

NEWMARKET'S 7th GRADERS LAUNCH BALLOON

Pictured in the top photo are Newmarket High School children of the 7th, 8th and 9th grades who were on hand to witness the launching of a helium-filled balloon. The bottom photo shows members of the 7th Grade Class who made this launching possible. Pictured holding the line to the balloon is Mr. Antonopolos, instructor. (More Photos Are On Page Four).

First Balloon Is Launched Here

With the launching of Sputnik I in 1959 by the U.S.S.R., the American public developed an awakened interest in space. In the educational field greater emphasis has been placed on science and the student is introduced to this unlimited potential of this area of study in the lower grades. With careful guidance, he will have acquired sufficient knowledge and skill to experiment and create working projects to satisfy his curiosity.

The seventh grade science class, under the direction of Mr. Daniel Antonopolos has successfully completed Step No. 3 of Project X-Y, the release of an 8-foot helium filled balloon. A gondola is attached by a net and this and the balloon held captive by twine played out from a winch to facilitate the repossession of instruments and the evaluation of data.

The gondola is an insulated box equipped with a camera and a motor-driven timing device to photograph the surface of the earth at 12 minute intervals while aloft.

Preparation for the project began in January when the class learned and mastered the specified procedure for preparing balloons for inflation: first, immersion in boiling water at a temperature of 145 to 212 Fahrenheit to weaken surface tension of the balloon. During this procedure, the students learned the conversion formu-

las for changing Fahrenheit to Centigrade, and recorded their observational data. Next, using a vacuum cleaner, with hose reversed as source of hot air, the balloons X and Y were inflated to stage I, a diameter of 2.5 feet and then allowed to set for 24 hours. Inflated to the Second Stage of 4.2 feet, and remained another 24 hours. At the end of that interval, balloons were deflated to Stage I and later tested by first inflating with hot air, out of doors, and measuring the height of ascent, which in this instance was about 120 feet. At this point the hot air was cooled and the balloon floated back to earth. All observations of this trial were recorded.

The students were faced with several problems. The most urgent being the question of how to get the balloons outside without puncturing and then how to inflate them outside. These were solved by holding the balloon out-of-doors, then using the cleaner, placed near a radiator for an additional source of heat, with the hose reversed and placed on the window ledge.

The next stage in Project X-Y, inflating a prepared balloon with helium and launching it outside, equipped to photograph the earth's surface from aloft.

Helium was obtained through the cooperation of Maj. A. J. (Continued on Page 4)

Receives 90 Days On 3 Charges

At the regular session of municipal court with Associate Justice John A. Edgerly, Jr., presiding, the case of Alfred George Hurteau, 28, of High st., Epping was heard. This case had been continued from Jan. 23 to Jan. 30 at the request of his legal counsel, attorney Alfred Catalfo of Dover.

Police Chief John Valliere was prosecuting officer for the town and Attorney Catalfo represents appearing for the state were Motor Vehicle Inspector Anthony Dagostino of Exeter, Officers George Hauschel and Richard Averill of Newmarket and Warren Trefethen of Epping.

Upon presentation of all the evidence, the defendant was found guilty to three charges. On the first, a stop sign violation to which Hurteau pleaded innocent, he was found guilty and ordered to pay a fine of \$10, which was suspended; the second count, a speeding charge to which he also pleaded not guilty but was found guilty and ordered to pay a fine of \$25, also suspended; And on the third charge, that of operation of a motor vehicle after his license had been revoked and having operated said vehicle without posted security or proof of financial responsibility, he was given a committed sentence of 90 days in the Rockingham County House of Correction.

In other police action on Friday, Robert Edgerly, 20, was taken into custody by local police at the request of Stratford County Sheriff Wilfred J. Pare, who had issued a warrant for his arrest. Edgerly was turned over to Sheriff Pare.

Last Saturday night Leo G. Limpris, of Jacobs Well road, Epping, was given a summons for speeding on South Main street. He is scheduled to appear at the municipal court session on February 6 to answer to a speeding charge.

ALLEN B. WRIGHT ELECTED CASHIER OF NEWMARKET BANK

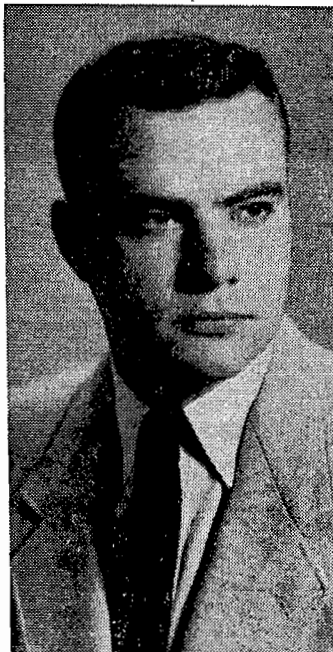

The New Market National Bank, through its President, Fred J. Durell, announces the election of Allen B. Wright as Assistant Cashier. Mr. Wright is to succeed Arthur N. Berry

as Cashier when Mr. Berry leaves April 1st to assume his new position as Executive Vice President of The New Hampshire National Bank in Portsmouth.

