Robert G. Durgin Post Mourns Passing Of Char. Member W. E. Neal

One of the largest semi military funerals held in Newmarket took place Thursday, July 25th when William Edward Neal, affectionately known to the members as Ned, was buried in Riverside Cemetery.

Ned was an active Legionnaire having held an office in the Post for 25 years and 20 of them were as the Adjutant. He steadfastly refused to become commander which he so richly deserved.

Ned was never found wanting, he was always a help to us who have worked so hard for the Post and its members. Past Commanders Fred L. Beale and John Twardus especially mourn his passing as he was the other Life Member of the Post and now we only have two.

The services were held at the Brisson & Kent Funeral Home with the Rev. Richard Clark of the Lee Congregational Church officiating.

William Edward Neal

Commander Charles A. Bennett, Jr., of the Legion and Commander Joseph A. Rousseau of the Chateau Thierry Barracks of WWI Veterans especially wish to thank those merchants who closed their stores during the services and to the following members; all members of the Robert G. Durgin Post for their services and attendance. Standing guard in the parlor were Theodore Allen, Jr. and Edward Tourigny.

Bearers were all members of the Chateau Thierry Barracks No. 125, Veterans of WWI of the U.S.A., Henry F. Murphy, Bertram E. Branch, John Twardus, Frank U. Russell, Fred Will and Selime Langlois.

Honorary bearers were all members of WWI, Charles G. Hobbs, Fred L. Beale, Clinton D. Haley, Joseph A. Rousseau, Commander WWI, Roland S. Coker, John Geilar, John Haley, Edward J. Marcotte, Fred Malo, Thomas J. Filion, Peter Cinfo, Harold Dawes, Harold Lang and National Aide de Camp to the National Commander Oscar Zacariason of the Portsmouth Barracks. Color guards were Joseph Renzulla and Adelard Renaud.

Color Bearers were Theodore Allen, Jr. and Alfred Zych and escorts Charles A. Bennett, Jr., Commander, Romeo A. Turcotte, Robert D. Rousseau, Kenneth White, Romeo J. Lemieux, Edward Tourigny, Robert McKenna, Romeo Loiselle and Henry Haley.

Committal services at the graveside were performed by Rev. Richard Clark, Fred L. Beale, P.C. and Charles A. Bennett, Jr., Comm., folded the flag which was transferred to Rev. Clark for presentation to the widow.

Once again we have a vacant chair, one that will be hard to fill with comparable service as was the one occupied by Comrade Ned. He will always be missed and we shall go on and others will take our places and all of whom will be revered in the years to come.

Capt. John Kent Sent To Germany

Captain John F. Kent, Mrs. Kent and their three children completed a 4 week paratrooper training course at Ft. Benning, Ga. Mrs. Kent is the former Air Force Base, N. J., for Butzbach, Germany, where the captain will be stationed for a 3 year tour of duty with the artillery.

Last assigned to Colorado Springs, Colo., he has recently

completed a 4 week paratrooper training course at Ft. Benning, Ga. Mrs. Kent is the former Caroline Charest, daughter of Mr. and Mrs. Archie Charest of Creighton street. She and the Kent children have spent the summer in Newmarket with both the maternal and paternal grandparents.

Several industries and manufacturing plants from outside the area have expressed a desire to locate in Newmarket in recent weeks it was learned today by the Times. This information was released by the office of BoChaines, Inc., local realtors.

One such firm would employ 200 or more persons with a definite expansion later on. Negotiations are proceeding with this and other inquiries. Every effort is being made to place these interested concerns in suitable quarters in Newmarket. The available space for such manufacturing establishments is at a minimum at this time.

The industries interested feel that Newmarket offers a good labor market and is ideally located, being in the center of a rapidly growing area of the state. The fact that it is near the University of New Hampshire is an added desirable feature.

It is felt by many prominent local businessmen that the future growth of Newmarket depends largely on the acquisition of more industry locating here.

Alumni Day Playground Activities Held

Alumni Day was held last Thursday at the Newmarket Playground and featured a series of contests including trampoline, steal the bacon and kick ball, with the visiting Alumni topping all events and winning by a score of 96 to 71 in the trampoline.

Participating in the trampoline events were Ralph Jackson, Tewkie Stilson, Skip Marden, Lorraine Paradise and Bruce Dow for the Alumni. On the Playground team were John Munroe, Dale Marden, George Phalen, Beth Hazeltine and Sandy Paradise.

The top winners were Ralph Jackson with 39 pts., and tied for second place were Bruce Dow and John Munroe with 36 pts. each. Captains for the two teams were Ralph Jackson for the Alumni and John Munroe for the Playground.

Steal the bacon was scored and won 3 out of 5 games, with Dale Marden the winner.

In the kick ball contest the playground scored 8 to 9.

In the hotly contested series, the current playground group were winners. The event was so successful that director Jack Dow plans to repeat this and similar events next season.

All those participating in the various events were served ice cream for their efforts.

