50th Anniversary Of Lamprey Aerie

By Arthur J. LaBonte

May 19th to 22nd inclusive are the dates to be remembered by all Eagles in this vicinity because Lamprey Aerie #1934 will celebrate its Golden Anniversary.

At the beginning of this article, it certainly would be appropriate and very interesting to mention a few facts concerning the origin of the F.O.E. (Fraternal Order of Eagles), founded in 1898.

"The story of the Eagles is a story of fraternal crusading. There is something about the Fraternal Order of Eagles that is different and distinctive, something not to be found in any other Order," an Indiana congressman once observed.

Other fraternal orders promote good fellowship, do good deeds, provide death payments and other benefits for their members. But the Eagles go further than that. They reach outside their own ranks to fight for the welfare of all.

Since February of 1898, when the Order was founded by six theatre owners in a waterfront shipyard in Seattle, the Eagles not only welcomed the average man as a member, but fought for his right to a life of dignity and self-respect.

To call the roll of early Eagle crusaders — for a Workmen's Compensation Act, Mothers' Pensions, Old Age Pensions, Social Security Laws and "Jobs after 40" — is to know what the Hoosier congressman, Louis Ludlow, had in mind when he said of the Order, "It reaches out and tries to help in solving the distressing and difficult problems of human relief."

As the late Franklin D. Roosevelt suggested, these Eagles crusades are a continuing program. "The pen I am

presented to the order is a symbol of my approval of the Fraternity's vision and courage," said F.D.R. when he signed the Social Security Act on August 14, 1935, and gave the pen he used to the Eagles. "May its possession inspire your members to rededicate their efforts and those of the fraternity to the insuring of such economic and political conditions as will bring a greater degree of happiness to our people."

February 6th of each year, anniversary of the founding of the Eagles — is a road marker, pointing the way to the future as well as commemorating the progress that we have made. To Eagle programs of Old Age Security, Cancer Research, Faith Brotherhood must be added resolute Eagle support for

TO REPRESENT BOY SCOUTS AT JAMBOREE

John Willey, son of Mr. and Mrs. Ralph Willey of Maple street has been selected to represent Scout Troop 200 of Newmarket at the 50th National Jamboree at Colorado Springs, Colorado, July 22nd to July 28th.

A committee of judges consisting of Roy Kent, Raymond Brisson and Edward Tourigny selected his essay this week. Entries were numbered and selection was made on the basis of ability, sincerity and scouting knowledge.

In preparation for the Jamboree, John will spend three days of training at Camp Carpenter before departing by bus with other N. H. scouts.

Enroute the boys will visit Syracuse, N. Y., Niagara Falls, Detroit, Chicago, Omaha, Sterling and Denver, Col.

At Colorado Springs, the N.H. delegation will join 5,200 to 5,500 boys for a 6 day camping period.

The scouts will return by a different route which will include a visit to Washington, D.C. and New York City.

Each boy is determined to derive full benefit from this experience and is prepared to give his home troop instruction in the training and new skills learned there.

Following is the prize winning essay submitted by John Willey:

What Scouting Means To Me
Scouting has helped me to

become better acquainted with many boys, to get along, to share, and to work together as a group. In scouting we learn to do many different things, which we would not learn otherwise, such as tying knots, learning to put up camp, preparing pits for outdoor cooking, and all the arts that goes into outdoor living. We learn first aid and how to act in all types of emergencies. Everything we learn in scouting will always be useful in our lives. On camping trips we meet boys from different communities, make many friends and have a great deal of fun.

I am a star scout, I have been in scouts for three years. I have held office of assistant patrol leader, patrol leader, and I am now senior patrol leader. I am an active member of the Order of the Arrow, which is an honor society of campers dedicated to helping others. I was selected by members of our troop, was tapped out, and went through the ordeal that was held at Camp Carpenter last August. I have gone to

Seniors Compete In Drama Festival

Members of the Senior Class will again compete in the New Hampshire Drama Festival at the University of New Hampshire, April 1st and 2nd.

"The Boor" by Anton Chekhov, a one-act comedy will feature seniors William Hawkins, Evelyn Hamel and William Dawes. Robert Blouin and Richard Littlefield will assist in the stage crew.

A public performance of the play was presented last Tuesday at the high school gymnasium.

Selectmen Make Appointment To Police Force

Last night the Newmarket Board of Selectmen appointed John C. Jordan, 30, of 33 Bay road, to replace officer Bill Ball whose resignation from the police force becomes effective soon.

