

C. D. ALERT IS SUCCESSFUL

Newmarket Civil Defense Director George Hauschel expressed his complete satisfaction and sincere appreciation for the excellent cooperation of townspeople and C. D. personnel during last Friday's Civil Defense alert.

All traffic stopped at the appointed places and the streets were completely emptied at the sound of the red alert.

The yellow alert came through from C. D. headquarters in Exeter at 3 p.m., whereupon all C. D. units reported to the Newmarket Fire Station to receive assignments from the director.

The RACES network at Leo Boisvert's home on Exeter St., was manned by Edward Tourigny. Messages from the radio shack to the firehouse were delivered by runners Ronnie Griswold, Leman Hatch, Robert Willey and Ronald Bloom.

Auxiliary police were sent to the police station where they were assigned to man traffic control points at Exeter street in front of Priest's Sales and Service, at the cannon on Durham side and at Main and Packers Falls road junction.

Cars were stopped during the red alert. Auxiliary police working under the direction of Police Chief John Valliere were Wilfred Beaulieu, Richard Emond, Albert Gilbert, Albert Pierce, Fred Harclerode and Robert Pratte.

The engineering department under the direction of Richman Walker set up headquarters at the highway garage on Wadleigh's Falls road. Communications were established between engineering headquarters to the fire and police stations via Telephone. Assisting were Adam Malek, Warren Sawyer, Joe Arsenault, Dona St. Hilaire and Hernandez Cote.

The Newmarket Red Cross set up operations upstairs in the fire house with Betty Philbrick, Betty Harclerode, Rose Gazda and Gladys Moore in charge. Betty Philbrick also acted as communications officer at the

fire house and monitored Conelrad and the forestry radio.

Radiological problems were set up by Ralph Willey, RADA chief, and assimilated radioactive fall-out readings were relayed to Area Seven headquarters in Rochester every hour from 6 p.m. Friday to 10 a.m. Saturday. To give complete coverage of the town, reports were made from different locations such as the golf course, fire house, police station, etc.

Two fire trucks, under the direction of Fire Chief Robert Keller, were sent out to simulated plane crashes.

When the red alert sounded at 4 p.m., all C. D. units went into action. The RACES network went on the air and received reports from area headquarters in Rochester and Brentwood.

Following the all clear, C. D. units returned to the fire house where they reported and the director held a critique of the alert exercise. The Newmarket Red Cross served refreshments to the C. D. workers.

C. D. Director George Hauschel states he feels the Newmarket C. D. organization and the townspeople should receive a great deal of praise for the efficient way in which they went about to comply with C. D. directive. It is only through complete cooperation that the Civil Defense program can be successful.

CELTICS STAR IS GUEST SPEAKER

Jim Loscutoff, Boston Celtics Star, Speaks at Basketball Testimonial

Jim Loscutoff, World Champion Boston Celtics right forward, was the featured speaker at the fifth annual basketball testimonial and banquet, held at the Polish Club Hall, in honor of the 1960-61 basketball squad last Sunday afternoon.

The "Hatchet Man", a title to which he ascribes lightly, delighted the gathering with anecdotes about his team mates and many of their opponents. His descriptive phrases of the physical characteristics and prowess of these professional court denizens left his audience gasping in amazement. He capped off his appearance with a question and answer period which proved to be a popular innovation.

Supplementing Loscutoff on a fine program of speakers were University of New Hampshire Head Football Coach "Chief" Boston and Mel Cross, high school basketball coach.

Boston, after apologizing for his inadequacies as a basketball expert, proceeded to give a dynamic talk aimed at the achievements and future of our honored guests. His "big three" jokes were delivered with built-in sound effects and a complete physical accompaniment. His refreshing approach and free wheeling delivery kept his audience captive, on the edge of their chairs, in anticipation from where they were left limp by his explosive climax.

Mr. Cross made the presentation of jackets on behalf of the sponsoring organizations, briefly recapped a very successful season and heaped well deserved praise on his squad; not only for their athletic accomplishments, but for their personal

qualities, habits and intestinal fortitude.

He had words of encouragement and advice for senior members of the squad which made it clear to all that he has an interest in their future as well as their past. Newmarket can be proud of its association with Mel Cross; he is a young man with a wonderful future of his own.

John Twardus represented the board of selectmen and offered congratulations to the squad and attendees in the interest of civic pride and responsibility.