In a series of hanging contests based on courage, stamina and endurance, with 36 taking part, divided into 8 teams of 4, with team winners in an elimination heat, Romeo Romero and Sandy Paradise were winners. This was a timed event.

In base running, done singly, with partners, jumping over a bar and again in combinations, the winners were Raymond Romero and Jane Hazeltine, tied for first. Tied for second were John Munroe and Sandy Paradise. In third was Lionel Arsenault.

During the weekly session at the Durham Pool, swimming and diving contests were featured including a walking race (in the water) and trick diving.

Meeting Called For Wednesday

There will be a meeting on Wednesday, August 10th at 7:30 P.M. at the Town Hall, with the Planning Board, Selectmen, Budget Committee and the Water Board in attendance.

The meeting is being called for the purpose of learning more about acquiring Federal funds for a preliminary survey for a sewerage disposal plant for the town.

A representative from the HHA Federal Agency will speak and explain the necessary steps required in planning such a program. It is understood that Federal funds are available at no interest charge for such projects, the money to be repaid when the work is completed.

Also on the high board, staying 158 and Pat Munroe with 144. under water the longest and swimming races.

Scoring in these events with the highest points were Fred Edgerly, 1st; George Phalen, 2nd; Dale Marden, 3rd and Sandy Paradise, 4th.

High point man is still Bill Ernest with 547 points. George Phalen is a close second with 518 points and Bill Fecteau has 475 points. Others are as follows: Dale Marden, 459; Tim Marcoux, 431; Romeo Romero, 431 and Romeo Romero has 416.

Leading the girls in high points is Sandy Paradise with 501, Jane Hazeltine with 320 and Diane Van Fleet with 265. Still in the running are Claudia Marcoux with 191, Peggy Shorey with 185, Nancy Demers with

Needless to say, with Bill Ernest and George Phalen on vacation this week, the other boys are working like beavers to try and top the current rating of the two leaders.

Director Jack Dow took a group to the North Hampton playground Wednesday morning to compete in kick ball contests, both boys and girls were included. Attending were Captain John Langlois, Tim Marcoux, Romeo Romero, Roy Lemieux, Lionel Arsenault, Pat Munroe, Sandy Paradise, Diane Van Fleet, Craig Grochmal, "Bumpy" Filion and Peggy Shorey.

Bruce Dow is assisting his father at the playground in the

N. H. Executive Committee Plans Farm And City Week In Nov.

The New Hampshire Executive Committee for Farm and City Week in New Hampshire met recently at the N. H. Farm Bureau Federation offices in Concord to formulate plans for Farm and City Week Observances this year.

Interest in promoting unity and cooperation among farm and city people is high in New Hampshire. Chambers of commerce and other citizens have indicated they are planning to organize a program for this fall.

Farm and City Week is sponsored by Kiwanis International and will be proclaimed nationally Nov. 18-24 this year.

With the support of the State Grange, New Hampshire Farm Bureau and banking officials visits to farms by city people and tours of city businesses and factories by farm folk and pro-

minent displays depicting the activities of both groups are being planned.

Area chairmen are being appointed in anticipation of state-wide organizational committee meetings to be held in September with farm and city representatives.

Lead by chairman Ralph B. Littlefield of the Cooperative Extension Service and county agent leader, others present at the preliminary meeting were Commissioner of Agriculture Perley I. Fitts; Harold Todd of the Merrimack Farmers' Exchange; Bradford Brooks, rural sales supervisor of the Public Service Co.; Alfred French of the N. H. Farm Bureau Federation; Neal Andrew, director of agricultural education, and George D. Kittredge, agricultural promotion assistant of the New Hampshire State Planning and Development Commission.

Well Child Clinic Boston Smphony On WENH-TV Tues., Aug. 16th

The next in the series of Well Child Clinics sponsored by the Civics Department of the Women's Club will be held at the fire house Tuesday, August 16 beginning at 9:30 a.m.

This clinic will be confined to physical examinations and is by appointment only. Those desiring appointments for their children or further information may call OL 9-3216.

Dr. Gerald B. Shattuck will be attending physician.

No Damage Here By 'Brenda'

"Brenda" arrived in town last Saturday to spend the day. She brought a fine, occasionally driving rain, most welcome to the farmers and fire wardens.

East coasters are now accustomed to an occasional hurricane, especially one which does little damage. Aside from a few yawning TV antennas and dead limbs in the streets, Brenda brought a novel change from the dry weather of this season.

Pair Not Guilty Of Speed Charge

At Municipal Court with Associate Justice John A. Edgerly, Jr., presiding, attorney James A. Dineen of Kittery, Me., represented Lenwood S. Hatch and Arthur C. McCarthy, both of Kittery and both charged with speeding. Following a plea of not guilty and testimony of the parties involved, Judge Edgerly ruled the pair not guilty.

Donald McPherson of Worcester, Mass., charged with speeding, was found guilty and fined \$15.

William Moody of Durham entered a plea of not guilty to a charge of drunkenness and disturbing the peace. He was found guilty and ordered to pay a fine of \$25.

