

PRESENTS RECITAL

MISS ROXANA TOURIGNY

Miss Roxana Tourigny To Present Easter Organ Recital

On Easter Sunday, April 17th, at 3:30 p.m., Miss Roxana Tourigny will present an organ recital on the lawn of her home at 225 Main street in Newmarket. The public is cordially invited to attend. In case of inclement weather the recital will be held the following Sunday.

Miss Tourigny is the daughter of Mr. and Mrs. Edward Tourigny and is 12 years old. She has always shown a desire and aptitude toward music and obtained her early training from Sister Mary Rita of St. Mary's School.

As she became older, still feeling music was to be her field, she became interested in the organ and is presently being instructed by Benjamin A. Richardson. She is the youngest organist to play services at St. Mary's Church in Newmarket. Aside from her organ work Roxana has been a Grade A piano student under Sister Mary Rita and Benjamin A. Richardson.

Progressing very rapidly in the study of the Piano Masterworks, Sister Mary Cecelia and Sister Mary Nerie of Notre Dame College in Manchester are also instructing Roxana in her study of Advanced Theory. Roxana's ambition is to be a teacher of serious music of piano and organ literature. It is expected that she shall attain her Bachelor of Music Degree at the age of 18.

Among some of Roxana's outstanding assignment by Benjamin A. Richardson is to com-

pose a Sonata for the organ which it is hoped will be completed in the early fall.

In order to further enhance her study of music, she has been attending the music activities which have been held at the University of New Hampshire during the 1960 series.

Future plans are for her to attend some of the outstanding music activities at Carnegie Hall, Metropolitan Opera and Julliard School of Music in New York City.

Because of her unusual ability at such a young age and having expressed a desire to become an organist, her parents have had installed in their home a Concert Model Organ, upon which she will play her Easter Recital.

New School For Epping; No Funds Are Provided

The adjourned School District meeting in Epping was held April 2nd, with the voters in favor of erecting a new high school, but with no money being raised for the project.

Holy Week Commemorates Great Events & Mysteries Of Catholic Faith

by Rev. Robert Bryson
Curate, St. Mary's Church

In the Catholic Religion, Holy Week is the center and heart of the whole Church year, and it is at this time when we celebrate the greatest mysteries of our Faith. As far back as we are able to go in history, we find that the Church has always commemorated the great events that took place during this time. Beginning with the central event of Holy Week; the Passion and Resurrection of Our Lord, then gradually in the course of time including the other events in their turn.

Actually Holy Week begins on Palm Sunday with the very impressive ceremony of the solemn Procession of the Palms, in honor of Christ the King. On this day, Our Lord made His triumphant entry into Jerusalem. The crowds recognized and hailed Him as the King whom God had promised them. On Palm Sunday then, we will renew this same action in our Church and thereby receive Christ as Our King once again.

The next important event in Holy Week comes on Holy Thursday. It was on Holy Thursday that Our Lord met with His Apostles to celebrate the Last Supper. Christ chose this occasion to give us a lasting memorial of Himself in the Holy Eucharist. On Thursday of Holy Week then, all Catholics will gather around their pastor, Christ's immediate representative to us, to celebrate and to renew this great gift of His love.

Good Friday is the day on which Our Lord suffered and died on the Cross for us. This is the one day in the whole year when Mass is not celebrated in the Catholic Church. Instead she invites us to take part with her in the solemn liturgical afternoon service of the Passion and Death of Our Lord. During this ceremony the people will come to the altar rail for the Adoration of the Cross, a reminder to all of Christ's love for His people.

Finally we come to the celebration of the Easter Vigil on Holy Saturday evening. The spirit of the Church now changes from that of sadness to that of great joy and gladness because at this time we commemorate in our Church the day that Christ rose from the dead. Our Lord often spoke of

Himself as the Light of the World. The Easter Vigil begins then, by the Blessing of new fire, not kindled from another fire but fresh struck from a flint. From this fire a large Easter Candle is marked with Christ's cross and is blessed and brought to the Altar where it will remain throughout the Easter Season as a sign of Christ's Resurrection from the dead. Mass is then celebrated and the Easter Vigil comes to a close.

Following is the Holy Week Schedule for St. Mary's Church in Newmarket.

MASSSES: Monday morning, 7 a.m.; Tuesday morning, 7 and 7:30 a.m.; Wednesday morning, 7 and 7:30 a.m.

Holy Thursday morning 8 a.m.; Holy Thursday evening 7:30 p.m.; Good Friday afternoon 5 p.m.

Holy Saturday evening: office at 10:30 p.m.; Mass at 12 midnight immediately following the office.