Charles Bennett, commander of the American Legion Post and F. O. E. President Harold Dawes, represented their respective groups with congratulatory messages and host club president, Edward Ross of the American Citizens Clubs of Polish Descent, delivered the welcoming address. The invocation was delivered by Rev. Eugene Dumas and the benediction by Rev. Robert Bryson.

The banquet committee, which included Harold Ward, Wilbur Sharples Sr., Kenneth White, William Duffy, Stanley Sielicki and Fred Pulchopek, is to be commended for a job well done.

Toastmaster for the occasion was Wilbur Sharples Jr.

Through The Years . . .

With Mary Richardson

The Civil War

Just one hundred years ago the Civil War broke out and Newmarket was ready to do her part. She furnished more than her quota of troops.

About one hundred fifty men were sent by the town. No complete company was furnished by the town at any one time. The largest number that went in one body was that under Capt. James M. Durell, who first enlisted as a private in Company E, Thirteenth Regiment, received a lieutenant's commission in 1862, was wounded that year at the battle of Fredericksburg, again entered the field and fought at Cold Harbor in June, 1864 and was appointed captain of Company C of this regiment on July 15, of that year.

Among the first to enlist was Alanson C. Haines in answer to the call for nine-months men. He was assigned to Company D, Fifteenth New Hampshire Volunteer Infantry, Aug. 30, 1862. He served almost a year, having been mustered out on Aug. 13, 1863.

When in 1864, Massachusetts made her call for the hundred-day men, he hastened to the City of Lawrence where he was again the first to sign the rolls and was mustered in, July 14, 1864, as a private and assigned to Company K, Sixth Infantry, Massachusetts Volunteer Militia, appointed corporal and his term having expired, he was mustered out Oct. 27, 1864.

No citizen of the town holds a prouder record or was called upon to suffer more than Woodbridge W. Durell. At the first call for troops, this young man of twenty-two hastened to enroll as a member of Company L, New Hampshire Battalion, First Regiment, New England Volunteer Cavalry. He was twice promoted, as corporal and sergeant, and took part in twelve engagements, viz., Fort Royal, Cedar Mountain, Brandy Station, Groveton, Second Bull Run, Chantilly, Montville, Fredericksburg, Chancellorsville, Culpepper Court House, Rapidan and Sulphur Springs.

On the morning of Oct. 12, 1863, a detachment of some two hundred men of this regiment were on detached duty acting as escort to the Sixth Army Corps. Meanwhile, fighting had commenced under Mead at Sulphur Springs and they reported for

duty and were ordered to defend a ford. By the time they were relieved at 9 p.m., it was dark.

The Union forces had been compelled to fall back so this troop was obliged to pass in their rear. Sergeant Durell was in command of the rear guard. While crossing a stream, shots were fired from the rear and the command was given to trot.

About a mile had been traversed in the dark when the head of the column diverged to the right. Those in the rear failed to make the turn and continued straight ahead, riding through an entire corps of the enemy encamped on both sides of the highway. Failing to recognize their uniforms and anxious to find a camping place, they went on until they found themselves surrounded by troops, to their surprise and discomfort.

The recognition came too late and they were no more astonished than their captors, who at once placed some forty-five men under arrest, escorting them back to Sulphur Springs.

Three days later they were taken to Richmond and confined at Libby, where they were searched and their money taken from them. Durell managed to secrete some twelve dollars, which proved a God send to himself and comrades and helped to save them from some of the horrors of starvation of which others succumbed.

These brave men had to sleep on the frozen ground without any blankets and all they had to eat was a pint of coarest of meal, the corn and cobs ground together and issued unsifted. The men were confined at Libby prison, Belle Island, Andersonville, Milan, Black-Shear, Savannah and Florence.

Mr. Durell was released Dec. 14, 1864 and mustered out in March, 1865. Of the forty-five men captured on that ill-fated October day, only five survived the hardships of their imprisonment.

The war ended and Mr. Durell, his country needing him no longer, returned to his childhood home.

NEWS FROM LEE

Dance Big Success

A good time was had by all at the hilarious "Hard Times" dance sponsored recently by the Lee Fire Department Auxiliary at Mast Way School in Lee.

Although costumes were not required, many of those attending used ingenuity and imagination in their get-ups. Choosing the three most original "Hard Times" couples was a difficult task for the four judges; Fire Chief and Mrs. Laroy Batchelder of Nottingham and Chief and Mrs. John Donovan of Durham.