Filion Boys Win Prizes

George and Dale, sons of Mr. and Mrs. Robert Filion of Elm street, both took first prize in their age group at the annual Swimming meet held recently at Bow Lake.

Both boys were awarded medals for their swimming prowess and later both took part in the boat show, riding in the boat owned by their grandparents. The boys modeled the old and new styles in bathing suits.

The swimming awards were won last week when George and Dale spent a few days at the cottage of Mr. and Mrs. Louis Filion at Bow Lake.

The Launching of the Ship

Captain Adams was a very particular man. He wanted everything done right. He and his son Cass hunted through the woods to find naturally curved oak for the knees and bow logs of the ship. They hunted until they found just the tree with the natural curvature and necessary diameter. The gundalow, when finished, was 63 ft. 9 ins. long, 13 ft. 10 ins. wide and 5 ft. deep. There was room enough in the boat for 10 to sleep. The boat

Lois Kent, daughter of Ralph Kent, christened the boat.

Ralph and Cass Adams were boyhood chums. Lois spoke a few words and threw the bottle of champagne, saying, "I christen thee Driftwood." Many Portsmouth friends were present at the launching.

Capt. Adams gundalow may be the last ever launched in this area as few men have the specifications and knowledge to complete the construction of such a vessel.

The president of U. N. H., Arthur S. Adams was present as well as Congressman Chester Merrow. The governor, Sherman Adams, was invited but was unable to make it.

Capt. Adams received about 69 birthday cakes. Friends and neighbors had been so busy serving cake to callers they hadn't had time to count the cakes. One of the gifts which the captain had was a money tree loaded with 90 new one dollar bills from friends and neighbors. Another gift was a ship with one dollar bills rolled up to represent logs and floating on a sea of bills.

During the launching, the area off the point was dotted with boats of all kinds and sizes, from sailing craft to ocean going passenger boats. As soon as Cass and his aids were aboard, the engine started and the green gundalow cruised out into narrow Furber Strait; its bright pennants whipping in the breeze.

Later newsmen got to talking with Cass. "How much did the gundalow cost?" he was asked. "Gosh," said he, "I don't know. Seems though it cost more than a battleship!"

But that appears to be all right. Capt. Adams finished the job he set out to do. No one could have had a better birthday.

Captain Edward Adams died April 9, 1951.

This is Capt. Adams and his son Cass, as they came from the launching of the "Driftwood".

was launched ten years ago on Capt. Adams' 90th birthday on October 22.

There were code pennants across the boat and each pennant represented a letter which spelled "Driftwood", the name of the boat. More than 1,000 persons witnessed the launching on the 10:30 tide.

David and Edward McIntosh, two brothers from Dover, boat builders, had charge of the launching. Friends and neighbors lined the Durham and Newington shores and a fleet of 40 or more vessels were anchored off the point. Miss

Eagles Project Of Low-Cost Housing Now Being Built

An Eagle Dream is beginning to come true as building continues at Eagle Village in Florida and carpenters' hammers pound out proof of Eagle concern for our older people. Before year's end, 50 units of this self-sustaining low cost housing project for elderly Eagles are expected to be ready for occupancy.

This, it should be remembered, is a pilot project, not necessarily the end of our efforts in this direction. Since it is the first venture into this field by the Order, there is much to be tried, much to be learned as we go along, some experiments to be attempted and perhaps changed or discarded.

Eagle Village is not, and is not intended to be an old people's home, hospital, nursing home or institution. It will have to pay its way, through rent charged to those who live there.

Obviously there will not be enough accommodations in the original pilot project for all who desire to become Eagle Villagers, no matter how worthy. It is better and wiser that we proceed slowly and soundly in order to avoid later disappointment.

There will be recreational facilities geared to older people. All will live in their own home, an arrangement ideal for companionship and relaxation. Eagle Village will enable retired members of this fraternity to live their golden years in "dignity, comfort and friendliness, and the self respect that comes with paying one's own way."

All Eagledom is proud and happy about the dream that is becoming a reality before our eyes.

EAGLES SOCIAL ACTIVITIES

With Arthur J. LaBonte

The Lamprey Aerie 1934, F. O.E., at its regular meeting held on July 27th, passed a resolution to support the Continuity of Government Program in keeping with the governmental responsibility as set forth in the Constitution. "We the people of the United States, in order to . . . provide for the common defense." The continuity of government is designed to safeguard representative civil government.

The Constitutional Amendments, an integral part of the program, will when ratified on November 8th, help assure these four steps.

1. Continuation of leadership and authority in executive, legislative and judicial positions, through proper lines of succession.

2. Preserve essential records needed to protect rights of individuals and to conduct emergency operations.

3. Assurance that government can function legally and effectively during the emergency — establishing emergency locations for government, so that states, countries and cities can continue to operate.

4. Plan to use all personnel, facilities and equipment of government for emergency action.

The proposal has been endorsed by many organizations throughout the United States as well as the Eagles. A copy of this resolution will be sent to the State Legislature. The survival of the nation depends on the ability of Federal, state and local governments to carry out their responsibilities in the event of massive nuclear attack.