Holy Communion will be distributed at all offices of Holy Week.

CONFESSIONS:

Tuesday 3 and 7 p.m.; Wednesday 3 and 7 p.m.; Thursday 3 p.m.; Saturday 3 and 7 p.m. Eucharistic Fast for Evening

Communion:

1—Water may be taken at any time. Water never breaks fast.

2—Liquids may be taken one hour before receiving Holy Communion.

3—Solid foods and alcoholic beverages may be taken three hours before receiving Holy Communion.

Easter Sunday Morning:
Masses at 7, 8, 9, 11, a.m.

Lee Grange Plans Food Sale Apr. 30

The Jeremiah Smith Grange has made plans for an Opportunity and Food Sale to be held Saturday, April 30, starting at 10:00 in the morning. Lunch will be served at noon for convenience of shoppers.

Proceeds from the sale will go towards financing an ambitious remodeling and renovating program of the Grange Hall.

Three items were included in a single article: 1. To build a high school; 2. To join in a cooperative school district; and 3. To send students out on a tuition basis. The financing of such a cooperative school with Newmarket, Newfields and Brentwood would require a 2/3 majority of registered voters in Epping. The 85 votes cast at this last meeting do not present a legally representative vote.

A petition will be drawn up for a special school meeting in May, when Epping voters will make their final decision on the cooperative school.

Francis Piascik, Mrs. Jean Jennings and John Sklarski, have been appointed to work with the Newmarket School Board, the school boards and representatives of the towns involved in the proposed cooperative school.

No meetings will be scheduled until the Epping issue is settled.

Teacher, Family Receive Injuries In Auto Crash

Dean DesRoches, Music Supervisor, and his family were badly shaken up in Concord last Thursday when a car operated by Allen Day of Concook struck the DesRoches vehicle.

The couple and their three children were given emergency treatment at the Concord Hospital and released. However, following X-rays, emergency surgery was performed on 4 month old Denise at the Hitchcock hospital in Hanover to correct a fracture of the head.

Louis Kasiaras served as volunteer driver to speed the child with a police escort, to Hanover, where she is now recovering. Mrs. DesRoches suffered a broken tooth and multiple bruises to the face. Dean DesRoches has been in Portsmouth hospital for treatment.

201 Receive Polio Shots At Clinic

The PTA sponsored Polio Immunization clinic was held Thursday, March 31, at the fire house with 201 area people receiving polio shots. Dr. Irving E. Brown, Jr., was attending physician assisted by Mrs. Elma Kitchin, R.N., and Mrs. Isabelle Dearborn.

Handling registration were: Mrs. Katherine Rodrigues, Mrs. Ruth Willey, Mrs. Jennie Griswold, Mrs. Elizabeth Gowen and Mrs. Nellie Anderson were co-chairmen of the clinic.

This is the final in the polio series sponsored by the PTA.

ACTIVITIES IN ELEMENTARY SCHOOLS

Grade One

The first grade has a playhouse in their room and have been busy making furniture for it. They have made chairs from orange crates. Alan Mitchell made a refrigerator for the house. The other furniture is made from cardboard boxes and includes a table, sink, stove, piano, radio, washer and, of course, a television set.

Their school work is not being neglected by any means. Many of them have finished their two large reading books.

In phonics they are working on the long vowel sounds. They have learned that a final e is silent and makes the vowel say its name.

In arithmetic they are learning how to divide things in halves and quarters.

The following are two of their first attempts at writing stories.

The Little Bird by Alan Mitchell

A little bird was in a nest. He fell out of the nest and a boy found the bird. He put the bird back in the nest.

The Rainy Day by Cynthia Gage

One morning it rained. The trees were wet. And it rained and rained. The tree got so wet the little bird went to town.

Grade Two

The second grade is pleased to report perfect attendance for a period of four weeks.

Our library table is covered with books about rocks, which we have just studied, and birds which we are presently studying.

One side of our wall is decorated with bright spring pictures made last Thursday.

We are proud to announce the winner of our spelling con-

test. Margaret Philbrick is our winner with a total of 266 words.

Francine Jones earned second place with 251 words and Janet Szacik came in third with 249 words.

Others having over 200 words are: David Schmeer, Ann Getchell, Janice Carmichael, Beth Hazeltine, Mildred Knowles, Stephen Schultz, Helen Bearisto and Joanne Schanda.

In arithmetic we have been learning more about measurements. We are trying to improve our ability to recognize written words that are familiar to us when printed.

Grade Three

The third graders have just finished making place mats and coasters. They wove them out of strips of colored paper.

