traveling west on Rt. 152 in Lee, by the North River Bridge, crashed through the guardrails and landed on its side in the river. No injuries were sustained.

Fire Chief Stevens reports that as of last weekend, Mike Menter and Herman Keniston of the Lee Artisan Well Co. had reached 80 ft. with the well being drilled for the Lee Fire Dept. and had hit a small amount of water.

#### Fire House Well Report

Our sympathy is extended to anyone who is suffering from the current flu bug. We are just recovering from a bout with it ourselves and know first hand about its devastation. While running its course, with us, our second son, David, who with his little brother Ricky, was a tonsillectomy patient two weeks ago, had to return to the hospital last Thursday because of complications. We certainly hope by next week's news time we'll be back on the ball with up-to-date news around town.

# ACTIVITIES IN ELEMENTARY SCHOOLS

## Grade One

We can distinguish our beginning sounds very well now. We are still learning rhyming words and ending sounds.

In arithmetic we are continuing to learn our addition and subtraction facts up to ten. We are also learning to count to 100 by 2's.

In art we painted pictures of outdoor scenes.

We have been discussing what a good breakfast consists of. We drew pictures of what we had for breakfast.

One day we visited the second grade and saw the television set and story they made.

## Grade Two

The second graders are reviewing their previous study about money and are learning additional material.

Everyone is hoping to win the spelling contest we are now having.

Almost all the second graders are in their second reading book for the year. We enjoy reading the imaginative stories presented.

On Saint Patrick's Day we read a story and drew pictures of shamrocks.

Several children have brought their cash registers to school in preparation for the money we hope to make by selling our second grade newspapers.

The newspaper was written as a part of our study on communication. The price for its purchase is one cent.

A committee brought in pictures portraying means of communication and placed them on our bulletin board.

The poem *The Sun Is First To Rise* by Elizabeth Coatsworth was illustrated during art last Friday.

## Grade Three

Last Monday the third grade participated in the entertainment program for the PTA. After the four-grade entertainment program the children enjoyed the refreshments that were so kindly supplied by the PTA.

At the PTA they won the banner for having the largest attendance of parents at the meeting. They plan to buy a book for their library.

The children have been keeping track of the shapes of the moon that have occurred each night. Unfortunately, March has had but few moons.

They drew pictures of the

eclipse of the moon — the eclipse that might have been seen if it wasn't for the clouds.

March is a very interesting month to the third graders. So interesting that they have written poems about the windy month. Here is an example:

March  
The winds of March are blowing,

Kite flying time is here.  
The snow will soon be going,  
And Spring is very near.

Douglas Knowles

## Grade Five

Guy Gilbert and Alan Smith have made an altimeter for a science experiment.

In social studies we are visiting the Central States.

Those who received 100 in spelling were: Sandra Langlois, Barbara Sewall, Sharon Sewall, Christine Wright, Raymond Hatch and Gary Rodrigues.

There has been quite an interest in tapping maple trees and gathering sap. Gary Rodrigues has made some syrup.

The bookmobile came and brought new books. In our reading contest Barbara Sewall's team won with a score of 85 points. Sharon Sewall's team had 66 points. Those who read more than ten books were: Fred Toland, Sharon Sewall, Jeffrey Filmore, Donna Stevens, Gary Rodrigues and Raymond Hatch.

We are now starting another

reading contest. We are trying to improve our speed.

## Grade Six

Spring is here! Jump ropes and marbles are seen on the playground. The fifth and sixth grade boys have discovered the maple trees and are busy collecting the sap. The actual cooking of the sap is being done at Gary Rodrigues's house.

Those celebrating March birthdays are Irving Brown, Janet Delano, Leah Tilton and Wayne Picuch.

Friday, Mrs. Richard Funke showed colored slides of the western part of the United States, Disneyland and Labrador. The fifth graders were our guests.

The Stamp Club is growing. There are now seventeen members who are busy trading stamps and increasing their collection.

In Science we are studying how sunlight makes food for plant. We are bringing in a variety of seeds to watch them sprout and grow. We are also testing pond water for signs of animal life.

We are doing scale drawings on measurements in arithmetic class.

The Bookmobile came and we are enjoying many new and interesting books that Linda Marelli and Peter Nesbitt selected for us.

High scorers in spelling were Linda Marelli, Rebecca Walker, Jane Hazeltine, Christine Car-

penter, Deborah Carpenter, Irving Brown, Peter Nesbitt and Lloyd Cotton.