Last night the Newmarket Board of Selectmen appointed John C. Jordan, 30, of 33 Bay road, to replace officer Bill Ball whose resignation from the police force becomes effective soon.

Jordan is married and the father of four children and has

been a resident of Newmarket all his life. He attended local schools and was selected from a group of eight candidates.

The other candidates were: Ray I. Burrows, 32, of Packers Falls road, Durham. Burrows is married and has one child. He has been connected with the Durham Police Dept. for four years and now is a full time police officer in Durham.

Frederick H. Deogonyoun, 40, 2 Pine street, Newmarket, has had 8 years military police experience, is a decorated veteran of World War II. He is married and has no children.

John E. Bentley, 25, of Ash Swamp road, single.

Edward G. Chapman, 35, Blake road, West Epping, married and has 3 children.

Edward C. Graziano, 22, 11 Prospect street, Exeter, married and has 2 children. He is a veteran of World War II.

Louis E. Lambert, 44, Lee, married and no children.

Albert T. Pettingill, 24, 15 Lamprey street, Veteran of World War II, married and has 2 children.

C.D. Aux. Police Begin Training

Members of the Auxiliary Police Unit met Monday night in the Civil Defense office at the town hall to begin the first in a series of training sessions on traffic control. The most effective methods of setting up road blocks and re-routing traffic were explained, with simulated road conditions indicating major fires and accidents used to add realism to the problems presented the group for effective solution.

Rules and regulations drawn up at a previous meeting were presented and accepted by the Unit. Uniform jackets and other similar items were also distributed.

Anyone interested in becoming a member of the unit may signify their willingness by presenting a written application to Bill Cote, unit secretary.

The next training meeting will be held April 11 at 7:30 p.m., at the Civil Defense Office.

making democracy work and helping freedom ring 'round the Youth Guidance and Inter-world. For Eagledom, more than anything else, is a dream — the dream that ordinary men and women everywhere are entitled to and shall enjoy the right to life, to liberty and to the pursuit of happiness with some reasonable chance of catching up to it in their lifetimes.

In Newmarket the F.O.E. was first organized on November 21st, 1910 under the first President, the late well-known William P. Haley, with a remarkable young group of 57 candidates.

Today — 50 years later, the Aerie has nearly 300 members-in-good-standing and is progressing rapidly. In this year of 1960, only 4 Charter members are still among us; Joseph A. Brisson, Rosaire Turcotte, John A. Edgerly Sr. and Napoleon Emond. To these 4 pioneers of 1910 Aerie #1934 extends heartfelt congratulations for all Eagles are well aware that this 50th Anniversary is especially theirs and very dear to their hearts because of a half-century of activities. It brings back memories of many treasured things. With the help of God, may it grow even dearer in the future. May every coming year bring happiness and joy in their future activities, especially during the coming four-day celebration in May.

The committee in charge is working hard to make this event the best and most memorable in this small community.

News From St. Mary's School

Grade One

Our Spelling Matches are really exciting. Last Friday we had one that went five rounds. The champs were: Janie Beaulieu for the girls and Stephen LaRocca for the boys.

We are now working hard to make our own Easter Village in our class. It has many houses, trees, bunnies, chicks and of course, easter eggs.

Grade Two

We have tried to make our own reports this week. Jeffrey,

dolph LaBranche, past president, Harry Doucette, Edward Rensulla, William Gendron, Richard Renzulla, Charles M. Reardon, Richard H. LaBranche, Joseph S. Dostie, Raymond G. Beaulchesne, Robert Audette, Kenneth H. White Jr. and Everett L. Johnson.

At the request of the Worthy President John A. Schanda, a drive will be on for new members from Sunday, April 3rd to Sunday, May 15th.

The F.O.E. wishes to extend the privilege of new membership to all worthwhile citizens of this town and those of surrounding communities.

As previously announced in this wonderful and interesting paper, our quota is 2 new members a month, which means that at least 24 new members a year should boost our ranks in order to keep the fire burning and the ball rolling. So join now. We hope these few comments will help to persuade a large group of new candidates for a big class initiation—winding up our 50th Anniversary, Sunday, May 22nd at the Eagles Hall.

Maureen and Shelley report as follows:

We sent a "sunshine basket" to Freddie Call, one of our classmates, who was hit by a car recently.

We had a speed test in numbers the other day. It was a two minute test. Some made it in one minute.

We have been studying about famous men in History.

In science we studied about magnets. Some children brought in different kinds of magnets to show the class.