Pictures have been made out of small construction paper. These pieces have been put together to give the appearance of a mosaic. The results were quite interesting.

For the past 3 days they have been learning how to borrow in arithmetic. Those who have had perfect papers are Susan St. Amour (for two days

straight), Roger Cardozo and Gene Kleczek.

The reading groups are advancing quite rapidly. All groups are well into their new books.

They have also arranged their books in the manner of a library. They must have a library card to take out a book and it must be returned within a week. The penalty for an over-due book is 5c a day. The collected money will go towards a new book.

In music they are composing their own songs and putting words to it.

Grade Four

New class officers have been elected for the month of March. They are: Room Manager, Fred Doe; Librarians, Randy Gage and Robert Nelson.

We have recently changed our room around and set up book displays, as this is National Library Week.

Those pupils receiving 100's in Geography tests this week were: David Clark, Glenn Ernest, Randy Gage, Alan Kustra and Doreen Wilson. Receiving the same grade in history tests

were: Alan Kustra, John Szacik and Doreen Wilson.

Grade Five

We are learning to do more accurate work with the use of a ruler. This week we designed a sampler. The result was an attractive sample of our handwriting.

Dorothy Melendy brought in a model of an active volcano which she made at home.

We have studied ten selections from the music of the great composers. We are preparing for a final listening test.

In the weekly spelling test Sandra Langlois, Fred Toland, Jill Carmichael, Grea Wilson, Lana Roussel, Dorothy Melendy, Sharon Sewall, Barbara Sewall, Donna Stevens, Raymond Hatch and Janice Call received 100%.

Grade Six

Each member of grade six made a poster for National Library Week. The posters are on exhibit at the Public Library.

We are sorry that our classmate Joyce Reardon fell on the school steps and broke her wrist. We are hoping she will be back in school with us soon.

In connection with our Social Studies, we looked at a filmstrip of Brazil and one on the rest of the South American countries.

The high scorers in spelling were Irving Brown, Lloyd Cotton, Alan Knight, Wayne Piecuch, Christine Carpenter, Cynthia Sewall, Linda Currier, Rebecca Walker, Linda Marelli and Jane Hazeltine.

Room Manager for the month of April is Tony Zych. Irving Brown is Room Librarian.

Helpers at hot lunch this week are Marion Mae George and Peter Nesbitt.

Stamp Collectors News

by Mrs. Ione Kent

Around Great Bay this summer there probably will be more boats navigating than formerly due to the Marina and the Pease Air Force Base. Therefore many people will be buying the boating stamps. These stamps are unusual in several ways.

The Coast Guard should blush whenever the stamp is displayed or mentioned. Each boat is required, by Coast Guard Laws, to have lights and license number and yet the boat pictured on the stamp has neither.

These stamps are to be purchased by boat owners at the Post Office but cannot be purchased there by other people. However, arrangements have been made so that philatelists may send to the United States Philatelic Agency in Washington, D.C., for these stamps. As these stamps are in force for three years, used ones will not be available very soon.

The stamp bought at the Post Office is really two stamps in one; one with a picture and one with a border but plain center. Both have to be sent to the government with the boat license and then the pictured stamp is returned to the owner to be carried with license on the boat. These are a must on

boats of ten horsepower or over. Besides the Brazil stamp with President Eisenhower's portrait, the President's trip to South America was noted by a stamp of Uruguay. Fernando Jose Artigas, the liberator of this important South American Republic is portrayed with our liberator, George Washington. Then the words "Vista Eisenhower 1960" are inscribed in white on a red background.

(1) What men are pictured on the Louisiana Purchase set of 1904?

(2) A replica of what famous object is on the Sesquicentennial set of 1926?

The Flag Stamp with 50 stars to be issued in July will be vertical rather than horizontal like the two recent flag stamps.

Ghana will issue on April 15th, a set of stamps commemorating African Freedom Day. There are flags in these stamps of interest to those who have flag topicals.

If no one comes up with the answer to the question in last week's issue about a South American stamp which nearly started a war, a clue will be given in the next issue.

A Pony Express stamp and a stamped envelope will be issued July 19th. The stamp will not receive all the celebration first proposed. Kansas and Missouri say April 3rd is the real true Centennial date. St. Joseph, Missouri and neighboring towns planned April 1st - 3rd as the dates for their Centennial and hoped the Post Office Department would change from July to April. The P.O.D. insisted on continuing with July 19th. Therefore St. Joseph and Atcheson and Leavenworth as well as Sacramento, Calif., will have cacheted covers carried by Pony service on April 3rd. Of course, these covers will not have the new stamp as that will not be issued until July. There will be three days of exciting entertainment. Then on

GIRL SCOUT NEWS

by CAROLE WILLEY

The 5th meeting of the Newmarket Girl Scout Group was held Wednesday, March 30th, with an attendance of 33 members.