Room manager for the month is Cynthia Sewall.

Helpers at hot lunch last week were Cynthia Sewall and Daniel Dzedzic. This week Jane Hazeltine and John Pazdon are serving.

## Thrift Shop Plans Completed

A meeting of the Thrift Shop committee was held at the home of the chairman, Mrs. Forbes Getchell to complete plans for the project. Permission has been granted by the Board of Trustees of the Community Church for the shop to be located in the church basement in the old kindergarten room. Present plans are for the shop to be open on Fridays beginning at 9 a.m. during the first month of its operation.

Donated articles will be welcomed: dishes, summer sports wear, clean clothing of good quality in good condition will be accepted. Articles will also be accepted for commission sale. Mrs. Lola Sewall and Mrs. Mildred Cashman may be contacted to pick up any donations. Edward Polchlopek will serve as treasurer.

Attending were Mrs. Edward Polchlopek, Mrs. Ronald Filmore, Mrs. Irving Brown and Mrs. Robert Sewall. Unable to attend was Mrs. William Cashman.

### Junior Class Selects Play

The Junior Class of Newmarket High School has selected its class play. The play, "Susan Slept Here" is a comedy in two acts by Steve Eisher and Alex Gottlieb, and is published by Samuel French of New York.

The authors are well-known Hollywood writers. The dialogue is quick and witty. The script is based on the movie of the same name which starred Debbie Reynolds.

The lively comedy is to be given May 20th, at the high school auditorium. Try-outs for the play will be held as soon as the play-books arrive.

There's a microphone so small that it can be passed through a vein directly into the heart. It's guided by the x-ray physician as he watches its movement under a fluoroscope, and the precise sounds of the heart beat and blood flow give the physician new inside information about our most important organ.

### Pulpit Committee Choice To Be Here March 27

The Reverend Mr. Myles D. Blanchard of 48 Hamilton avenue, Auburn, N. Y., will be the official candidate of the Pulpit Committee for the position of Pastor of the Newmarket Community Church.

Reverend Blanchard will be in Newmarket Sunday, March 27 to conduct worship services. Immediately after the service, parishioners will have the opportunity to cast their ballots designating whether or not they are in favor of calling the Rev. Blanchard to serve at the church.

The Rev. Mr. Myles Blanchard was born in Fitchburg, Mass. in 1898 and received his training at Clark University, Worcester, Mass. and Gordon College, Beverly, Mass. He was ordained in 1923 and is a Congregationalist. He is Director of the Extension department of the New York State Universalist Church. He is married and Members serving on the Pulpit Committee are Chairman John Dodds, Mrs. Beverly Burrows, Mrs. Eleanor Filmore, Mrs. Ruth Richmond, Harry Bassett, Dr. Irving E. Brown, Jr., Roger Donovan, Fred Durrel, Dr. L. Forbes Getchell, Albert Gilbert, Dr. John Kitchen, George Zuk and Herbert Richmond.

### Pony League To Complete Plans

Officials of Newmarkets' recently organized Pony League, will meet Monday evening at 7 p.m., in the court room of the town hall to complete final arrangements for the coming season.

Registration blanks will be sent home from the local schools. Boys in the 8 to 12 year bracket are eligible for the Little League registration for participation.

The Pony League includes boys ages 13 to 15 and will give boys who can no longer play in the younger group the opportunity to continue in baseball. Fathers of all boys belonging to the league or wishing to join, are urged to attend this meeting.

### Religion In American Life

Religious and civic leaders the state and nation over are cooperating these days in the annual campaign to emphasize the importance of Religion In American Life. Their purpose is to urge all Americans to worship regularly, and to make their religion an ever more important part of their personal, family and community life.

While the sponsors of RIAL would be the first to disclaim full credit, it is significant that during the 11 years the program has been in effect, attendance in churches and synagogues has increased 32%. There must be more to this increase than just an ephemeral spiritual revival brought on by the conditions of the times.

Religion is a very personal thing, and yet in public worship we find its very essence. When men and women and children kneel together in common prayer for forgiveness and strength, and stand together in songs of praise for the Creator, they are expressing a kinship that makes mankind unique.

RIAL's message is "Find the Strength for Your Life . . . Worship Together This Week." In worship, in religion, lies the only strength that moral man can find to fit him fully for the life he lives amidst the awesome majesty of creation; and for the eternal life which that majesty demonstrates must be his destiny.