Grade Four

The Spelling Champions for this week are: Theodore Sharples, Janice Blanchette and Paul Zambella.

We are now studying about Alaska in our Social Studies.

We had a big review in Arithmetic. The test was on two-step problems and division by two-number divisors. We enjoy Arithmetic very much because we studied our multiplication and division tables very well in the Third Grade.

Grade Five

We have been studying planets, stars, the moon and the sun.

Some boys brought in various illustrations pertaining to science and talked about them.

They were: Raymond Cardin, space station; Paul Ducharme, Thor-thorable; Christopher Bargiel, Jupiter "C" missile and the George Washington Nuclear Sub.

We also made a project about the customs of the Pueblo Indians.

Grade Seven

We have been trying to make poems for the Poetry Contest sponsored by the C.D.A.

In the recent Spelling Bee between the seventh and eighth grades, Peter Hamel and Roxana Tourigny were runners-up.

Peggy Shorey and Leslie Sargent decorated the bulliten board for St. Patrick's Day.

We now have forty new desks and chairs for which we thank our Pastor most heartily.

The boys of this grade who attended the New England High School Tournament for basketball at the Boston Garden were Jerry Eickholt, Raymond Gagne, Larry Bealieu and Robert Bosinger.

Local Scouting Organization Gets Service Club Support

The Newmarket Service Club met Monday night at the Center Spa and voted a \$50 contribution to assist in sending a Newmarket Scout, selected by a troop committee, to Colorado Springs for the 50th annual Jamboree of the Boy Scouts of America. By its example, the club hopes to encourage other public spirited groups and citizens to help raise the sum of \$300 necessary to cover expenses for the boys trip.

This boy will represent Scout Troop 200 of Newmarket at the National Jamboree. Troop 200 is sponsored by the Newmarket Service Club Inc. The cost of sending a scout will be \$300. Anyone wishing to contribute to this fund may contact Donald Mullen at the New Market National Bank. Any contribution, no matter how large or small, will be greatly appreciated.

The Service Club also voted a \$100 donation to support the activities of Troop 200 which it sponsors as a project.

After the meeting, Attorney David Sanderson of Portsmouth spoke on "Adventures in Rock Climbing", illustrating the account of his experiences with colored slides and displaying pieces of equipment used in climbing.

Work Parties To Be Held By Fireside Forum

The Fireside Forum of the Community Church met in the church vestry and planned a series of work parties to clean up the vestry. The first will be held Sunday, April 10th, for the purpose of cleaning, papering and painting the apartment in the parsonage.

Plans were discussed concerning the coming opening of the Thrift Shop in the old kindergarten room. Dr. Irving Brown urged members to encourage active participation and interest among other parishioners in supporting the coming canvass for the support of the church.

Frank Schanda of the Macallen Company spoke and described the properties and uses of mica and explained the variety of products manufactured by the concern. He also displayed several examples of finished products made in Newmarket.

Refreshments were served by Mr. and Mrs. John Carpenter and Mr. and Mrs. John Nesbitt. The next Forum meeting will be held at the home of Mr. and Mrs. Roy Kent.

Hospital Patients

Mrs. Alice Dawes of Langs Lane, Mrs. Ruth Brady of Lee road, Romeo Lemieux of Nichols avenue, Miss Kathleen Bascom of Railroad street and Mrs. Marion Waldron are all presently at the Exeter Hospital.

TO HOLD CARD PARTY

A whist party to benefit the American Legion Auxiliary will be held Sunday, April 3, at 7:30, at the home of Mrs. Anna Wadja, 2 Packers Falls road.

Mrs. Helen Levesque will be the hostess.

What have you to live for?

This question was asked of several thousand people by a noted psychologist, and the replies to his inquiry shocked him intensely.

About 94% of those questioned admitted that they were merely enduring the present while waiting for happiness to "happen" at some indeterminate time in the future. They were waiting for children to grow up; waiting until they could afford a new car or a new home; waiting until they could take a hoped for vacation; waiting for somebody to do something for them; or waiting for a change in the routine of their lives. They were waiting for tomorrow without realizing that all a person ever has is today, because yesterday is gone and tomorrow is not here.

Recent Births

Mr. and Mrs. Michael La-Rocca have a new baby boy born this week at the Exeter Hospital.

Mr. and Mrs. Peter Dantzer of Beech street are parents of a boy born at Exeter.

The forerunner of our modern playing cards is the Tarot deck which dates from the fourteenth century. Still used in the Mediterranean region, primarily for fortune-telling, it consists of 78 cards, which include an extra jack in each suit and 22 others, representing forces affecting man — sun, lightning, justice, and so on.