A native of Exeter, he was graduated from The Phillips Exeter Academy and Dartmouth College. Upon leaving Dartmouth, he served with the U.S. Army in Western Germany for approximately two years.

Since that time, Mr. Wright has been affiliated with the National Shawmut Bank of Boston, the Indian Head National Bank of Nashua, and comes to Newmarket from The New Hampshire National Bank of Portsmouth. He is married to the former Dorothy Vincent of Watertown, Mass., and they have one child, Pamela, aged ten months.

Mr. Wright has been active as a member of the Portsmouth Junior Chamber of Commerce, Portsmouth Athenaeum, and the Dartmouth Seacoast Region Alumni Association, and will take an active part in the civic affairs in the Town of Newmarket.

ALLEN B. WRIGHT

GIRL SCOUT MOVEMENT TO BE DISCUSSED AT LOCAL MEETING

A meeting will be held on Thursday, February 18th at the Legion Hall at 8 p.m. for the purpose of explaining the aims and purposes of Girl Scouting to any mothers of girls of the age of an intermediate Girl Scout troop, this includes girls in grades 5 through 8.

Mrs. Carrie Tilton extends an invitation to mothers in the Newmarket area to attend. Mrs. Joyce Beirsto, District Direc-

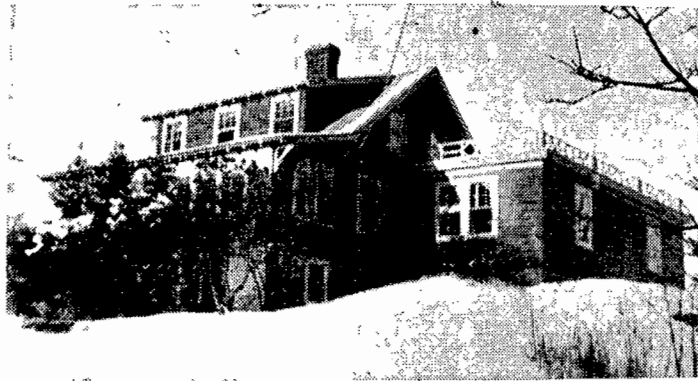

tor of the Manchester to the Sea District of The Swiftwater Girl Scout Council, and Miss Barbara Myers of Durham, assistant District Chairman of the Swiftwater Council will be present to explain the methods of organizing a troop, the assistance that the district will be able to give, and the help necessary for this purpose.

Two Newmarket women: Miss Shirley Varney, and Mrs. Doris Winn have recently completed a course which qualifies them in troop leading, and will be available once a troop is established.

Refreshments will be served at the conclusion of the meeting.

A Guest House For Newmarket

It was recently announced that Newmarket will at last have accommodations for overnight guests. Mrs. Martha Elliott, who recently purchased the Shelton residence at 20 No. Main street, will welcome occasional guests at her new home, "River House."

Mrs. Elliott made a study of guest-house operation in Puerto Rico last summer and has traveled widely through the U.S. by car. She has decided to put her travelling experience to use

in offering a pleasant stop-over for visitors to Newmarket.

"I like people," said Mrs. Elliott, "and I found my guest-house experiences fascinating. Because I remember how much my mother and I appreciated a cup of coffee before starting out in the mornings, I'm planning to give my guests a buffet breakfast, too."

Years ago Newmarket had two excellent hotels but for a number of years, visitors have had to go to Exeter or even farther afield for lodgings. Mrs. Elliott says she has been encouraged to open her home as a guest house here by business men in town and the Family Services Center at the air base.

Reservations can be made by calling OLdfield 9-3081.

DEATHS and FUNERALS

RMC Lawrence J. Mitchell

RMC Lawrence Joseph Mitchell, 37, USN, died suddenly Sunday morning at his home at 7 Lamprey street. He had resided in Newmarket for 20 years.

Born in Woburn, Mass., Mitchell had served for 19 years in the Navy and would have retired next year.

He served in the Pacific Theatre for four years during World War II and was stationed at the Portsmouth Naval Shipyard at the time of his death.

He was a member of the Robert G. Durgin Post, A.L.