### 35 Girl Scouts Attend Meeting

The third meeting of the Girl Scouts was held March 19 with thirty-five members attending.

The girls returned their cookie order blanks from their cookie sale.

The troop was divided into two groups with each leader having a group to train in the learning of the flag ceremony and the proper handling of the flag.

Several girls were tested and passed the Girl Scout Promise and Laws.

There was group singing and the meeting closed with the Star Spangled Banner being sung by all present.

## Local America Home Department Organizer To Be Honored At Party

The American Home department met at the home of Mrs. William Cashman last Thursday. During the business meeting Mrs. Isabelle Dearborn reported that some of the money earned at the card parties for the purchase of library items will also be used to buy a heavy grade rubber mat to protect the new refinished floor between the door and the library counter.

A letter was read from Mary Gordon, librarian and library trustees, thanking the department for the donation of money for the purchase of new books. (Described in the Library Column.)

Donations were voted to the Easter Seal campaign, and the annual American Red Cross appeal.

Mrs. Isabelle Dearborn, card party chairman, reported that the winners at last weeks' card party were; Mrs. Nelli Lizak, Edward Boisvert, Mrs. Blanche Proulx. Mrs. Trudy Gieler was awarded the consolation prize

and Mrs. Helen Silver the special prize.

The group made plans to meet on Main street Sunday afternoon at 2 p.m., and surprise Miss Rene Young on her birthday. Miss Young organized the American Home Department and has guided them in their activities for many years.

Refreshments were served by the hostess.

## St. Mary's B.B. Team Honored At Dinner Party

Mr. and Mrs. Romeo Loiselle of Packers Falls road entertained members of the Saint Mary's basketball team at a dinner party at their home Sunday evening. The team won 5th place in the recent Newmarket Basketball Tournament. Present were: Leo Arsenault, Lionel Arsenault, James Bosinger, Robert Bosinger, Larry Beaulieu, Jerry Eickholt, Raymond Gagne, Craig Grochmal, John Langlois, David Loiselle and Edward Ziemba.

Assisting the host and hostess were Miss Eleanor Marelli and Harry Marelli.

## Hospital Patients

The Exeter Hospital lists young Fred Call, injured in an accident, as continued improving and Mrs. Ella Farnsworth also as improving.

Newmarket residents also at Exeter are Herman Lewis of Main street and Mrs. Vira Spencer of Elm street.

Even the animals knew that Monday was the first full day of Spring. A small herd was seen down the Bay road near Crinnans Creek. Louis Lambert saw a nice doe cross the road below Lloyd Walker's house.

George Bergeron, who lives on Spring street, got up to head down to work when he happened to glance out the window. It was hard to believe his eyes. For standing next to Doc Towle's house was a nice doe. The deer then walked down the bank and stepped into the road just across from Pratt's house. About this time, George got to the front gate minus his camera, of course. The deer calmly walked up the road toward Andy Gordon's house. Walter Langlois joined George and they both watched the doe walk up Andy's driveway and disappear into the woods behind the house.

George saw a deer at this same spot about 8 years ago. The area bounded by Spring, Elm, and the Dump road is a natural run for deer passing through the town from the Durham side area to Great Hill or Packers Fall.

### General Fishing Seasons and Limits:

The first of April will open the season on golden trout and salmon. Two Golden and 2 salmon, not less than 12" long on the golden and not less than 15" long on the salmon.

Brook trout, rainbow, brown, horned pout, splake and pickerel can be caught starting the 4th Saturday in April which is the 23rd. On trout the limit is 10 fish or 5 pounds. On horn pout the legal limit is 40 fish which must be taken between noon of one day to noon of the following day.

There is no closed season or limit on white or yellow perch.

If you examined the snow which fell last Friday you may have noticed small black insects sprinkled all over the surface of the snow. Old time weather forecasters and woodsmen say this is a positive sign of spring. They say you can look for a general thaw within 3 days after finding these so called snow fleas. Well the thaw came and wait for more fleas to melt this load of snow which seems to hang on to winter.

Get your salt water gear ready for you should be wetting your lines within a month. Check the first 4 or 5 feet of line quite carefully for if you fished salt water last year, you can remember the overload of sand sharks or dog fish we had to put up with. Those dog fish have a hid like sandpaper and as they tend to pull up on your line they very often chafe the line almost through. Cut off 4 or 5 feet and you will be safe. It would be a shame to lose that first big rock cod or haddock.