Home Ec Club Decides Project

The Home Economics Department met at the home of Mrs. Raymond Brisson, with Miss Rena Young, chairman, presiding. It was decided to adopt the Brentwood County Home as a department project with each member to collect items of suitable crafts material readily available at home, such as wool scraps, bits of yarn, crochet hooks and knitting needles, all suitable for use at the occupational therapy program conducted at the home.

Following the business meeting refreshments were served and the hostess brought in a birthday cake decorated with four rosebuds in honor of Miss Rena Young who had recently celebrated her 84th birthday.

TO REPRESENT SCOUTS

Camp Carpenter for the past two years, and learned a great many things there. I have received the Ad Altare Dei Catholic Religious Award. My aim for the coming year is to attain the rank of Life Scout and to earn the Fiftieth anniversary achievement award.

I would like to go on this Jamboree, because I will be able to visit many important cities of the United States. I will be able to get acquainted with boys of all races and creeds, find out their way of living, and how they do things in their own countries. If I am selected to go to this Jamboree it will be the greatest four weeks of my life. It will be a great pleasure for me to share this experience with my fellow troop members upon my return.

MISS RENA YOUNG FETED AT SURPRISE BIRTHDAY PARTY

The American Home Department carried out plans made at their last regular meeting, assembled as per schedule and arrived at the home of Miss Rena Young on Colonial road fully prepared and intending to surprise her on her 84th birthday. The timing was perfect!

Miss Young was happily surprised at the arrival of unexpected guests to celebrate her special day. Present were Miss Young, her sister Miss Jeannie M. Young, Mrs. Nellie Zuk, Mrs. Mary Abbott, Mrs.

Betty Gowen, Mrs. Mildred Cashman, Mrs. Isabelle Dearborn, Mrs. Betty Philbrick and Mrs. Trudy Gielar.

The florist arrived with a bouquet of spring flowers. The cake made by Mrs. Gielar was cut and ice cream served. The guests lingered to chat with the hostess and benefit from reminiscences of the Newmarket of past years — its people and their stories.

Biddy Basketball is fast becoming a favorite sport at Oyster River. Six teams have been organized amongst the 4th, 5th and 6th graders under the direction of the Durham Youth Association and in cooperation with the Oyster River Elementary School. George Bamford is chairman with Bill Olson acting as head coach. Other coaches are Thomas McAdam and John McCann.

This is the second year the PTA has sponsored exhibition games. The response has been so enthusiastic that it is planned they will remain an annual event. Tickets cost only 50c for adults and 25c for students, in return for which the spectator receives an exciting evening's entertainment. This year the PTA realized \$56.25 which was ear-marked for the benefit

of the child guidance committee.

Three games were played at the exhibition. In the Minors, made up of 4th and 5th graders, the Red team topped the Blues, 11 to 8. At the 5th and 6th grade level, the Golds won over the Reds, 16 to 14 and the Greens won 8 to 6 over the Blues. Philip Davis was in charge of the scoreboard, Billy Olson was score keeper and the officials were Steve Bamford and Sam Price.

The Robert G. Durgin Post No. 67 of Newmarket will hold a regular meeting on Monday, April 4 with the following special attractions:

The Longevity Cards in the 5, 10, 15, and 20-year classes will be given out by the Department Commander who will be present with us this evening. Look at your 1960 dues card and if your consecutive membership is one of these, please be present to receive your card. There are quite a few of the 15-year cards to be given out.

Another special event will be the nomination of officers and you should be interested in this. Good officers are an essential prerequisite.

The 50/50 Club drawing will

also take place this evening and who knows — you might be a winner. Also the regular jackpot which is drawn every meeting night is well over \$30.00.

EXTRA SPECIAL: There will be a dinner served to all paid-up members starting at 7:00 p.m. sharp and will cease at 7:30 sharp. Don't come up at 7:30 and expect to get served as the kitchen committee, under the direction of Robert Ferland, is going to do a good job and they are entitled to attend the meeting which starts at 8:00 p.m. There will be no charge for the supper unless you are in arrears for your dues and then the charge is \$4.25 — for your 1960 dues. We should have a large showing present.

Come early and watch the Shuffleboard get a going over. Yes, we have a few well-meaning SHARKS at it.

At the recent district meeting the district showed a membership of 3,145 or about 95% and just a few more could make us 100%. How about giving us a lift and help our Commander who is the District Vice Commander, and up for election as District Commander. We need all your cooperation.