Members of the family include his wife, Mrs. Laurette (Labrecque) Mitchell; three sons, Robert, John and James Mitchell; two daughters, Miss Margaret Mitchell and Miss Jean Mitchell; his mother, Mrs. Bertha Mitchell of Newmarket; his maternal grandmother, Mrs. Mary Boudreau of Woburn, Mass.; seven brothers, John W. Mitchell, Walter, George, Thomas, and Jerome, all of Newmarket and A/2c Daniel Mitchell, USAF, at Chennault AFB, Lake Charles, La.; three sisters, Mrs. William Magnan of Exeter and Mrs. Anne Beers and Mrs. Donald G. Chaide, of Newmarket; several aunts and uncles and eight nieces and ten nephews.

The funeral was held Thursday at 8 a.m. from the Brisson and Kent Funeral Home followed by a requiem mass at St. Mary's Church. Burial was in Calvary Cemetery.

Miss Catherine G. Kennedy

Funeral services were held for Miss Catherine G. Kennedy

RECEIVES CITATION

Above photo shows Police Chief John Valliere reading a commendation which he recently received from N.H. Motor Vehicle Department which read as follows: "In recognition of the exemplary cooperation and support given the N. H. Motor Vehicle Department by Chief of Police John Valliere and other municipal officers who contributed in great measure of the safety accomplishments in the state of New Hampshire." The citation was signed by Frederick N. Clarke, M.V. Commissioner.

at 8 o'clock Saturday morning followed by a solemn high mass of requiem at St. Mary's church with the Rev. Eugene Dumas, pastor, celebrant. Rev. Albert S. Cameron, curate at Our Lady of the Miraculous Medal church in Hampton served as deacon, and Rev. Robert Bryson, curate, as sub deacon.

Burial was in Calvary Cemetery with Rev. Dumas conducting the committal service.

Bearers were Edward Tourigny, Henry F. Murphy, William Barrett, Harry Doucette, Gordon Rodrigues and William Goudreau.

Fifth Birthday Celebration Held

Deborah Beauchesne celebrated her fifth birthday at the home of her parents, Mr. and Mrs. Arthur Beauchesne of 31 Cedar street, at a dinner birthday party.

Present to enjoy the festivities were Judy Pevine, Jackie Robshaw, John Robshaw, Jeff Robshaw, Brènda Pelletier, Winston Hendzel, Donald Rousseau, Jon Blanchette, Kenneth Sewall, Jr., Tommy Blanchette, Rayleen Hanks, Karen Brown, Joanne Russell, Glenn Russell, and Kim Cinfo.

Assisting Mrs. Beauchesne were Mr. Marion Bassett, Mrs. Jean Robshaw and Mrs. Martha Brown.

The birthday cake was supplied by Blanchette's Bakery.

DISCUSSION GROUP BEING FORMED IN NEWMARKET

One evening during the week of February seventh and for eight weeks thereafter, a small, informal discussion group will meet locally in the homes of friends and neighbors to participate in "Great Decisions — 1960." This in an annual review by private citizens of the urgent international problems now facing the United States government and people.

This program is offered nationally by the Foreign Policy Association, a nationwide, non-

partisan educational agency. The Association was founded in 1918 and has been praised by every President since for its contributions to a better informed American public.

Each week a different topic will be explored on TV and afterwards the group will join in examining, discussing, arguing and comparing opinions. For the week of February 7th, the subject will be "Communist Timetable for 1960 — What Odds?"

This is an opportunity for people to get the facts and gain a deeper understanding of foreign affairs; to talk over the facts, in the American way, with friends and neighbors; to reach informed opinions of U.S. Foreign Policy and to communicate opinions to Senators, Representatives and other policy makers in Washington.

The Newmarket "Great Decisions" group is now forming. A Fact Sheet Kit, costing \$2.00, is the only expense for each individual or couple. Anyone who is interested in joining the discussion group is invited to call Mrs. Martha Elliott, Oldfield 9-3081 and indicate which evening in the week would be most convenient for the meetings.

FROM 5,000 FEET ABOVE TOWN

INFLATED BALLOON IN SCHOOL

Top photo shows a view taken from about 5,000 feet up in the air. The photo is a little fuzzy due to snow flurries at that altitude. Bottom photo was taken in the classroom and shows the balloon inflated.

First Balloon -

Continued From Page 1)

Scott of the Pease AFB weather station and the Pease authorities. A base technician, J. B. Bailey, USAF, was assigned to assist with the operation.

The first attempt at 11 a.m. found the gondola too heavy to carry the balloon aloft. However, added helium gave the sufficient buoyancy and the vehicle was airborne, tethered by as much twine as the class could gather and reel out.

Estimates are that between 3,500 and 5,000 feet were used. The balloon remained aloft during the rest of the day and was reeled in and the camera unloaded at dusk. When the film was developed, some exposures were blurred because of motion or snow flurries. There were, however, two good shots of the terrain between the rear of the high school, the brook and Great Hill. (see photo.)

The next phase will be the launching of a larger balloon with additional equipment.