Well, the federal govt. has finally done it. They are going to investigate our pal the partridge. The govt. has developed a small transistor radio which weighs almost nothing. They intend to attach these radios to the male bird and see if they can chart their movements. As they intend to do this during March and April, they may

Pictured above is Fred Harvey, a local boy who is stationed with the Marines in North Carolina, shown with his catch of Catfish, each weighing about 4 pounds. Fred claims the taste of the Southern Catfish does not compare with our Horned Pout as they have a vague muddy taste. — So even the fish taste better in little N. H.

have some real fancy charts when they are through. This is the month, March, that grouse seem to go mad. They fly through windows, drum at midnight and fly up into the sky for hundreds of feet and then fold their wings and drop within inches of the ground. This "grouse madness" as explained by experts is nature's way of breaking up the flocks of birds so as to do away with in-breeding and to conserve the food supply which is low at this time of year.

The Newmarket seventh and eighth grade won the Newmarket Seventh & Eighth Grade Tournament Monday night by defeating the St. Martins team of Somersworth, 49-35. The Mules had previously beaten Candia, 45-10; St. Pats of Portsmouth, 49-21; and then the championship game, 49-35.

The big story behind the win is young Terry Zych, who is a guard and can move like lightning. He zoomed up and down the floor with the other tricky guard, Dale Marden. Willy led the Mules in the first quarter with five points as the Mules went ahead of Somersworth, 9-6. The game was very fast as both teams were in good shape and each had fine shooters. Goiski and Fewless were doing most of the rebounding for the Mules, while Turcotte and Lapointe brought down the rebounds for Somersworth.

In the second quarter the Mules had to deal with a rally by Somersworth and had to play real good ball to hold on to the lead. Turcotte lead the Somersworth attack, while Zych kept the hopes alive for the hometown team. The quarter was fast, furious, rough and tough. The red was outscored 12-10 by the white of Somersworth, but still held on to the lead by a slim margin of one point, 19-18.

After the half-time rest, the Mules came back and played

superb ball as they put on a fine show. Zych and Marden were clicking on passing and shooting, which led to a 15-10 outscoring against the white. Dubois and Turcotte were hot for Somersworth, but to no avail as they were now behind 34-28, and the Mules were still rolling.

As the last quarter began, Willey and Zych took over the scoring for the Mules as they helped to add to their lead. Two Somersworth players had fouled out and the red took advantage of this and racked up the score. After building up a good lead, Coach Dorval sent in his subs. Zych finally fouled out and received well-deserved applause for his twenty point contribution to the 49-35 win that the Mules handed Somersworth.

Coach Dorval is to be congratulated on the great job he did with the team, and the boys should be commended for their fine, championship ball playing.

The following installations are on tap April 1st at Farm-

ington and April 2nd at Seabrook.

The National Rehabilitation Commission of the American Legion has adopted a recommendation for consideration by the National Executive Committee which opposes any and

all attempts to inject the element of "need" into compensation program, which covers service incurred disabilities, either through schedule changes or abolition of lower rating payments.

The Grand Cheminot of the Grand Voiture of Texas, Forty and Eight, has adopted a resolution stating that no useful purpose can no longer be served by insisting on the retention of the word "white"

in the membership section of its national constitution.

The House Committee on Veterans Affairs has been informed that the American Legion does not support legislation providing readjustment benefits based upon peacetime military service.

An American Legion public relations seminar has been scheduled for April 9th and 10th in Washington, D.C. for all department public relations chairmen, Department public relations directors, and other interested legion officials.

Cooperating agencies in the promotion of the American Legion's light duty rescue program have called for a stepped-up campaign to further this civil defense activity at the local level.

Granville S. Ridley of Murfessboro, Tenn., chairman of the American Legion's National Security Training Committee and past commander of the Department of Tennessee, has been awarded a Certificate of Appreciation from the U.S. Selective Service System.

At a recent meeting of the Chateau Thierry Barracks of the Veterans of World War I of Newmarket held at the local Legion hall elected the following officers for the coming season: Commander Joseph A. Rousseau, Vice Commander Henry F. Murphy, Jr. Vice Comm. Charles G. Hobbs, Qtrmts. John Twardus, Chaplain George F. Carmichael, Sgt. at Arms Fred L. Beale, Judge Advocate Bertram E. Branch and Executive Comm. Edward Brideau.

Installation will be April 20th at Legion hall.