During the business meeting the Eagles also set the date for their annual outing. The event will take place Sunday, August 21. Chairman Eddy Renzulla and co-chairman John A. Schanda held a meeting last week to complete final arrangements.

Featured on the outing menu will be broilers with all of the

trimmings, in good supply. Refreshments will be available at no extra cost. Music will be furnished by Don Grayson and his band from Haverhill, Mass.

Activities will consist of games and all kinds of contests with prizes to be given. Tickets are on sale at the Eagle Club room and from members of the Outing committee.

The outing will take place at Simpson's Pavilion on Back River road, Dover Point. Don't miss this event! All those attending last years' will verify that a good time was enjoyed by all.

The committee is as follows: Eddy Renzulla, chairman, John A. Schanda, co-chairman, Eddie Dostie, secretary, Rainbow Lemieux, treasurer, Roderick MacDougall and Charles A. Brisson, assistants.

The next two Aerie meetings will be held August 10th and 24th at 8 p.m. Come to the meetings and know what is going on!

Remember! The next FOE Code will be (67), so come and get it personally. In order to be the recipient, you must be present at the meetings.

Old Home Week In New Hampshire Scheduled For August 20th To 28th

A proclamation by Gov. Wesley Powell today designated August 20-28 as Old Home Week in New Hampshire.

With the official stamp placed on the week by Gov. Powell, it is almost certain that between 35 and 40 towns will plan Old Home Week programs, ranging from one day events to gala festivities extending from two to three days.

In his proclamation Gov. Powell points out that Old Home Week in New Hampshire is now in its 62nd year of continuous observance and adds that "the Old Home Week is an expression of enduring affection among former residents of New Hampshire, those who live in the State today and the community life of our towns and cities.

"The Association of New Hampshire Historical Societies, the New Hampshire Historic Sites Commission and the New Hampshire Historical Society are all agreed that a better understanding of the landmarks of the past is a great need of the present.

"I ask that Old Home Week be observed with such ceremonies as the respective New Hampshire towns and cities regard as appropriate and in

keeping with the main stream of our history."

The New Hampshire Old Home Week Association has lined up an impressive array of officials to promote the observance and to help communities arrange for festivities.

In addition to Gov. Powell as honorary president, other officials of the Old Home Week Association are Mrs. Eva Felker of Rochester, honorary vice president; Dr. J. Duane Squires of New London, president; Mrs. Marie Wells of Hillsboro, first vice president; Herbert D. Swift of New London, secretary and historiographer; Lewis C. Shaw of Boscawen, treasurer; A. Clifford Hudson of Concord and Perley I. Fitts of Concord, auditors.

County vice presidents are: Belknap, Mrs. Marion H. Atwood of Sanborton; Carroll, Parker M. Merrow of Center Ossipee; Cheshire, George Ripley of Troy and Edward Boivier, Swanzey; Coos, Randall Spaulding of Whitefield and Polly Gould of Wentworth Location; Grafton, George Clement of Landaff; Hillsboro, Nelle Holmes of Amherst and Scott F. Eastman of Weare; Merrimack, William Phelps of Webster; Rockingham, Miss Doris Spollett of Hampstead and Dean Merrill of Hampton; Strafford, Mrs. Norman Berry of Barrington; Sullivan, Mrs. Theodore Frizzall of Charlestown.

Serving on the executive board are Hon. Robert O. Blood of Concord, chairman; Arthur McDaniels of Lee, John Brennan of Penacook, Mrs. Harold French of Somersworth, Asa H. Morgan of Bow, Mrs. Mary Senior Brown of Center Sandwich.

Recent Births

Dr. and Mrs. L. Forbes Getchell are parents of a son born Monday, August 1st, at the Exeter Hospital. The couple have three other children, two girls and a boy.

Dawn Goodwin Feted At Party

Dawn Goodwin, daughter of Mr. and Mrs. Richard Goodwin of Beech street, celebrated her fifth birthday at a party last Saturday at her home.

Among her friends present to enjoy the traditional birthday treats were Miss Sharon Butler, Patrick Butler, Tommy Blanchette, Pamela Howcroft, Jean and Joanne MacDonald, Janice Levesque, Sherry and Philip Reilly, Cindy Gage, Michael and Linda Couture and Desire and Ricky Goodwin.

Miss Dorothy Jean Vidler assisted in serving refreshments.

Total Assets Of N. H. Banks Exceeds Billion Dollars FDI Reports

The total assets of all New Hampshire banks for the first time in history exceeded a billion dollars in 1959, according to an announcement today by the New Hampshire State Planning and Development Commission.

During 1959 the Granite State showed the greatest percentage growth in bank deposits by any New England state and other states north of the Mason-Dixon line and east of the Rocky Mountains, according to the annual report of the Federal Deposit Insurance Corporation.

The assets of \$1,034,678,000 grew 65% since 1950 and 78% since 1946 in New Hampshire. The total assets of all active United States banks in 1959 were \$284 billion and this represented a growth of 48% since 1950 and a 68% growth since 1946.