Students most prominent in the experiment were: project engineers responsible for preparing the gondola and equipment, John Carpenter and Leo Geoffrion; assisting were Stanley Wojnoski, Bruce Cleveland, James Grochmal. Assisting in the testing were Bobby Lou Pelletier, Brenda Silver, Michael Anderson, Mark Hazeltine, Roger and Ronald Sklarski. The remainder of the group helped in completing operational and procedure data.

American Legion News

by Fred L. Beale

When the Third District Degree Team comes to Newmarket on Feb. 13th, it will have on its make-up such men of importance in Legion Circles as Acting Comm. Floyd J. Daley, N.E.C., Past Department Commander of Portsmouth; Sr. Vice Commander Harold Allston, Commander of Booma Post of Portsmouth; Jr. Vice Commander Robert Graves of Northwood Post; Past Commander Albion Pendergrace of the Epping Post; Adjutant Everett Mann, Past Commander, the Hampton Post; F.O. Lionel Chasse, Past Commander, the Somersworth Post; Chaplain Everett Merryfield, Past Commander, Northwood Post; Historian Thomas McLin, Past Dept. Comm. of Somersworth; Sgt. at Arms, Raymond Berry, Past Dept. Vice Comm. of Raymond; and Sgt. at Arms Leo Cote, Past Dist. Comm. of Somersworth.

This makes a very impressive aggregation of Legion speakers. Wherever they have worked, they work to a full house and the same should happen here at Newmarket. You will miss the event-of-the-year if you do not attend this event.

All Legionnaires and their friends are invited to watch this

work. Food and Dancing will follow so bring the women folks. It is expected that the Department Commander and District Commander will also be present for this evenings ceremonies.

On February 21st the team will put on the work in Colebrook and on the 16th of Mar. they will be in Dover.

We have a large list of members to be worked and all members who take the degree on this date will not only receive their Legion Button but will receive a Certificate of Initiation from the degree team. This has never before been done here in Newmarket.

Among the members taking their degree will be the Post Master and his wife from Nottingham, Mr. and Mrs. Edward O. Foss. A recently retired veteran of 22 years service on all fronts in the recent wars, Mr. Frederick H. Wegonyoun and the Jr. Chemist from the Macallen Co., Arthur F. Doyle.

Mr. Degonyoun has received 23 awards for service from the Army and three of them were Purple Hearts.

NEWS FROM LEE

By Mrs. Lloyd Stevens

Town Affairs

There will be two public hearings on Zoning Ordinances held at the Lee Town Hall, Monday, Feb. 8 and Monday, Feb. 15.

A check with the Town Clerk reveals that the following have filed for Town Offices this week: James A. Bennett and Lloyd Stevens for Road Agent; Mrs. Annie Piper, incumbent, for Town Clerk; Mrs. Florence Caldwell, incumbent, for Town Treasurer and Library Trustee; Miss Alice Dudley, incumbent, for Auditor.

The closing dates for filing for town offices with the Town Clerk, Mrs. Annie Piper, is 6 p.m. Friday, Feb. 29.

According to Leonard Wenant, chairman of the Board of Selectmen, the final date the Board can accept petitions from the citizenry for inclusion in the town warrant is Saturday, Feb. 13.

Well Child Clinic

There will be a Well Child and Pre-school Clinic held at

the Community Church, Feb. 9 from 9:00 to 11:30 a.m. for the towns of Madbury, Lee, Durham. Dr. Ellen Greenleaf will be the attending physician. Children may receive immunizations, vaccinations and physical examinations. These clinics will continue monthly until further notice. It is hoped that more parents will avail themselves of this fine opportunity.

Accident Report

Leonard Wenant, Civil Defence Director and Chairman of the Board of Selectmen in Lee, was in a serious accident on Route 108 in Newmarket, Friday morning at 5:30. While on his way to work in Boston, his car skidded on the slippery road and crashed into another car. Wenant's car was completely demolished and both drivers were taken to the Exeter hospital. Wenant, who was badly bruised, was released following X-rays.

Late Friday evening another accident was reported at the blinker at South Lee when Philip Vachon of Manchester, going South on Rte. 125, struck another car coming north. Both cars were extensively damaged but the drivers miraculously escaped serious injuries. Vachon will be booked on a DWI charge according to Lee Police Chief Gilman Menter, who investigated the accident, along with State Trooper John Newhall.

Jeremiah Smith Grange

At the regular meeting of the Jeremiah Smith Grange it was voted to enter the National Grange Community Service Project Contest, to entertain the Pomona Grange in April and November and to invite the Lee Congregational church to join the Grange in sponsoring a fair on September 10.