Following the roll-call, the minutes of the last meeting were read and the dues were collected.

The troop has been divided into four patrols. Each patrol is made up of ten girls with a patrol leader and an assistant.

Troop leaders Miss Shirley Varney and Mrs. Doris Winn attended a Durham Neighborhood Committee Meeting, Monday, March 28th. Also attending were Mrs. John Carmicheal, Mrs. Richmond Walked, Mrs. Albert Zych and Mrs. Robert Vidler, all troop committee members.

Attentive plans are being made for the Investiture of the Troop. Details will be announced in THE NEWMARKET TIMES at a later date.

July 19th, St. Joseph will consider the day like any summer day.

Covers with cancellations on April 3rd may be ordered from the Kansas Pony Express Committee, Box 1551, Wichita, Kansas. Four different lithographed Pony Express covers can be obtained for \$1.00.

Answers to the Canadian Seaways and Silver Stamp are:

American Legion News

by Fred L. Beale

The world's largest birthday pilgrimage to Cassino, Italy, was March 15-17, as the American Legion observed its 41st anniversary throughout its 17,000 post network.

Forty-eight state champions in the American Legion's national high school oratorical contest will embark on regional competitions on April 4, heading for the coveted national championship and its accompanying \$4,000 scholarship which will be determined April 11 at Penn Yan, N. Y.

All American Legion uniformed groups are being reminded by National Headquarters in Indianapolis that they must file proper registration of Legion sponsorship by May 15 if they contemplate competing in the contests during the 42nd National Convention in October in Miami Beach, Fla.

Representatives of the American Legion have appeared before Congressional committees in support of the following proposals: Improvement of the insurance programs administered by the VA; adequate funds for complete fulfillment of VA program; sufficient funds for the veterans service staff of the Civil Service Commission; and the provision of adequate financing to fully implement federal assistance in the staffing of state Civil Defense offices.

American Legionnaires have been invited to participate in a

pilgrimage to Cassino, Italy, May 13-17, and to a celebration July 12-16, at Brest, France, to commemorate the achievements of the American Naval Forces during World War I.

National Commander Martin B. McKneally of the American Legion will appear on the "Frances Langford Show" at 8 p.m., Sunday, May 1, over the NBC network to endorse the "Let's All Register! Let's All Vote!" campaign.

Of the 48 high school students who will represent their respective states in the American Legion's 1960 Oratorical Contest, four were state champions in 1959 and one of them won the regional competition last year, National Director C. A. Tesch has reported. Back for another try for the national crown are Frederick A. Jakobiec of New Hampshire who also won the regional title in 1959, Barbara Jane Clinch of Delaware, Robert N. Perry, Jr., of North Carolina and Kenneth D. Baker of Iowa.

The next installation coming up is at Exeter on the 8th of April.

H.D. Group Responds To County Home Occupational Therapy Dept.

Mrs. Pauline Brisson, Health Chairman of the Newmarket Home Demonstration Day group reports that in response to an appeal from the occupational therapy department at the County Home, the Newmarket group has assembled a quantity of suitable materials to be used by patients at Brentwood.