Friday, April 1st, there is an installation at Farmington and April 2nd, one in Seabrook.

Neighborhood Commission Attends Cub Scout Pack 201 Meeting Here

Wilford Stires, Neighborhood Commissioner attended the recent meeting of Cub Scout Pack 201 to conduct a Roll Call and inspection. Stires gave the local Cubs a rating of 92.5% and remarked that such an excellent percentage is most unusual for a group with less than a years experience.

Bruce Hodsdon of Den 4 was awarded his Bear Badge.

The theme for the month of March being "My Home State", the cubs of two dens presented a program dealing with familiar areas of their native state.

Den #2. Mrs. Jeanette Turcotte, den mother featured the individual boys, each explaining a different aspect of the state. John Otash described his trip through the White Mountains. Paul Zambella's dealt with the state flower, the lilac and apple orchards which produce a principal crop. Edward Turcotte stressed the familiar resort and recreation areas. Arthur Miesowicz spoke on "Profile Lake".

County Agent Meets With 4-H Mules

The 4-H Mules met recently at the home of club advisors Mr. and Mrs. Kenneth Anderson. Harry Knox, County Club Agent, was present and encouraged each of the members to attend the annual Rec Rally at Exeter, April 1st.

This annual event features sports, games and swimming. Following the business meeting, Kenneth Anderson continued instructing members in the fundamentals of electricity.

Den #3. Mrs. Helen Mitchell, den mother, and Bob Albee, den chief, presented a dramatized version of a N.H. folk tale. The "Story of a Hopkington Farmer" with Frank Toland as the farmer, David Schmeer and Gary Rodrigues as the two sons, Richard Schanda, Philip Mitchell and Kenneth Anderson as the bears. Bob Albee served as narrator.

The theme for the month of April will be "N. H. Lakes".

Pictures taken at the Cub Scout Blue and Gold banquet are still available to any interested parents, and may be obtained by calling Ronald Filmore.

Rev. Blanchard Conducts Service

The Rev. Mr. Myles D. Blanchard conducted the service at the Community Church last Sunday. At the conclusion, John Dodds, chairman of the Pulpit Committee, conducted the balloting by the congregation, with the majority in favor of accepting the candidate as pastor. At the conclusion of the balloting, Phillip Mitchell served as moderator of the church meeting. The church budget, presented by Dr. Irving Brom, Jr., was accepted.

Municipal Court

Paul R. Couture of Dover appeared in municipal court before Judge Russell H. McGuirk last Saturday, charged with speeding. The court refused his plea of nolo and found him guilty. He was fined \$15.

NEWS FROM LEE . . .

By Mrs. Lloyd Stevens

Warden's Meeting

Forest Fire Warden L. F. Stevens and deputies Gilman Menter, Carl Sanders and Aaron Chadbourn attended the Warden's and Deputy Warden's Training Meeting held at the Durham Fire Station last week. Richard Diehl, Fire Control Assistant spoke on "Fire and Fire Behavior", Winthrop Hananford, District Chief of District #1 spoke on "Presuppression, Planning and Prevention" and Robert Smith, District Chief of District #5 spoke on "Local Administration."

Jeremiah Smith Grange

In keeping with a program on education, Miss Esther Gar-

rity, lecturer, presented an old-fashioned spelling-bee at the recent meeting of the Jeremiah Smith Grange. Miss Alice Dudley and George Hill were captains with Mrs. Carl Sanders giving out the words. Winner of the contest was George Hill.

The Grange voted to entertain Great Bay Pomona Grange on April 21. Charles Brady reported \$100 was realized from the recent banquet put on by the Grange for the Strafford County Guernsey Breeder's Association. One application for membership was presented. There were 22 members and three visitors, Deputy and Mrs. Frank Foster from Rochester, and Brother King from Parker Mt. Grange in Strafford, present.

An additional committee was appointed to work with the kitchen improvements, the dig-building committee to planing of a well and the painting of the inside of the Hall. It was also decided to have asbestos insulated siding installed on the Grange Hall following a talk on advantages and cost of same by Mr. King.

The youth committee with Mrs. Arthur Pratte as chairman will have charge of the program and refreshments at the next regular meeting.

Dog Owners, Attention!

A special plea is extended to dog owners to obtain licenses for the current year. Although

the law stipulates May 1 as the due date, licenses are now available at the Town Clerk's home and purchase of same would save needless collections by the Dog Officer later on. All dogs over three months of age must have a license. Your cooperation in this matter would be greatly appreciated by all concerned.