Miss Esther Garrity, lecturer, presented an open discussion on "What will the Grange's project be for the Community Service Contest?" It was voted that

the Grange would improve the Grange Hall and its grounds, put water in the Hall and would clean up and beautify one of the forgotten cemeteries in Lee.

There were 24 members present. Miss Garrity announced that the 1960 programs for the year will be ready for distribution at the Feb. 9 meeting, which is to be a Valentine Party. Each lady member is asked to bring a box lunch for two to be auctioned off for the benefit of the Home Economics committee.

An open house will be held on Feb. 23 to feature Earl Blood, IFYE student, in a talk with illustrated slides about his six months stay in Ecuador. The general public is cordially invited to attend.

Lee Congregational Church

The Christian Education committee will meet at the vestry Thursday at 7:30.

Anyone interested in sewing cancer dressings for the Red Cross is cordially invited to come to the Lee vestry, Friday, Feb. 5 at 10 a.m. Bring your own lunch.

The Women's Guild extends an urgent appeal for any soft, white cloth (sheets, pillow cases, shirts, etc.). Anyone having such material may give it to any Guild member.

A class for instruction in going to church will start soon.

Anyone interested may contact Mr. Richard Clark, minister or one of the Deacons.

Sports

The Oyster River High school basketball team won a decisive victory over Merrimack High school last Friday evening at a game played in Merrimack. The final score was O.R. 87, Merrimack 30. Playing on the Oyster River team were Steve Gilman, capt., Joel Willard, Jef Cloutier, Sam Price, Clyde Fogg, Jr., Charter Weeks, Keith Dewey, Frank Gould, and Mike Doyle.

O.R.S. PTA To Meet

The monthly meeting of the Oyster River PTA will feature two foreign students at the University of New Hampshire

who will speak on the subject "The Education System At Home."

Miss Karaki Yusuka of Japan and Victor Weeraratne of Ceylon will appear under the auspices of the N. H. Council for World Affairs.

The meeting will be held at the Oyster River Auditorium in Durham, Tuesday evening, Feb. 9 at 8. Everyone is urged to attend this interesting meeting.

Fire Report

The Lee Fire Department was called to a fire at the home of Mr. and Mrs. Charles Hayes on Mitchell road early Monday morning. An oil heater in the hen house caught fire. Damage was prevented when the fire melted a nearby plastic hose which released water thereby keeping the fire from spreading. Ted Turner, Lee Fireman who was first on the scene, reported no appreciable damage.

Lee Fire Dept. Auxiliary

The Lee fire department auxiliary will hold its monthly meeting at the home of Mrs. Everett Sackett, Tuttle Pond road, Monday evening, Feb. 8 at 7:30. The program will be a talk on Interior Decorating by Mr. James Houston and Mrs. Albert McReel from the Curtain Shop in Exeter.

Personals

Mrs. Ralph Granger of Lee, well known kindergarten teacher at Oyster River Cooperative school was the featured speaker at a recent meeting of the Bakie School PTA in Kingston. The town of Kingston presently has no public kindergarten and is contemplating incorporating one in their public school system. Mrs. Granger spoke of her experiences in ten years of kindergarten teaching in the Durham public schools.

Mrs. Ben Lang was guest of honor at a birthday party held at her home recently. Helping to celebrate were her daughters Mrs. Ted Gooch, Mrs. George Lowery and Mrs. Lewis Tuttle, and her grandchildren Patty Lowery and Gordon Tuttle.

Mrs. Robert Blickle was guest

of honor on her birthday Saturday night at the home of Mr. and Mrs. Marvin Davis. Attending the birthday supper were Mr. and Mrs. Robert Blickle and daughter Katrinka, Miss Myra Davis of Durham and Mr. and Mrs. Marvin Davis and son Marvin, Jr.

Recently while sliding Ernest Averill, Jr., age 6, son of Mr. and Mrs. Ernest Averill of Mast road, had an accident and knocked out his two front teeth and cut his lip. He was kept out of school for several days.

Mike Menter and Herman Keniston have started drilling the well at the fire station which the Lee Fire department auxiliary recently voted to finance.

The Police Chief and Fire Chief recently exercised their ingenuity when a foolhardy kitten climbed to the top of a towering tree and refused to be coaxed down by her worried family. When two Yankees get together, there's hardly a problem that can't be solved as was demonstrated to the delight of the kitten's owners, Jay and Jennifer Hull.

We are sure that Jack Hull's many friends and neighbors will be glad to know that he is in satisfactory condition after a most serious and delicate brain operation last Tuesday. As he will be spending some time in the hospital, we are sure that he would appreciate cheerful cards to keep up his morale. His address is Room 551, Pratt Diagnostic Hospital, Farnsworth House, Harrison Ave., Boston, Mass.