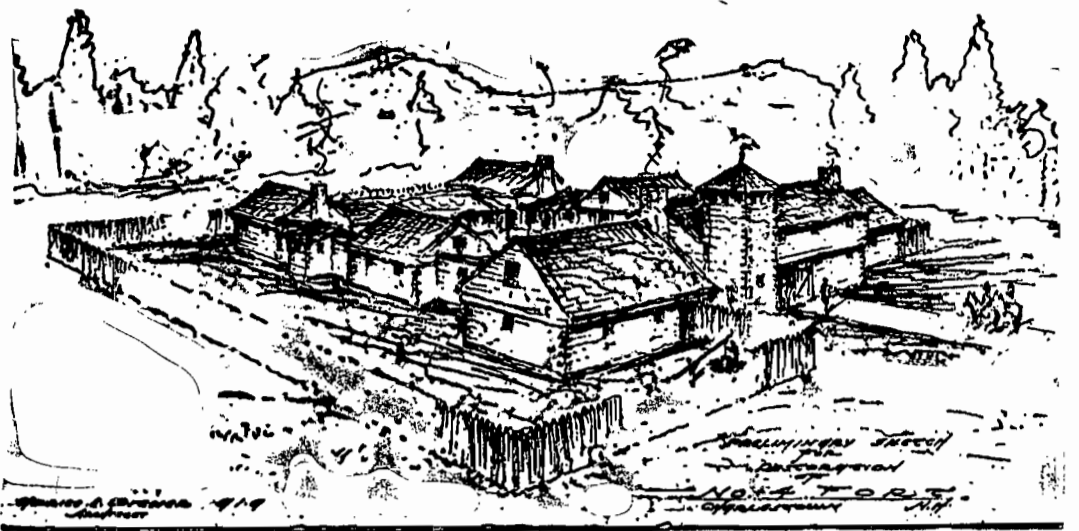

These include scraps of any weight of yarn, scraps of fabric (all kinds), knitting needles, crochet hooks and tapestry needles. Also useful are unfin-

ished embroidery pieces, rug-hooking burlap, canvas and frames.

The therapy department has only recently been inaugurated with a full-time therapist now employed. It serves residents at the Home and attempts to provide them with an incentive to adjust to often disabling physical handicaps. Many of these people have no close relatives and little contact with the kind of useful life which was formerly theirs. They fell unwanted and isolated.

Occupational therapy gives them a sense of accomplishment and an accepted outlet for anxiety. Visitors are always welcomed at the home.

Materials for use in this department are most gratefully accepted. Any organization or individual may contribute such items by calling Mrs. Pauline Brisson, or leaving them at her home on Exeter street, stating the identity of the donor.

Pictured above is an artist's sketch of Old Fort No. 4 in Charlestown, New Hampshire, which is being restored by the New Hampshire Federation of Woman's Clubs.

N.H.S. Wins State Drama Festival

by Robert Schultz

For the second consecutive year, Newmarket High school has won the State Drama Festival held at Durham.

The group, under the direction of Miss Marcelle Houle, presented a one-act Russian comedy entitled "The Boar."

Members of the cast included Evelyn Hamel, William Hawkins, and William Dawes.

Evelyn Hamel and William Hawkins were selected for the "All-State Cast" for their extraordinary performances.

The play will again be presented in the competition for the New England Championship, to be held at Westbrook, Maine, April 22 and 23.

LEAGUE OF WOMEN VOTERS TO BE ORGANIZED IN NEWMARKET

Mrs. Elbridge Stoneham, president of the New Hampshire League of Women Voters, and Mrs. James Griswold, president of the Exeter League of Women Voters addressed a group of Newmarket women interested in organizing a local unit, at a meeting held Monday night in the court room.

The League, which is a national non-partisan democratic organization, devoted to providing its members with informative material on national, state and local issues and questions, thereby helping each member to develop an informed opinion and take intelligent action on any vital issue.

Among the subjects available for discussion and action are: methods of getting a greater number of registered voters to take an active part in town

affairs, encouraging women to register for jury service, water pollution, health, safety, recreation, sewage disposal, as well as matters of national importance and foreign policy. A league pamphlet regarding town government provides material for better knowledge of the various town departments, their function and the power of each.

There are 12 Leagues in New Hampshire: Claremont, Durham, Concord, Dover, Exeter, Laconia, Manchester, Nashua, Peterboro, Portsmouth, Hanover and Keene. Each unit devotes its efforts to studying and learning three subjects yearly, one each on the state, national and local level.

No course of action was taken at this initial meeting. Another gathering will be scheduled in the near future at which temporary officers may be elected and definite organizational steps taken, with each of those present planning to bring a friend with the hope of assembling a minimum of 15 women to participate.

Those attending were: Mrs. Katharine Rodrigues, Mrs. Ruth Willey, Mrs. Martha Elliott, Mrs. Elma Kitchin, Mrs. Ruth Brown, Mrs. Clara Bukowski, Mrs. Mary Hodsdon, Mrs. Nellie Anderson and Mrs. Betty Philbrick.

HONORED GUEST

Pictured above blowing out the candles on her birthday cake is Marlene McFarlane and the hostess Mrs. Anita LaBranch. Mrs. Marlene McFarlane of Chapel St. was the honored guest at a surprise birthday party held at the home of Mr. and Mrs. Normand LaBranch of Epping Rd. Attending were: Mr. and Mrs. Lionel Harvey of Lee Hook Rd, Miss Shirley Clark of North Hampton, Mr. and Mrs. N. LaBranch and Howard McFarlane of Newmarket. Mrs. McFarlane was given a good luck toast, then coffee and sandwiches were served. A card party was enjoyed by all during the rest of the evening.