The New Hampshire bank deposits in 1959 reached \$905,897,000, up 63% since 1950 and 73% since 1946. This compares

with a 45% deposit growth of all United States banks since 1950 and a 63% growth since 1946.

The capital accounts of the New Hampshire banks for 1959 was \$108,909,000 and for the first time exceeded a hundred million and showed an increase of 54% since 1950 and a 95% increase since 1946. The capital account growth of the total United States banks was a 65% increase since 1950 and 102% increase since 1946.

These growth indicators in New Hampshire emphasize the expansion of population, industry and commerce in the Granite State and portray the growing financial resources developed by these expansions.

Durgin Post Legion Auxiliary Takes Important Part In Activities

BY FRED L. BEALE

One branch of the American Legion in Newmarket that gets a little or no publicity and yet is an integral part in nearly all of the Legion activities in this town. It is the American Legion Auxiliary.

They have a Department Convention at the same time the Legion holds theirs. Following is a partial revue of the activities of this District and Unit at the last Department Convention held in Manchester, last June.

The activities and news of the affair will make it necessary that I have it in the TIMES in two sections and the first section is as follows.

The delegates to the convention this year were Helen Silver, president and past district director, Phyllis McKenna the 2nd, vice commander elect of the unit and Mrs. Charles Hobbs.

They attended the entire convention and so Newmarket

did not lose out on the activities. These girls will be making a report at the next meeting of the Unit on Tuesday, Sept. 6th.

The first picture in the section is of the delegates listed above. As they stand, left to right, Mrs. Phyllis McKenna, 2nd vice president elect, Mrs. Helen Silver, Jr. Past Pres. elect and Mrs. Charles G. Hobbs, Chaplain elect.

The second picture shows delegates of the 3rd District seated in the hall. From left to right, Flora Willey of Milton, District Pianist, trying to get her chapeau on straight; Mrs. Lillian Gamble of Portsmouth, Pat Merryfield of Northwood, Mrs. Hobbs and Mrs. McKenna of the Newmarket Unit, Past District Director Theresa Cote of Somersworth and Past District Director Mildred Holmes of Northwood. By the looks of the picture, they were waiting for their spirits to move.

Eleven delegates out of the

eighteen allotted to the Third District attended.

The third picture shows Mrs. Hobbs and Mrs. McKenna looking over the array of histories and Poppy photos on display following their judging. In this awarding, the Rochester Unit won the silver platter as first prize and the Durgin Unit received honorable mention. This Unit also received a citation for their Scrap Book entered in the competition.

Primary Ballots Being Printed

With the Primaries coming up September 13th, the printing of more than 330,000 ballots is under way.

Secretary of State Robert L. Stark has announced that the Republican ballots will be printed first because of a candidate dispute in the Democratic senatorial race.

For those of us statistically minded, there will be 171,750 Republican ballots and 161,100 for the Democratic slate.

supervision of the many sports activities and contests.

Mrs. Doris Paradise, crafts director, has added chemical gardens made with ordinary household ingredients to the list of items being made, as well as shellcraft ornamented sunglasses, barettes and pony-tail holders.

Mrs. Paradise states that yarns of all kinds, colors and weights would be welcomed by her group. These are most useful for the feltcraft items and could also be combined in many other craft projects. Anyone wishing to donate yarn may leave it at the high school gym.

A display of varied items made during the current playground season will be in the window of the N. H. Electric Co., on Main street during the coming week.

American Legion News

By Fred L. Beale

The date is finally here, Aug. 7th. Perhaps you want to know what that date is so special for. If you don't know, here is the secret.

Every year the Robert G. Durgin Post holds its annual Family Outing in August. This year it is the 7th and is being held at Schanda's camp off the New road. These Family Outings have grown to such an extent that we have to look for a larger location and if this year is anything like past years, those who do not attend will surely miss the family event of the year Legion-wise.

One of the prime factors at a family outing is that there is plenty to eat and the committee has taken great pains to see that there will be plenty for this event. Last year everything was cleaned out early.

Nothing pleases the young fry as well as a chance to go for a boat ride. We have several members who can handle a boat with safety and they will be there to give those who desire and their young fry the ever wanted boat rides which are usually missing from other outings.

There will also be games for the young, young at heart and oldsters who care to play them and there will be prizes also.

The above activities joined with the inevitable outing chowder and other fine foods that go to make an outstanding family outing such as the Durgin Post has become famous, will be the headlines for next Saturday, Aug. 7th. In case of rain, it will be held the following Sunday. Let's keep our fingers crossed and plan on one of the finest outings in the history of the Post.

There are still a few tickets out among the members and if you do not know who to get tickets from just reach for the phone and call OL 9-3276 and the chairman will take care of your needs.

The annual Membership Drive is starting to roll and several of the members have already turned in their 1961 dues. It pays to get your dues in early and be entitled to attend the membership suppers which will be held in September and October and will be free to those who have a 1961 paid up membership card in the Robert G. Durgin Post.

There are also many parties scheduled for this year with at least one each month. We had planned to have these parties a joint affair with the Auxiliary but it looks now as if they will be strictly a Post venture.