ZWERCIAN SINKS ANOTHER

Pictured above is action in last week's P.A.A. Club game in which the locals were defeated by Chase's Market of Portsmouth by a score of 78-50. The photo shows Wally Zwercian (No. 7) moving in for a shot as Dick Caswell falls in a fast played, action packed game.

Shuffleboard Polish B.B. Team Wins 8th Game

The Polish Hall was the scene of the 4th game of the shuffleboard series which ended in a 3 to 3 split. A mid series comeback was staged by Eddie Szacik and Charlie Wajda for the P.C. against Arthur Provost and Gerry Gagne in the first game which ended in a 21-1 score in favor of the Polish Club.

2nd Game, 21-20, won by the P.C.; 3rd game, 21-16, won by the Eagles; 4th game, 21-3, won by the P.C.; 5th game, 21-18, taken by the Eagles; 6th game, 21-14, won by the Eagles.

High scorer for the P.C. was Ted Allen, Jr., with 13 points and Peter Tecce with 18 points was high for the Eagles.

The P.A.A. raced to their eighth victory of the season Sunday night belting a stubborn Rochester City Club 73-68.

The teams battled on equal terms the first half but in the third quarter the locals opened up an eleven point lead built on the sharp shooting of Zwercian, Cross and Gagnon and coasted home. Bob Gowan and Dick Caswell turned in a great game on the boards to help the scorers.

The locals face the Hampton Town Team at the N.H.S. Gym Monday, Feb. 8th at 8 p.m. and Thursday the 11th face the strong DiPrizio Lumber Club of Rochester-Somersworth at 8:00 p.m. in town. The boys are hungry to avenge a recent 5-point defeat by this outstanding club.

Blood Donors Urgently Needed To Replenish Bloodmobile Supply

Good Things Happen When You Serve — And Give Blood Through Your Red Cross.

For all the residents of Newmarket, this is your chance to help save a life by calling Mrs. Clayton Bloom, Newmarket's Blood Chairman this year, and make an appointment to donate a pint of your blood.

The Bloodmobile will visit at the Community Church on Main street for the Exeter District Chapter's Newmarket drawing on Friday, February 12 from 1:30 p.m. to 6:00 and it is hoped the response will be as gratifying as it has always been in the past.

Good Things Happen when you give, and to know that your pint of blood will eventually save a life at a critical moment is rewarding. Mrs. Bloom urges everyone to make an appointment as soon as possible so that scheduling can be spaced

in such a way the donors will not be unnecessarily detained.

Be the FIRST to call Mrs. Bloom and set a time NOW!

Boy Scout Day

Sunday, February 7 has been designated as Boy Scout Sunday. Scouts are urged to attend their respective churches in uniform with their parents, advisors or den chiefs.

PTA To Observe Founder's Day

The Newmarket P.T.A. will meet Monday, Feb. 8, in the old gymnasium of the high school and will observe Founders' Day with an appropriate ceremony.

Mrs. Betty Harclerode will supply the Founder's Day cake. The program will feature continued discussion of three of the questions which the group had voted to present for additional discussion.

Mrs. Harry Norton will serve as chairman for the question: "What is the need for as much home work as is given?"; Mrs. Betty Philbrick will lead the group in the discussion of "What is the role of the parents and teachers in disciplining the child?"

Joe Dixx's Sport Corner

By Richard Schanda

A friend of mine who lives on the shores of the Great Bay just above the Gen. Sullivan Bridge, reports that a good sized flock of Canadian Geese have been feeding on the flats just off the end of his pier. They have been there for over two weeks and as the tide rises they feed in toward shore. By now they must have the bottom of that area well picked over.

Figuring the average weight of the geese at about 9 pounds and also knowing that they usually eat one-half of their weight or about four pounds of green feed daily and the flock consisting of around 200 geese I would say that my friend, Andy should be able to play pool on that bottom by the time spring rolls around.

The fish and game department figures that about 3,002 ducks and geese are wintering in the Great Bay area. This is due to fairly mild winter we have enjoyed. Last year at this time we had the coldest winter on record since 1934 and the Bay was caught as far down as Adams' Point. The cold weather drives the wintering water fowl toward open shallow water. As the ducks and geese scatter like the winds during the winter, I like to wait until the spring broods are observed to get a true picture of next falls populations.

You readers will remember that I wrote about the wood duck nesting boxes and how to get plans to build them. One thing I forgot to mention was that these boxes should be cleaned and repaired during the winter. The state has stated that they can take care of those nesting boxes in the wild life refuges but they do not have the men available to take care of the others which are quite widely scattered. So a good deed some weekend may put several more ducks before your old shot gun. If you happen to see a wood duck box while out rabbit hunting or ice fishing, stop for a minute and clean out the old nest. Also check the bottom for loose nails. The

ducks will benefit by your actions and so will we hunters.