N. H. Christian Civic League Discuss Plans For April-June

President William F. Putnam, M.D., presided at the Board of Directors meeting of the N. H. Christian Civic League as it met in Concord recently to review activities for January through March and discuss plans for April through June.

Superintendent MacFarlane reported that he will reach 75% or more of the youth in the public high schools in the state during the current school year with either an assembly or classroom program. The program includes a State Department of Health film and discussion on the nature and effects of alcohol, and is available to schools through the Alcohol-Narcotics Foundation, of which Mr. MacFarlane is educational director and Percy C. Grigg, M.D., of Rochester is President.

Among other items discussed were League cooperation in Alcoholism Education Week, Apr. 4 to 11, sponsored by the State Committee on Alcoholism, and Youth Temperance Education

Week, April 18 to 24, sponsored by the State WCTU, and plans for the Annual Meeting of the League to be held at Pembroke on May 11. The Directors will sponsor a forum on the alcohol problem as a part of the evening program.

A discussion on the September Primaries highlighted the need for citizen interest in the quality of persons filing for nomination.

JUST FOR TODAY

Just for today . . . I will try to live through this day only, and not tackle my whole life problem at once.

Just for today I will try to strengthen my mind. I will learn something useful and I will not be a mental loafer. I will read something that requires effort . . . thought and concentration.

Just for today I will exercise my soul in three ways. I will do somebody a good turn, and not get found out because if anyone knows of it, it will not count. I will do at least TWO things I don't want to, just for the exercise.

Just for today I will be agreeable. I will look as well as I can, dress becoming, talk low, act courteously, criticize not one bit, not find fault with anything, and not try to improve nor regulate anybody except myself.

Just for today I will have a PROGRAM. I may not follow it exactly but I will HAVE it. I will save myself from two pests, hurry and indecision.

Just for today I will have a quiet half-hour all by myself, and relax. During this half-hour, sometime, I will try to get a better perspective of my life.

Just for today I will be unafraid. Especially I will not be afraid to enjoy what is beautiful, and to believe that as I give the world . . . so the world will give to me.

Paul Revere, famous for his midnight ride, is also remembered as an engraver. He made the original plates for the first paper currency in America.

Through The Years . . .

With Mary Richardson

Grandfather Furber

My grandfather, Samuel Furber and family, lived for many years in the house owned by Charles Young on Colonial Rd. His two daughters, Miss Jennie and Miss Rena Young reside there now. They have a very attractive home with all the modern improvements. Grandfather was Master Mechanic for the Newmarket Manufacturing Company, for many years. He was much pleased when the company closed down at 4 o'clock Saturday afternoons, for then he could work in his vegetable garden. Grandmother had a flower garden, which she loved to work in. She used to make button-holes in garments for

so much a button hole, for the B. S. Haley Company, as did many of the ladies of the town. She was a wonderful house-keeper and cook and like the good wife in the Bible, "She riseth while it is yet dark and giveth meat to her household, she stretcheth out her hand to the poor. Her children rise up and call her blessed, her husband also and he praiseth her."

In the beginning there were five children and the little family was very happy, until one day tragedy struck. Bertie, who was eight years old was stricken with brain fever, caused, it was thought, by a fall from a swing, when he hit his head. He lived only a few days.

A year after this little Ella was stricken with scarlet fever and lived only a short while. A short time after this the baby died. There were only the two girls left: the eldest Ida Mary, my mother, and Jennie. Ida was a good scholar and grandfather wanted her to be a school teacher, and even sent her to Miss Jenny's private school, during vacation.

Jennie was always full of fun and you never knew what she was going to do next. When she was a small girl about five, there was company for dinner. Jen had been told to behave and not talk and was doing well and gram with feeling better, when Jen, who could not talk very plain, all of a sudden said, "ane pass the poop." Grandmother always had a boarder, a school teacher generally, and at one time she had an old lady too.

She was a good old lady, who always said her prayers when she went to bed and ended with this verse, "— Matthew, Mark, Luke and John, Bless the bed that I lay on."

Mr. and Mrs. Joseph Chapman occupied the other apartment, and both families used the same cellar stairs. Mrs. Chapman was a very neat woman, in fact, she was too neat.

One day grandma made some soft soap and on going down stairs, spilled just a little. After placing her soap where she wanted it she cleaned the spot

on the stairs. Mrs. Chapman came along just as she was finishing. She landed into grandmother and told her in no uncertain terms what she thought of her. Grandma never said a word, but Mrs. Chapman wouldn't speak for years to her.

Jennie didn't like house work, especially washing dishes and like most kids got out of it when she could. Ida was just the opposite. She enjoyed house work and was a great help to her mother, but not for long, as she wanted to get married and have a home of her own. Her young man was Edward Richardson, who was proprietor of a grain and grocery store and also a Civil War veteran.