However, after careful consideration, first place went to Mr. and Mrs. Maurice Hatch; second to Mr. and Mrs. Ted Gooch, and third to Mr. and Mrs. David Landry. Honorary mention and a prize also went to Mrs. Karl Black.

Following the awarding of costume prizes many lovely door prizes were given out to those attending.

Refreshments were served by members of the Lee Hill 4-H Club. Special thanks are extended to Mr. and Mrs. Clarence Faulkner who provided the music and to Mr. Faulkner who acted as master of ceremonies.

Mrs. Carl Brown was general chairman of the dance committee and did most of the soliciting for the prizes that were donated by merchants from Newmarket, Lee, Durham, Dover and Portsmouth.

Lee Civil Defense Report

Miss Alice Dudley, director of Lee Civil Defense, reports that Lee's part in the National Civil Defense alert last Friday went off in an orderly and satisfactory manner.

Thursday evening the director called a meeting of all officials taking part in the exercise at the Town Hall to discuss plans for the alert.

Traffic was stopped at two points: the Lee traffic circle and Lee Hill, for fifteen minutes during the red alert.

Forty cars were stopped at the Lee traffic circle without incident by Deputy Policeman Robert Keniston Jr. and auxiliary police, Gilbert Wellington, Arthur Pratte and Kenneth Cooper.

Fourteen cars were held up during the alert at Lee Hill by Police Chief Mike Menter, C.D. Auxiliary Policemen George Durepo and Thomas Brown.

Fire Chief Lloyd Stevens was in charge of communications.

Teen-agers George MacDonald, Clayton Downing and Paul Turner acted as runners.

Miss Dudley wishes to thank all those participating in the exercise and the general public for their fine cooperation during the alert.

She also is interested in hearing from townspeople as to whether the fire siren signals were heard throughout the town. Please call her at OL 9-3621.

Fire Call

The Lee Fire Department was called out to a fire Friday afternoon at the residence of Fred Blinn on Camp Ground road, where an unpermitted incinerator had caused a small grass fire.

Damage was negligible.

Police Report

According to a report re-

ceived from Deputy Police Officer Robert Keniston Jr., a tandem trailer truck carrying about fifteen tons of bananas, slipped off onto the soft shoulder of Route 125, just south of the junction of Routes 125 and 152, early Wednesday morning around 4.

It was afternoon when the truck was finally hauled back into the road by two wreckers from Hampton and one from Exeter.

Investigating the accident with Keniston were State Troopers Valliere and Worthen and Motor Vehicle Inspector Baker.

Lee Hill 4-H Club

A meeting for leaders of the Lee Hill 4-H Club was held at the Town Hall Wednesday evening to discuss progress reports of the year and lay plans for spring projects.

Ten members of the dog husbandry project have started obedience training with aspirations towards entering obedience trials and dog shows at the summer fairs. The training sessions started four weeks ago and are held weekly at the Underwood's barn on Lee Hill.

Mr. and Mrs. Dale Underwood have generously extended the use of their barn for the 4-H members.

Member Ann Bowley performed a demonstration on obedience training and how to groom and care for a dog, at the recent meeting of the Jeremiah Smith Grange.

4-H Performs at Grange

Miss Dianne Wenant and Miss Ann Bowley, both Lee Hill 4-H members, demonstrated their talents at the recent meeting of the Jeremiah Smith Grange. The Grange along with the Lee Community Club sponsors the Lee Hill 4-H group.

Miss Wenant, who with Miss Judy Byers won the county talent show, performed a vocal solo and Miss Bowley demonstrated how to groom and care for a dog and obedience training.

Lee Hill 4-H Leader Ralph Granger explained to Grange members the purposes of 4-H work and the particular projects of the Lee Hill group and introduced the two girls.

Fire Department Auxiliary

The Lee Fire Department Auxiliary is honored to have as its guest speaker Monday, May 8, Mrs. Helen Funkhouser of Durham.

Mrs. Funkhouser, who will speak on flower arrangements, is a well-known expert and lecturer on floral arrangements and gardening. She has been extremely active in the "Keep New Hampshire Green" program since its beginning and has been instrumental for much of its success.

Dale Underwood at Lee Hill. There will be several floral arrangements auctioned off at the meeting.