First membership supper will be held on Sept. 19th. Another supper will be held just before the Fall conference in Oct. and on the 29th of Oct. we will hold our annual Halloween party with prizes and now is the time to plan what to wear so as to be a winner.

Our Anniversary Party will take place in November and also a Turkey Raffle. Another possible party in December as well as the New Years Eve Party, an old timers night with longevity card presentation will be held in January, a Valentine Party for February and an American Legion Birthday Party about the middle for March.

Now isn't this a fine program which is being arranged by the Welfare of the Post committee which Comm. Bennett recently appointed? All this plus jack pot drawing at each meeting and the monthly drawing of the 50/50 Club ought to bring you fellows out to the meetings and get into the activities. Meetings for August are on the 1st, 15th and 29th. No meeting on Labor Day. We still have a few Longevity cards on hand that have not been picked up by the members and we wish you would be at the next meeting and receive them.

The Robert G. Durgin Unit of the New Hampshire American Legion Auxiliary held a cook out and hot dog roast at the home of one of their members, Mrs. Charles G. Hobbs, in Lee and had the following in attendance.

Mrs. Joseph A. Rousseau, Mrs. Edna Ferland, Mrs. Joseph Ledger, Mrs. Libby Zych, Mrs. Phyllis McKenna, Mrs. Adelard Renaud and daughters Marie, Arline and Irene Mrs. Madeline Sprayberry, Mrs. Lorette Mitchell, Mrs. Helen Silver, Mrs. Ida Robitille, Mrs. Toni Malek, Mrs. Irene Vidler, Mrs. Lorette Rousseau, Mrs. Helen Levesque and Mr. and Mrs. Charles Hobbs and daughter Mariam.

Besides the hot dogs there were home baked beans, rolls and blueberry pie cooked by Mrs. Hobbs.

Those who know the members of our Auxiliary know that they enjoy and have plenty of good things to eat. At practically every meeting there are suppers served to the members with telling effect. They don't meet in the summer months and are somewhat behind time in the future activities of the Legion but will catch up as their first meeting of the fall will be Tuesday, Sept. 6th. They meet the 1st Tuesday of each month in the Legion Hall and usually have a fine attendance.

Why not come down and enjoy the association and join in the activities of the entire American Legion and be a proud member.

# NEWS FROM LEE . . .

By Mrs. Lloyd Stevens

## Lee Pastor Honored At Surprise Party

Mr. Richard Clark, pastor of the Lee and Madbury churches and his fiancée, Miss Jacqueline Stetson, were honored with a surprise party in anticipation of their marriage August 20 by members of the church last Thursday evening.

Following the largely attended pot luck supper which was held at the Lee Vestry the couple was presented with a silver service, silver bowl and candlesticks and silver sugar tongs.

## Old Home Sunday

Next Sunday, August 7 will be Old Home Sunday at the Lee Church. The service which starts at 11 a.m. will be in charge of Mr. Richard Clark, pastor, with music by the church choir. Guest speaker will be Rev. R. W. E. MacKenzie, D.D.

Mrs Charles Woodward is in charge of child care service in the Lee Vestry for any parents wishing to attend church services. This will be the last union service until September.

Following the service a

luncheon will be served by church members.

Friends and neighbors and former Lee residents are cordially invited to attend the Old Home Day celebration to renew old friendships and make new ones.

## 4-H News

Lee Hill 4-H members returning last weekend from two weeks at Bear Brook 4-H camp were Oliver, Jr. and Mike Kennard, Richard, Dennis, Dana and Dianne Wenant, George Laney and Miss Carolyn Granger who was one of the four unit leaders to be chosen to assist the camp director.

## Personals

Mrs. Abby Kennard, mother of Oliver and Bill Kennard of Lee, has been a recent patient at the Frisbee Memorial Hospital in Rochester.

Mr. Volney Morey is home recuperating following a leg operation.

Mr. and Mrs. E. B. Griffis of Fort Lauderdale, Florida, are visiting with their daughter, Mrs. Luther Tyson and family.

Mr. and Mrs. Wallace Dennis and Mr. and Mrs. Milton Hubley spent an exciting day Sun-

day at the National Morgan Horse Show in North Hampton, Mass. Among the exhibitors was Mrs. Ralph Booth with three entires.

A big event scheduled for next Saturday, August 6, is a real antique auction to be held rain or shine at the Grange Hall, starting at 10 a.m. George Martin, well-known as "Your Yankee Auctioneer" from Arundel, Maine, will be on hand to serve up some real bargains in the antique line.

Members of the Jeremiah Smith Grange under the direction of Mrs. Irene Pratte, will man the refreshment stand, so eager patrons won't have to leave the premises.

Mr. and Mrs. Harold Kimball of Durham have purchased the historic old Quaker schoolhouse on Cartland road which was remodeled into a lovely home by the late Mrs. Esther Nichols, and will be moving into it this week. Mr. Kimball is the riding instructor at UNH and Mrs. Kimball is the former Bambi Stevens, daughter of Prof. and Mrs. Clarke Stevens of Durham.