Lee School Report

The Oyster River School Board accepted the low bid of Harkness and Hill, Inc. of Boston, at a special meeting on Tuesday evening. Superintendent Brunelle and School Board Chairman Fred Allen were present at the opening of the bids for the \$290,000 bond issue for the Lee school at the National Shawmut Bank in Boston last Tuesday morning. The interest rate is 3.6%, bonds to be paid back at \$20,000 per year from 1961 to 1973 and \$15,000 for 1974-1975.

Principal Thomas McAdam had announced the following teachers will be teaching at the Lee school next year: Mrs. Ralph Granger, kindergarten, Mrs. Paul Lohnes, grade one; Mrs. Daniel Palmer, grade two; Mrs. Philip Sawyer, grade three and Mrs. Benjamin Richardson, grade four.

4-H News

The regular monthly meeting of the Lee Hill 4-H Club was held Thursday evening at the Town Hall with Joan Chadbourn presiding. Following the opening ceremonies, demonstrations were given by Tom and Bill Allen on procedures on taping and measuring cattle. Sally Willard of the Lee Riders demonstrated correct methods of caring for a saddle and Dianne Wenant previewed the vocal selection she presented at the Strafford County Talent Show. Prof. Loring Tirrell of UNH, nationally known live-

stock judge, spoke to the group on "The Importance of Little Things" in the raising, fitting and showing of livestock. Refreshments were served by Dianne Wenant and Judy Warrnock to the 61 members and 19 guest and leaders present.

Dr. Owen Stevens of South Berwick, well-known veterinarian and authority on horses, was guest speaker at a joint meeting of the UNH Riding Club, The Rochingham Riding Club and the Lee Riders (4-H) Saturday evening at the Memorial Union in Durham.

Personals

Mr. and Mrs. Edward Kelly were weekend visitors at the home of Mrs. Kelly's parents, Mr. and Mrs. Lawrence Hill.

Mr. and Mrs. Marvin Davis and son, Marvin Jr., attended the recent New England Home Show which was held at the Boston Armory.

Mrs. Charles Woodward recently returned to her home on Mast road following a week's stay at the Portsmouth Naval Hospital as a surgical patient.

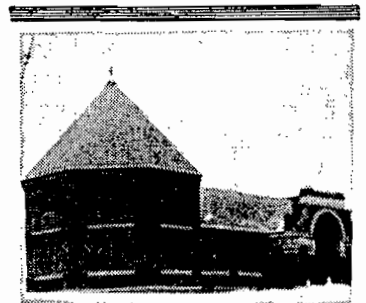

Mr. and Mrs. John Knabenschuh and family returned last week from Guilford, Conn., where they attended the funeral of Mr. Knabenschuh's grandfather.

Lee Congregational Church

The Ways and Means Committee of the Lee Church met Monday evening at the home of co-chairmen Miss Esther Garrity and Mrs. Katherine Jones. It was decided to hold a Baked Bean and Ham Supper on April 23. The committee has started seven traveling food baskets circulating around town.

Lee Community Club

The Lee Community Club will hold its annual Guest Night on April 6, Wednesday at 8 p.m. Speaker for the evening will be from Pease Air Force Base. Hostesses are Mrs. Guy Angell, Mrs. Elizabeth George and Mrs. Sam Taylor.

BETWEEN The BOOKENDS

Mary Gordon, Librarian

National Library Week will be observed April 3 through the 9th, 1960. The slogan "Wake Up And Read."

NLW was inaugurated 1958 under the auspices of the National Book Committee, a non-profit citizen's organization, devoted to a wider and wiser use of books, and will be observed in more than 5,000 communities in all 50 states.

The events of NLW have many values, one, the need for a "better read and better informed America," so visit your local library not only during this period, but also in the future.

The 5th and 6th grade pupils, under the supervision of Mrs. Mildred Rooney, and Mrs. Ruth Robie have made posters, with the slogan, "Wake Up And Read" as the theme.

Five high school students have written short essays on "Why I Like To Read" and the 8th grade pupils of St. Mary's have made book marks.

Three judges for each project will select the winners, and a small prize will be presented to the winners.

All of this material will be on exhibition at the library for public is cordially invited to the week of April 3-9, and the see the work of our school children.

Sportsmen and parents should keep a close watch on the condition of the ice on the local ponds and rivers. It has softened up quite a bit during the last week or so. This time of year usually claims many victims due to thin ice. Many of these drownings occur when fishermen try to launch their boats in small patches of open water which are usually bordered by thin rotten ice. A nice big salmon looks good to a fish-

erman if the price is right but price should not be your safety.