FOE Nomination of Officers

Last week, April 26, the Eagles held their regular meeting which was conducted by our worthy president, Harold Dawes. This meeting was for the nomination of officers for the ensuing year starting in June.

At the beginning of the meeting a new candidate was voted on and elected to join our Aerie. He was John Carrol, owner of the Carroll Department Store in town. Our congratulations and best wishes to our new brother.

For the good of the Order, many things were talked about and discussed and also many committees were appointed regarding coming events; I would like to mention just a few briefly, if I may.

The state convention this year will be held at Derry sometime in June and all members are cordially invited to participate. Also, members are invited to go to the Grand Aerie convention at Minneapolis, Minn., if they can.

Later on, I will write another article regarding this convention.

On May 19, 20 and 21, the Lamprey Aerie will have a three-day celebration regarding our fifty-first F. O. E. anniversary honoring all members who have been in the Aerie forty-five years or over and each of them will receive a souvenir pen on Sunday, May 21. The program is as follows:

Friday, May 19, at 8 p.m., there will be a memorial service for all our departed brothers and the public is cordially invited to assist.

Saturday, May 20, at 8 p.m., a social dance.

Sunday, at 2 p.m., there will be a class initiation for quite a few new candidates, followed by a buffet lunch downstairs.

The committee in charge for the buffet lunch, was appointed and they are as follows: Romeo Lemieux, Charles Reardon, Arthur Provost Jr., Ernest Pelletier, Willie Mailhot and

Bud Teed. Our local degree team will be on hand for this class initiation.

Then came the nomination of officers and I would like just to name the nominees. They were as follows: worthy president (two were nominated), Bill Duffy and George Pelletier; vice president, Edward Dostie; chaplain, Arthur LaBonte; treasurer, job open for next meeting; conductor, Harry Doucette; inside guard, Homer Lemieux; outside guard, Omer Lepage; trustee for three years (two nominations), George Gendron and Maynard Teed.

About the state convention at Derry, I forgot to name the delegates and alternates, so here they are as follows: Harold Dawes, Charles Reardon, Edward Dostie, Arthur Provost Jr., Ralph Larrive, Dickie Labranche and John Schanda. Our state representative, Armand Lepage, gave a few report regarding the New Hampshire club association.

Edward Dostie, auditor, and Dickie Labranche, trustee, read their monthly reports which were well received by all members, proving that the Aerie is doing well financially and progressively all the way. Finally, Harold Dawes, president, thanked all members for their kind cooperation during this last year 1960-61 and expressed the hope that the next president elected at the next meeting will have a very successful year.

Before the meeting adjourned it was announced that on May 7 the local degree team will go to Manchester for a big class initiation and that all members are cordially invited.

The next meeting, Wednesday, May 10, is also very important because it will be the election of officers. Therefore, Worthy President Harold Dawes hopes to see a large attendance at this meeting.

Before closing the ceremonies the drawing of the F. O. E. code took place and as the winner was not present, the next code will be (17) plus, on May 10.

In concluding, I would like to encourage all members to attend all meetings faithfully and help all officers elected to carry out their duties. This is the only way that any organization can progress and go ahead effectively; as we say, "Together we stand, Divided we fall."

The cold windy rainy weather has cut the early trout catch down to almost nothing. Waters are quite high around these parts but what trout the local boys are catching are mostly in the wow! size.

Local catches of interest include a whopping 14-inch brookie which unofficially weighed in at close to 2 lbs. This fish was caught by Joe Bently up in upper Little River.

Three full ten-fish limits were snapped out of the lower parts of Mendoms Brook. These catches were reported by lucky fishermen. As usual, empty creels go unreported.

When the waters lower to their summer levels, watch the trout catch improve. Many trout, along with some 14-inch federal brookies, have been stocked in our local streams and just as soon as the weather cooperates we will unstock these brooks.

"Uncle Flub" has been rooked by a Bay road "Hoot Gibson" and to hear him tell the story there ought to be a law "agin" it.

It seems that my old "Uncle Flub" is a fur buyer of sorts and recently he dickered with a local trapper who has caught some prime mink in his time.

This local gent primed my poor unwilling Uncle Flub with some slightly turned apple cider bottled last fall, of course, and after several good mugs full, this trapper fished out several fresh mink pelts.

Old Uncle Flub looked the furs over and offered a deceit price. The local gent agreed to this price and then pulled out a jet black so-called giant mink.