Have you reader's noticed the scarcity of the flocks of wintering song birds? Many people have commented on this observation and so far, no one has come up with a solution. The Federal government has been testing various poisons which are used to kill weeds, insects and other pest. They have proven that a vicious chain of events are killing many hundreds of thousands of song and game birds. We kill the insects, the birds, pick them up in turn. They then die and larger animals eat them and they usually die from the effects. This may well be the answer to the lack of birds, both song and migratory game birds. It is a known fact that over 5,000 Canadian geese were poisoned in the Kalamath Basin after a rice field was sprayed with a strong solution of D.D.T. In two hours time, there were more geese killed than the old time market gunner could have killed in 5 or 6 years. Yet conservation officials took no action to prevent this from happening again.

It is a sad way for a great game bird like the goose to go out.

Well, within two or three months we'll be heading down toward the Shoals Duck Island, the Red Buoy and all those other hot deep sea fishing spots. Next to deer hunting and bird hunting, I think deep sea fishing is my favorite sport. When you drop a line in the sea, you can never tell what you are going to bring up to the craft.

Ask brother Joe about the time he had a 50 or 60 lb. fish on outside Whale Back Light and he reeled it up from the bottom to within 6 or 7 feet of the bottom of the boat. I offered to help and, with a smile I reached for the line — which was singing with the strain. Just as my hand touched the line, it broke and glancing at brothers Joe and Frank — I

decided that it was much safer to swim back to shore. Joe still swears that I cut the line.

Want to buy a buffalo or an elk? The Bureau of Wildlife Service which runs the various buffalo and elk refuges, has put up for sale live or dressed buffalo or elk. The price alive is \$140.00 for a buffalo. Elk runs around \$100.00. These prices are F.O.B. So — if you ever want to throw a real game banquet with an old west menu, get in touch with the Bureau of Sport Fisheries and Wildlife, U. S. Fish and Wildlife Service, Washington 25, D.C. With an address that long, you had better use a king-size envelope.

Newmarket High Wins Two More

By Ronnie Griswold

The Newmarket High School Mules won their second straight game from the Exeter High Blue Hawks last Friday at Exeter by a score of 72-58. As the game started both teams were off the mark and were missing several scoring opportunities. After a few minutes the Mules hit for three baskets and went into a 6-0 lead. Exeter then began to score and the game became very interesting to the large crowd. From this point on the Mules played great ball and were leading 15-10 at the quarter.

Kustra, Byron and Sklarski opened the second quarter by scoring handily. One of the prettiest plays ever seen was when little Jerry Kustra stole the ball from big Walsh and drove down the other end of the court. The Mules were at this point really clicking and working well as a team.

Walker and Sklarski were playing very good defense and Dennis held Walsh down to a few baskets during the half. Walker kept tabs on a number of players as he played one of his best defensive games. At the quarter the Mules were leading 37-24.

As the second half started, the Mules broke fast but Walsh was hot and began to score for the Hawks. The Mules outscored Exeter in the third quarter by 18-1 and now lead 55-37. Now Szabo and Jordan began to hit for Newmarket. Nearing the end of the game Exeter had cut the Mules lead to 11 and were going all-out. With about three minutes to go the Mules put on a spree and cinched the win.

MULES — HOLY ROSARY

The fast moving Mules of the Newmarket High School defeated the Holy Rosary Crusaders of Rochester at the Newmarket Gym Tuesday night. Behind the fine shooting of Walker, Kustra and Sklarski, the Mules continued to play the brand of ball they are capable of playing. The Mules were quick to get away and were leading at the quarter 17-9.

Starting the second quarter our Mules began to hit from outside. This pace kept up for most of the second quarter. Both teams switched their defensive tactics several times. At the half Newmarket was leading 32-20.

Starting the second half the play was mostly defensive and not much scoring. The Mules were playing without the services of one of their star for-

wards who usually adds ten or more points to the final score. He expects to be in the game against Winnacunnet High on this Friday night when the Red and Black hope to break the Warrior's winning streak and gain a tournament berth in a few weeks. The subs were used during the last quarter and they did a commendable job. The Mules had a comfortable lead now and the game ended with the Red and Black out in front by a score of 55-36.

If you intend to travel to Hampton Friday night you had better get there early as a large crowd is expected.

GIRLS LOSE 1ST GAME

The Newmarket High Girls' Basketball team finally lost a game. This loss was suffered at the hands of the Exeter Girls. Grochmal and Griswold started things off for the Newmarket team while Cail and Seabrooke led the scoring for the Hawks. Exeter led at the first quarter 8-7 and at the half they were still leading 20-18. After the half our girls came back determined to win and it looked as though they could as Grochmal was clicking with those beautiful set shots. As a result the Mulettes outscored Exeter 15-12 to take the lead for the first time 35-32. In the last quarter the Mulettes seemed to lose their pep and came out on the short end 52-49. After Labranche had fouled the girls did not have the strongest defense that they were used to.