Congressman Chester E. Merrow reports that the Federal Government is planning to locate a sea water conversion plant in or around Portsmouth. This plant will convert sea water to fresh drinking water through a fairly new freezing process. You may wonder what this has to do with fishing and hunting so I'll try to explain.

In the Boom years since the second World War, this country has grown so rapidly in population that along with heavy industries, we are rapidly draining our natural resources.

Water, one of our most valuable natural resources seems to be the most affected. The towns, cities and state agencies are setting more and more restrictions on our rivers and ponds. No fishing or boating signs seem to spring up over night. This, of course, is necessary to protect our drinking water. If this new type water plant, using sea water, proves itself we may see most of these restrictions lifted in our generation. To turn our ponds and rivers back to nature and the public is goal of most government agencies.

The N. H. Fish and Game department has released its preliminary report on ten-year grouse population. It seems that the department found out that the wing and tail collections which they tried did not give the true picture of the partridge population. The department found that the most effective way to check was to keep an eye on the spring mating season. If the weather is good and nesting conditions favorable, the population goes up. It seems much simpler, and less expensive to use the new method.

A friend of mine once said that the so-called Grouse Cycle has been on the downward

trend since he was a young boy and he would like to know when it was going to start up the other way.

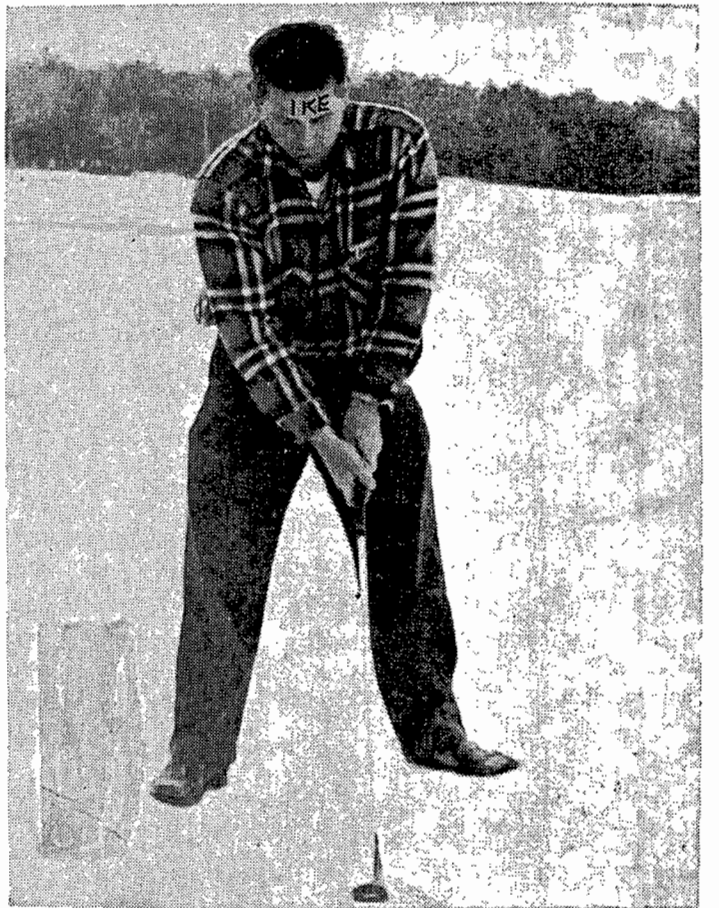

I expect to receive some information on the new Federal Boat Tax, which is in the form of a stamp and you must purchase if you have a 10 h.p. or larger motor. Hold off until next week for the straight dope.

Now is the time to wet a dip net for our own Great Bay smelt. Try the incoming tide after dark and remember, you need a fishing license and stamp. Also don't dip over 40 pounds in any one night and if you do dip 40 pound, run right up and get me, for 40 pounds of smelts haven't been dipped out of the river for years.

A rare fisher was sighted by Earl Bergen last Sunday up near the old race track. The animal was described as jet black, similar to a black fox in body structure with a small head and long bushy tail. If it was a fisher, this is the first sighting in this area and an indication of a real bad winter up country. These animals need a large food supply to survive and when they leave stretch of woods, they leave it bare of most game partridge, rabbit, coon, squirrel and even porcupine which make up this animals diet.

If you run across a fisher, don't pull down on him for the State protects this rare critter.