Well, Uncle Flub gulped and took a second long fond look. This pelt was as large as a small otter and just as black.

One gallon of cider and \$32 later, Uncle Flub headed home with his best buy of the season.

Imagine, if you can, the look that passed over Uncle Flub's face when he heard that his pal "Hoot" had shot a black woodchuck the day before down on the Bay road.

A closer clear-headed look found the bullet hole along with a pair of natural wood chuck ears and whiskers. If you think a mountain summer thunder storm rages, you should have seen old Flub.

Three deer now use Sewall's field down on the Ash Swamp road. The best time to show the kids some deer seems to be around 6:30 in the evening.

The Fish and Game Department has stocked some hen pheasants down on the Bay road. Several hens and two cocks have been seen around Jeff's field and being half tame, it would seem that they have not been out of the Brentwood pheasant pens more than a week.

Game birds are having a poor nesting season both locally and up country. Fish and game experts claim that for every rain storm during the nesting period we can expect a drop of eight per cent in the hatch.

The nesting period lasts about twenty-one days, starting around the last week of April, weather permitting. Dry nests and warm nights are the big factors governing the rise and fall of the game bird population.

As all hawks and owls are presently on the protected list, this also cuts heavily into the population. Say what you will about nature's balance, but facts are facts.

A pair of horned owls will catch and eat more game in a year than an average hunter will shoot in a lifetime.

There has been some talk around that the selectmen are going to collect taxes on locally owned boats.

If this is fact—not fiction—the boat owners should be able to have the public landing improved. This landing, at the foot of Water street, is in sad shape.

So, men, let's get the ball rolling by squawking loud and long.

Letters to the Editor

The following letter was received by Chief of Police John Valliere from Raymond Edward Pinkham of Madison, Conn., who is trying to trace a lost relative. We are printing it in THE NEWMARKET TIMES in hopes that one of our readers may help clear up the mystery. Anyone with any knowledge of said man, is asked to contact Chief Valliere.

"My dear chief, I am a retired school superintendent. I am trying to trace my ancestry back to the Revolution. I know that my grandfather, John Pinkham, was cited twice in the history of the Thirteenth Regiment of New Hampshire Volunteers in the Revolutionary War.

"However, the burning of the Newmarket Town Hall (with records) to date has prevented me from getting the full name of his father (my great grandfather). * * * I was able to buy the two-volume 'History of Durham, N. H.' and in it I

stopped in my search there. "However, as a small boy, I often heard my father say his forebears fought in the Revolution and I do want to establish that fact if I can.

"My grandfather was killed on front of Richmond, Va., on Sept. 30, 1864. I was an aviator in World War I. My only son was a first lieutenant of infantry in World War II and a casualty. His son is the last of my 'tribe'.

"Can you give me any aid?
"Cordially yours,
RAYMOND E. PINKHAM"

TO THE EDITOR:

Just today I received a letter from my wife and she told me that there was a rumor going on in Newmarket that we were separated and I threw her out or something like that.

My wife returned to Newmarket for many reasons; one because of our two children,

ART EXHIBIT AT DURHAM

An interesting event is being planned for Durham when local artists will exhibit their paintings in oil and water color.

Other towns have had similar exhibits but this is the first time it has been attempted in Durham.

Residents of Durham, Lee and Madbury interested in joining and helping to promote the Durham Art Association are invited to call Mrs. Russell Skelton or Charles Sewell of Durham for further information no later than May 15.

The exhibit will be held Saturday, June 3 from 10 a.m. to 5 p.m., on the upper parking lot of Durham Community Church. In case of rain the exhibit will be placed in the Paine Auditorium of the Durham Community Church.

the damp climate was making them sick and also because I'm leaving for school in Charnute Field, Ill., for three months and after I am to receive a transfer closer to home. I'd like you to print this letter in THE NEWMARKET TIMES just to straighten out the good people of Newmarket. I love my wife very much and wish she were here with me. Maybe if people knew the truth about things before spreading gossip, Newmarket would be a better place to live in.

Thank you,

New 4-H Group Elects Officers

A meeting of the newly formed Durham 4-H Club was held on April 24 at the Durham Grange Hall. In addition to the members, several interested adults were present.

The following officers were elected: president, Allison Caddell; vice president, Paul Comtois, and secretary, Donna Hanks.

Questions were asked concerning 4-H summer projects and it was decided that clothing and dog husbandry would be the first projects.