Finally my grand parents gave their consent and the two were married. The bride was dressed in green satin and I still have the belt. Ida was only 18 and her parents thought she was too young to get married and grand pop lost his school marm.

Grandfather liked to attend all public gatherings in the Town Hall. He especially liked Town Meeting and was always on hand to cast his vote.

Following is the annual report of the Selectmen, for the year ending Feb. 15, 1897. Gramp had passed away several years before this.

The Salvation Army

The Salvation Army was founded in 1865, by William Booth. The chairman of the drive in Newmarket is Russell H. McGuirk of 292 Winnacunnet road, Hampton, and the treasurer is Fred J. Durell of Epping road, Newmarket. Residents of Newmarket who have not yet contributed are urged by the Campaign Chairman to send any amount direct to the treasurer. Checks should be made payable to the Salvation Army.

The Salvation Army will help anyone in need, regardless of his race or creed, said Brig. John W. Baggs, Divisional Commander. "That's the American way, and that's the Salvation Army way," he concluded.

"Whether it be food and clothing for a burned out family, eye-glasses for the aged, or summer camp for youngsters, the Service Unit of the Salvation Army will aid any resident here."

Twenty percent of the funds now being raised in the Salvation Army Mail Appeal goes into the Service Unit to meet local needs and emergencies.

The rest of the money supports many social welfare agencies, including hospitals, day nurseries, and disaster relief.

"The Army of Mercy" which has never fired a single shot is now waging a very special campaign by mail.

Once a year this Army of Mercy asks for public support of its social welfare program. It asks nothing for itself but only seeks to aid others to whom life has been unkind. The Salvation Army deserves our generous cooperation.

The drive for funds is this week. It started April 4.

Joe Dixx's Sport Corner

By Richard Schanda

For the second year in a row it looks as if smelting will be washed out by the high waters. This high spring run-off fed by almost 2" of rain plus record snowfalls, has made a miniature Niagara Falls of our Lamprey River Dam. The high water allows the smelt to spawn down-river and at the same time prevents the local dip netters from getting a shot at them. However, this could help to improve the run of smelts for next year, because the weirs can not be set in until the ice leaves the "moat" and the "ice house cove" in the upper river. In years past dipping for smelts was an event to be looked forward to. A fisherman could really catch some smelts about 15 years ago. Now the smelt has to run a near fatal gauntlet of weirs from Shackfords Point to the dam.

Last year that stretch of river had 8 weirs. The fences of these weirs locked in on each other. The weakness of smelt lit in the fact that he swims in a fairly straight line until he strikes an obstruction, then he angles away. If you could follow a smelt's passage up the river, it would probably look like a zig-zag line.

Commercial fishermen know this and set their weirs to intercept the smelt on his entrance into the river, out of the bay. They set the weirs for each corner up the river.

Smelts are down to a point

where even the weir men are feeling the effects of over fishing.

Correction please. My old hunting buddy from up Packers Falls way, quoted the sports corner as claiming a smelt fisherman could take 40 lbs. of smelt with a dip net in one night. Sorry to say I am wrong and that the limit should have read 30 lbs. I hope you didn't bet more than a week's pay, Ted.

The deer must welcome the Spring thaw now that the snow is finally melting away. The local rural dog owners should still keep a close watch on their dogs as the does are heavy with young and are still very easy prey for deer running dogs.

A sports editor who writes for a Boston paper recently reported that a new world's record cod was caught out near the Boston light ship. It weighed in at a whopping 70 lbs. Boy, oh boy, would I ever like to tie into his big brother!

He used a 54 lb. test line on a popular deep sea reel. Our gang has been fishing off shore for 12 or 15 years and the largest cod we took weighed in at 14 lbs. This fish looked like a whale to me so I can't

even begin to compare that fish with that 70 lb. record breaker.

Beaver trapping season closed on March 31st and from all indications the trappers had a good year. I haven't spoken to Mel Crouse who lives up in Lee Hill, but I understand he trapped some big beaver this year.

Trapping is becoming a lost art. Years back, most every kid out on the farm and a lot who lived in town were out before school setting up their lines and tending after school. Quite a few boys bought their first new guns with trap money. One of the better young trappers of my boyhood days was E. MacDougall. He had a trap line from which some older seasoned trappers could learn a trick or two. He used his own baits which he made with his own good sense.

He was around 10 years old when he started trapping, an age at which we modern folk would not let our kids cross the vacant lot next door. Yet he survived and learned more about the great outdoors than most of our kids will in a lifetime.