Mules Begin Baseball Practice

By Ronnie Griswold

The Newmarket High School had its first baseball practice in the gym last week. The boys are now getting their arms in shape for the coming season and also doing a little running around.

Showing up for the practices were: Pete Jordan, Frank Szabo, Roger Gagne, Gerard Pelletier, Jerry Kustra, Ronnie Griswold, Skip Marden, Huck Ginn, Alfred Hill, Eddie Williams, Dick Littlefield and Johnny Willey.

The field is not ready yet, so the team are throwing out in the parking area. They hope the field will be ready soon so that they can start practicing their hitting, fielding and running.

The new coach, Mr. Mooney, is replacing Mr. Crotty who left N.H.S last year.

Complete Plans For Golf League

Mrs. Toni Albee entertained officers of the Rockingham Country Club Womens Golf League last Thursday. Plans for the coming season were completed, with members of the League scheduled to begin play May 19.

The annual Kick-Off dinner has been planned for Thursday, May 12th and will be a smorgasbord at the Exeter Inn.

The group extends an invitation to any interested women in the area to participate in its activities during the playing season. Information may be had by contacting any of the

League officers; Mrs. Toni Albee, president; Mrs. Beatrice Haley, secretary; Mrs. Doris Paradise, treasurer; Mrs. Lorraine LaPoint, greens committee chairman; Mrs. Irene Valiere or Mrs. Doris St. Amour.

Stamp Collectors News

by Mrs. Ione Kent

Who says that all glamour of rare stamps and high prices only existed in the past? A single Canadian Seaways 5c stamps with center inverted just brought at a sale on March 4th, 1960, the sum of \$2,000. It was the first copy sold in the United States and was bought for a mid-west philatelist.

If such a price can be obtained when more similar stamps exist, the price on last year's find of an inverted Kenya stamp may become fabulous. A boy found the stamp among his foreign stamps. The picture of Owens Falls Dam is upside down while the portrait of Elizabeth II and the wording are right side up. This stamp was shown at the recent Interpex. If others like it do not exist this boy will own a very valuable stamp.

(1) What emblems are included in the "squared" circles of the Seaway Commemorative?

(2) How many men in the design of the Silver Centennial?

Answers to these two questions will be found in next week's article.

Lee Club Member Channel 11 Guide Wins 1st Prize In WENH-TV 4-H Talent Show

Dianne Wenant of the Lee Hill 4-H Club, won first prize at the Strafford County 4-H Talent Show held Saturday afternoon at Putnam Hall in Durham. Miss Wenant, whose vocal selection was Theme from a "Summer Place", is now eligible to enter the state 4-H Talent Show to be held June 20. The Talent Show was held in conjunction with Demonstration Day for all the 4-H Clubs in Strafford County.

Three other Lee Hill members received A ratings for their demonstrations. Sam Allen demonstrated lubricating farm machinery, Joan Chadbourn showed how to bandage a horse's leg and Peggy Ninde demonstrated how to decorate a horse's browband.

Other members, working in pairs, gave demonstrations in the Foods Unit of the Lee Hill 4-H Club. These demonstrations were held at the St. Thomas More Church in Durham, under the direction of leader Miss Jayne Boynton. Demonstrating "How to Pack A Lunch" were Marlene Schroeder and Valerie McCellan and Margaret Woodward and Karen Fowler. Marina Marelli and Joan Woodward demonstrated "How to Measure Accurately." Miss Jayne Boynton, leader, also gave a demonstration on "Coffee Drinks For The Coffee Break."

Leaders for the active Lee Hill 4-H Club which numbers over 60 members are Mr. Ralph Granger and Mrs. L. O. Wenant.

Card Party Aids Easter Seal Drive

A whist party with the proceeds to benefit the Easter Seal campaign for Crippled Children was held at the home of Mrs. Anna Wajda, Newmarket chairman, at 2 Packers Fall road, with 13 tables in play.

First prize winner was Mrs. Mary Pepek. Other winners included Mrs. Alice Rousseau, Mrs. Celia Fillion, Wilfred Fontaine, Mrs. Rose Houle, Charles Wajda, Mrs. Irene Vidler, Robert LeGault, Mrs. Helen Silver, Miss Nicoletta Urbano, Mrs. Helen Burke, Mrs. Helen Proulx and winner of the consolation prize, Mrs. Catherine Sopel.

Drawing: Mrs. Tillie Gazda, with special prizes going to Mrs. Stella Smas and Roselyn Bargiel.