Lt. Commander and Mrs. Lewis Jennison and two sons of New Jersey arrived in the midst of last Saturday's storm at the home of Mrs. Jennison's parents, Mr. and Mrs. Charles Piper of High road. Mr. and Mrs. Jennison, while on a two week leave, will visit Canada while their son Charles stays with his maternal grandparents the Pipers and their other son Brian will visit with his paternal grandmother, Mrs. Eva Jennison in Madbury.

## SERVE ICED TEA AND CAKE TREAT

Sliced bakery pound cake served sandwich style with a quick chocolate nut filling makes a real hit as an accompaniment for iced tea. Sparkling iced tea is a family favorite and a not-too-sweet pound cake sandwich is a fun surprise accompaniment.

A clear pitcher of iced tea is as tempting to look at as it is refreshing to drink. Serve with a plate of lemon, orange or lime slices or with a sprig of mint. A novel touch also is a pitcher of frozen lemonade or limeade, defrosted, but not diluted to be added to the iced tea as preferred.

Fresh and sparkling tea is a must. Important in making a pitcher of really alive tea is the use of fresh tea, from a foil-protected package which insures the freshness of the leaves. Measure 1 quart freshly drawn cold water into a saucepan and bring to a full, rolling boil. Remove from heat. Immediately add 1/2 cup of loose tea or 15 Tender Leaf Tea bags. Let steep uncovered for 5 minutes. Strain tea or remove tea bags and add 1 quart of cold water.

Here's the recipe for the pound cake sandwiches. This tempting combination may be used with vanilla wafers or other cookies.

### CHOCOLATE NUT POUND CAKE SANDWICHES

- 1 package Royal Instant Chocolate Pudding
- 1 cup milk
- 1 cup heavy cream
- 1/2 cup chopped walnuts or pecans
- 1 pound cake, sliced thin

Combine pudding, milk, cream and nuts. Beat with a rotary beater until well blended. Chill. Spread between slices of pound cake to make sandwiches. Serve with iced or hot Tender Leaf Tea.

Miss Marguerite Craig, former first grade teacher, who is home on summer leave after completing two years teaching in England and a year in Germany. She plans to teach in Japan in the fall.

Other former teachers back for the occasion were Mrs. Everett Parhiala (2nd grade)

and Mrs. William Elwell (music supervisor).

Other teachers attending were Mrs. Robert Thompson, Mrs. Philip Wilcox, Mrs. Ralph Granger, Miss Lillian Lurvey, Mrs. William Clark and Mrs. Charles Herrick.

## Chilean Relief Contributors

Mrs. Florence Caldwell, chairman of the Lee chapter of the American Red Cross reports the following contributions from town organizations in answer to an appeal by the RC to aid victims of the Chilean disaster: Lee Church Women's Guild, \$5; Jeremiah Smith Grange, \$2; Lee Community Club, \$5; Lee Fire Department Auxiliary, \$5; and the Lee Church Bible School children donated \$38, ear-marked for the children's division of the Chilean disaster fund.

The American Red Cross assures the public that all money donated for this special appeal goes directly to the disaster area.

Mrs. Caldwell expresses her appreciation to all those responding to the appeal.

# Joe Dixx's Sport Corner

By Richard Schanda

With the first frost of the fall season a little over a month away the bird hunters are now thinking about the first day of October. On October 1st, the bird season opens on partridge, woodcock, pheasant and Wilson's snipe.

Rails and gallinules, long-legged sandpipers of sorts, may be hunted starting Sept. 1st through November 9th. These two birds are not hunted in this area as a rule but down along the southern coastal salt water marshes these birds are a much sought after game bird. Why we do not hunt these birds in our area is quite a mystery to the Fish and Game Department.

The shooting hours are from sunrise to sunset. These hours apply only to the birds mentioned as the first day of duck season usually starts around noon time.

Also remember you need a duck stamp to hunt rails, gallinules and woodcock.

Tropical storm Brenda really loused up the salt water fishing this past weekend. High winds, with extra high tides combined to wreck any plans the salt water boys had. The sea remains rough for days after a storm like we just had and not only the sport fishermen are affected.

Men who fish commercially dread August, September and October. Southerly gales tear loose lobster bouys, rip nets

and trawl lines so all in all these 3 months usually make or break the smaller commercial fishermen.

George and Arthur Beuchesne got back from Canada and from all reports they had a swell time. They got some fine pictures of the salmon fish ladders and also had a lengthy discussion with the men responsible for the stocking of the Matane River.

From all reports the whole deal is fairly inexpensive. The most important item was a clean river with gravelly or sandy head waters, which, by the way, we have in our Lamprey.

The fish ladders were of a simple construction with little maintenance required. All the facts point toward a favorable report by the Fish and Game Commission.

The Tewksbury Pond area was fished by a few of the local boys and the reports indicate good fishing. However, one thing needed was a small boat to get out to the deep water areas.

Golden trout need 60 or more feet of good cold water. Two golden trout a day per fisherman is the going limit but good sports usually take but one as this is a rare fish, comparable to the rare snow goose.