Pony League Officials To Meet

Monday, April 11th at 7:00 p.m., officials of the Little League and Pony League will meet in the court room of the town hall. All interested parents are urged to attend this meeting, at which spring practice schedules will be arranged.

The application forms recently returned by local boys wishing to participate will also be reviewed.

Bowling League Polish Club Team Ends Season Tues. To Play In Mass. Tournament

By Richard Schanda

The town league which winds up the season next Tuesday is shaping up to one of the finest finishes in years. Last Tuesday's matches really tightened up the race with the Eagles splitting and the Macallen team taking 3 points. This tied the two teams for 1st place.

Next Tuesday night will decide who meets the winner of the first half, Bayside, for the championship.

It has been a fine year with many tight matches, but I must admit the title of the most improved team will have to go to the Eagles team. They pulled some matches out of the fire which to all appearances were lost. This is what makes bowling a fine sport for both young and old.

Support the team of your choice by attending next week's match at Exeter.

The April meeting of the Lee Fire Department Auxiliary will be held at the home of Mrs. Dennis Haine on Rt. 4 near Lee Five Corners on Monday, April 11 at 7:30 in the evening. Mrs. Tom Mahoney, Mrs. George Healy and Mrs. Robert Badger will provide refreshments.

Lee Congregational Church

Services for Holy Week have been announced as follows: Palm Sunday, April 10. Palms will be distributed in both Madbury and Lee Churches at the regular services. Maundy Thursday, April 14 at 7:30 p.m. Holy Communion and The Office of Tenebrae at the Lee Church (A Union Service). Good Friday, April 15 from 12:00 to 3:00 p.m. Tre-Ore Service at Union Church, Madbury. Worshippers may come and go at leisure. 7:30 p.m. Union Service at Union Church, Madbury.

Red Cross Appeal

According to Mrs. Frank Caldwell, director of the Lee chapter of the American Red Cross, several solicitors have been stricken with the flu and were unable to finish canvassing their areas. If there is anyone who was not called on and would like to contribute to the Red Cross, gifts would be gratefully received by Mrs. Frank Caldwell, RFD #2, Dover.

Notices

A reminder from Fire Warden Lloyd Stevens: According to state law, when the ground is no longer covered with snow, a permit must be obtained for any outdoor fire. Permits may be secured from Warden Stevens at his home on Tuttle road.

Mr. Ernest Menter, caretaker of the Lee dump, informs us that people have been using the dump as a disposal unit for deceased cats and dogs. This is not a function of the dump and constitutes a health hazard. According to Chapter 15, Revised Laws of the State Department of Health, any person caught leaving a dead animal in a public place (which would include the dump) may be fined up to \$20. We were truly shocked when Mr. Menter told of finding a live dog with a broken leg tied and weighted down with scrap iron who had been

thrown on top of the dump and left to die. Needless to say, Mr. Menter cut the dog loose and took it home where Mrs. Menter nursed it back to health. Cats have also been dumped to fend for themselves, especially expectant females. Both Mr. Menter and the Health Officer request that owners dispose of their animals in some other manner. Anyone wishing to have an animal put away may call Dog Officer Mike Menter who will do the job for a small fee.

Fire House Has Water

Fire Chief Lloyd Stevens is pleased to announce that the well financed for the Lee Fire Department by the Firemen's Auxiliary, was completed last week. A local concern, the Artesian Well Co. of Lee, N. H., who drilled the well, reached the required 10 gallons per minute at 120 feet. The Fire Department now plans to install a pump as soon as possible. The money for this project was earned by the Auxiliary at the Firemen's Fair held last July.

The Lee Fire Department Auxiliary was organized in January, 1955 and since that time has contributed approximately \$1700 worth of equipment to the Fire Department with money raised from cake sales, auctions, raffles and last year's Fairmen's Fair. The ladies have given the Fire Department books, helmets, raincoats, pike poles, and lamps, first aid kits, spot lights, outside speakers for the radios, one 100 gal. per minute portable pump, one 300 gal. per minute portable pump, contributed \$85 towards a generator and financed a well at the fire station.

The Auxiliary is planning to hold another Firemen's Fair July 9 of this year.

Bridal Shower

A bridal shower for Miss Nancy Gooch of Nottingham was held at the home of her aunt, Mrs. Oscar Gooch at South Lee, March 29th. Hostesses for the occasion were Mrs. Roy Batchelder, Mrs. Herbert Smith, Jr., and Mrs. Oscar Gooch. Mrs. Richard Smith and Mrs. Herbert Smith made three decorated cakes.