Through The Years . . .

With Mary Richardson

THE DARK DAY

Among one of the most mysterious and unexplained phenomenon of its kind, of long ago, stands the Dark Day. The darkness lasted 15 hours. It began around 10 o'clock on a Friday morning, May 19, 1780. It continued until the middle of the following night. The darkness seemed to appear first of all in the southwest and to come on with the clouds that came in that direction. The degree to which the darkness arose varied in different localities. In Newmarket, it became so dense that people were unable to read common print distinctly or determine the time of day by their clocks or their watches. Women could not see to do their housework, without the light of candles. The darkness was observed at the most easterly regions of New England, westward to Connecticut, to the southward, it was observed all along the seacoast. Candles were lighted in all the homes. The birds which were singing so happily in the morning, suddenly stopped and began their evening songs. They

disappeared and became silent. The chickens went to roost, the roosters became confused and didn't know whether it was coming morning or night, but decided to crow anyway. The cows came up to the barn to be milked.

The people of Newmarket were sure that the end of all things was at hand. They gave up their secular pursuits and held prayer meetings. Many believed the darkness was a sign of God's anger against the sins of the age, and also an omen of some future destruction that might overwhelm them — as in the case of the countries mentioned in Biblical history — unless they repented and reformed. The Christians were sure that the Lord was coming as He had promised and they joyfully awaited Him.

Prof. Williams of Harvard college collected some data regarding this phenomenon. It seems that in many sections of New England — before this Dark Day — the air seemed to be of a smoky and vaporous character. The sun and moon showed an unusual redness. The complexion of the clouds was compounded of a faint red, yellow and brown — that during the darkness, objects which were green, were of the deepest green, verging to blue and those which were white, were highly tinged with yellow.

In some places there were thunder showers around eight o'clock. The rain water was of an unusual texture. It was thick, dark and sooty. On examination, the water was found to have a light scum, which, when rubbed between the fingers, looked like the black ashes of burnt leaves. The water and the air both gave the same strong sooty smell.

The darkness was greatest at 12 noon. In the street, the as-

Pauline Stevens Engaged To Theodore Cichon

Mr. and Mrs. John A. Stevens of Newmarket, announce the engagement of their daughter, Pauline Stevens, to Theodore Cichon, son of Mrs. Louise Cichon and the late Albert Cichon of Newmarket.

Miss Stevens is employed at the New Market National Bank, and her fiance is employed at the Sprague Electric Co., in Concord, N. H.

LOIS JEANETTE ROLLINS WED IN DOUBLE RING CEREMONY

Miss Lois Jeanette Rollins, daughter of Mr. and Mrs. John E. Rollins of 15 North Main street, became the bride of Kenneth Michael Toland, son of Mr. and Mrs. Frank M. Toland, 50 Elm street, Newmarket at a ceremony performed January 24, at 1:30 p.m. in the Community Church. Chaplain Donald Donica officiated in the double ring ceremony.

Given in marriage by her father, the bride wore a white balerina length gown of chantilly lace with a fitted bodice, sabrina neckline, full skirt with white applied lace rose panels, and long sleeves ending in points at the hands. He veil of silk organza was caught to a pearl crown. She carried a bouquet of pink roses with ivy foliage.

Miss Barbara Jenness, friend of the bride was maid of honor. She wore a royal blue silk full skirted dress with a fitted bodice and a headband of winter white flowers and veiling. Her corsage was of pink rose buds.

Victor Loranger, brother of the bridegroom, was best man. Bradley Rollins and John Rollins, brothers of the bride, served as ushers. Organist was Mrs. Maurice Plaite.

Following the ceremony, a reception was held at the home of the bride's parents where a buffet style lunch was served to 60 guests and a 3-tier wedding cake was cut by the bride.

Miss Alice Elliott presented the guest book. Assisting with serving were Mrs. Florence Vergson of Newmarket and Mr. and Mrs. Robert Eaton of Kittery, Maine.

Mrs. Toland, mother of the groom wore a silver metallic sheath gown, with black acces-

sories and wore a corsage of pink rosebuds.

Mrs. Rollins, mother of the bride, wore a royal blue sheath, matching shoes, white feather clip hat and white accessories. Her corsage was of pink roses.

Mrs. Toland attended Portsmouth and Newmarket schools and is a member of the Order of Rainbow for Girls, Exeter Chapter. Mr. Toland attended Exeter schools and is employed at the Gallant Manufacturing company.

For her wedding trip to the White Mountains, the bride chose a black sheath dress with black and white accessories. She wore a grey coat with a corsage of pink roses.

The couple will make their home at 181 Main street.