With more and more boats jamming the rivers, lakes and ponds, law enforcement becomes more difficult. Mike Menter, local public utilities official, asks that each boat owner be his own law enforcer.

He should, for the sake of his family or himself, see that he has the proper equipment and above all do not overload his boat. Mike claims overloading causes more grief than all other causes combined.

Be a good sport and a live one.

On Tuesday, the League-leading Braves got soundly trounced by the cellar dwelling Giants by the score of 12 to 3.

The Giants played a game that had to be seen to be appreciated. Two fielding gems turned in by Joe Cotton of the Giants took the wind out of the Braves' sails and Zambella pitched like a big leaguer, allowing only 5 hits over the distance.

With only 2 games left, the Braves have cinched 1st place while 2nd and third spots are wide open and with the baseball season drawing toward the finish we would like to see a nice turnout of parents and just plain fans.

There will be a final meeting of the Little League officials this coming Tuesday, Aug. 9th, at 7:00 p.m. at the Town Hall. We ask for a well attended meeting as we will be picking the All-Star team which will be playing either Durham, Epping or Exeter for the Little League Championship.

Also we intend to draw up the plans and menu for the coming outing.

Leblanc is at present preparing a production of the Rogers and Hammerstein musical, "Oklahoma", tentatively scheduled to be presented in Rochester, September 7th thru 10th. Included in the cast will be many New Hampshire and Rochester players as well as a group of professional dancers.

## HOW TO SPOT LAWN WEEDS

Each year there are more garden chemicals to help home-owners keep a lawn weed-free and beautiful. But to use them safely and effectively the gardener still faces the problem of identifying the weeds he's out to kill. Here are some tips from gardening experts to help you recognize and combat the common weedy pests:

**BROAD-LEAF PLANTAIN** forms low-lying clumps of broad, green leaves that may escape your eye — and the lawn mower's blade — all season. In late summer, however, you'll know the weed is there by its tall, thin seed stalks. Recommended control is a 2,4-D and 2,4,5-T solution, such as Antrol's Hose-Spray Weed & Brush Killer, applied early in the season before plantain becomes tough.

**DANDELION**, though relished by gourmets, is a pest to lawn owners. Its broad green leaves and yellow flower are easy to spot, and it can be combatted easily with thorough spray treatments of 2,4-D or 2,4,5-T. The chemical is a hormone that kills weed plants by forcing them to outgrow themselves.

**CRABGRASS** seedlings look bright green and harmless early in the season. By middle or late summer, it develops matted patches that choke out turf plants. It often turns purple or brown in early fall. Use an amine methyl arsonate spray — Antrol's Hose-Spray Crabgrass Killer — to wipe out the pest.

## Miss Pelletier Is Guest-Of-Honor At Surprise Pre-Nuptial Shower

Miss Judi Pelletier was honored last Thursday night at a surprise pre-nuptial shower held at the home of Mrs. Laurette Mitchell on Lamprey street. Mrs. Jean Mitchell and Miss Beverly Harvey were co-hostesses. Gifts of money as well as personal were received.

Attending were Mrs. George Pelletier, Mrs. Ludger Pelletier, Mrs. Leo Pelletier, Miss Alice Mongeon, Miss Madeline Pelletier, Mrs. Theresa Lemieux, Mrs. Dorothy Willey, Mrs. Jane Reardon, Mrs. Gerard Cinfo,

Mrs. Robert Albee and Miss Joyce Albee.

Also Miss Carol Filion, Miss Kathy White, Mrs. Alice White, Mrs. Toni Romero, Mrs. Flora Cinfo, Miss Carol Roper, Miss Carol Hazeltine, Mrs. Jane Harvey, Mrs. Margaret Harvey, Mrs. Jean LaRoche, Miss Gail Larrivee, Miss Gerry Larrivee, Mrs. Betty Philbrick, Mrs. Ruth Carmichael, Mrs. George Walker, Mrs. Jane Gowen, Mrs. Alice Gorski, Miss Jackie Marden, Mrs. Eva Carmichael.

Mrs. Crystal Weitzel, Mrs. Laurette Mitchell, Mrs. Alma Silver, Miss Margie Mitchell, Miss Sandra Walker, Mrs. Lucy Labrecque, Mrs. Eleanor Pelletier, Miss Bobbie Lou Pelletier, Miss Joyce Grochmal, Miss Kathleen LaBranche, Miss Beverly Harvey and Mrs. Jean Mitchell.

Not attending but sending gifts were Mrs. Gerard Pelletier, Mrs. Stacia Pelletier, Mrs. Mary Shina, Miss Marcia Jordan, Miss Karen Wycik, Miss Gail Griswold, Mrs. George Griswold, Miss Virginia Harvey and Mrs. Ethel Hood.

Miss Pelletier, the daughter of Mr. and Mrs. Leo Pelletier, will become the bride of Roger Harvey, son of Mr. and Mrs. Lionel Harvey of Lee on Saturday, August 20th, at St. Mary's Church.
