Basketball Squad To Be Feted

Plans are being made for the Fifth Annual Basketball banquet honoring the Newmarket High School basketball team who are Southeast champions this year. The team also gained the semi-finals in the State Class M Tournament.

This testimonial is being sponsored jointly by the American Citizens Club of Polish Descent, the Fraternal Order of Eagles and the American Legion.

Plans call for the banquet to be held on Sunday, April 30 at 2 p.m. at the Polish Club Hall. Tickets are now available at the club rooms of the sponsoring organizations.

Donations have been made by all the local manufacturing establishments and the merchants which will help this affair to be a big success. Those who wish to contribute but have not been contacted are asked to see any of the following committee members: Kenneth "Red" White, Eddie Ross, Freddy Pohopek, Rusty Sharples, Stan Sielicki, Harold Dawes, Bill Duffy, Harold Ward, Dickie Labranche and Ernest Bearisto.

It is hoped that the basketball team members will be awarded jackets and the cheerleaders also remembered for a job well done.

In next week's issue of THE NEWMARKET TIMES the committee hopes to be able to announce the name of its guest speaker who probably will be a famous professional basketball player.

NEW POLICY AT WATER BOARD

The Newmarket Water Board Commissioners established its policy concerning payment of water bills in the Town of Newmarket at their last regular meeting which was held Monday evening.

LOCAL DRIVER IN ACCIDENT AT DOVER

An eighteen-year-old Newmarket girl faced Dover Municipal Court Monday as the result of an accident on Silver street, in which she and four passengers in her car were injured, none seriously.

Lorraine Jablonski, of 100 1/2 Willy court, was charged by Dover Police with failing to stop at the stop sign at the junction of Arch and Silver streets, an accident resulting.

The Jablonski car was in collision with a car operated by Peter Fenerty of Madbury, who was traveling east about 8 p.m., the time of the accident.

Injured were Mrs. Jablonski, with injuries to head and both legs; Gerie Bascom, 16, of 11 Railroad street, Newmarket, head and left leg; Lorraine Bearisto, 18, Bay road, Newmarket, right shoulder and knee; Richard Belmont, 16, Brentwood road, Exeter, neck and left leg, and Paul Brousseau, 18, of 5 Lincoln avenue, Newmarket, who was slightly bruised and shaken up. None required hospitalization.

Fenerty was uninjured, said police, although the front end of his car was completely demolished.

Mrs. Jablonski told police she failed to see the stop sign until it was too late to stop. The car she was driving was apparently newly purchased, according to police, as it carried ten-day registration plates. The right front fender and grille were extensively damaged.

At court Monday in Dover she was fined \$5 for failing to stop at a stop sign at Arch and Silver streets in Dover.

New Sidewalks Made Available

Property owners are reminded by the Board of Selectmen that any sidewalk construction contemplated by local citizens is available on a 50/50 basis with the town assuming one-half the cost and property owners the other half.

An appropriation of \$2,500 was raised for this purpose at last town meeting after a \$6,000 item in the budget was turned down.

It was amended to read "to raise the sum of \$2,500 limited to 50/50 sidewalk participants".

It was decided that water bills "shall be paid quarterly and the subscriber shall be considered in arrears for non payment thirty days after the mailing of the second unpaid quarterly bill.

"Also whenever for violation of rules on nonpayment of bills, the consumer's water shall be shut off in accordance with Article 9 of the Rules and Regulations of the Water Department; in such cases the superintendent shall notify in writing that the water service shall be shut off on a date which shall be ten days from the date of mailing the notice, unless payment is made in full.

"Also the superintendent shall submit a list of delinquent customers, if any, at each monthly meeting for consideration of the Water Commissioners."

Girl Scouts Enjoy Square Dance Party

The three troops of Newmarket Girl Scouts enjoyed a square dance party Saturday afternoon with about forty-five girls attending.

Special guests for the afternoon were Mr. and Mrs. James Markey of Dover, well-known square dance enthusiasts and teachers in the seacoast area.

The Markeys, who came dressed in western square dance attire, gave instructions in the dance form to the Girl Scouts.

Following the enjoyable dancing period scouts and guests were served refreshments, brought in by the scouts.

Community Center Moving Ahead

No time is being lost in arranging for work to begin on the erection of the Newmarket Community Center.

According to Chairman Kenneth Eickholt it is hoped that a surveying team will be on hand this Saturday to lay the groundwork and mark out the lot which the town voted to give for the use of the Center.

WEATHER FACTS

At the Lee Weather Station
By EDGAR HOBBY
Mr. Hobby's weather station is approved by the U.S. Weather Bureau and supplements the weather observations for the U.S. Weather Bureau in Durham, New Hampshire.

For the period April 4 to April 10, 1961:

Maximum temperature was 56°F and minimum was 26°F.

Precipitation was 1.04" including 3" snow.

RECORD ATTENDANCE AT LOCAL P.T.A. POLIO CLINIC

At the largest polio clinic ever sponsored by the Newmarket P. T. A., three hundred eighty children and adults were inoculated for first, second, third and booster shots before the start of the summer session, last Thursday evening at the Newmarket Fire Station.

Dr. Irving E. Brown Jr. again donated his services as attending physician. He was assisted by Mrs. Elma Kitchin and Mrs. Isabel Donovan, registered nurses.

Helping mothers included Mrs. Kay Smith, Mrs. Katherine Rodrigues, Mrs. Jenny Griswold, Mrs. Betty Gowen, Mrs. Nellie Anderson and Mrs. Ruth Willey.

P. T. A. president, Mrs. Nellie Anderson expresses her sincere appreciation to all who helped make the clinic such a success, including the Newmarket Fire

Department for the generous use of its hall.

The Newmarket P. T. A. has been sponsoring polio clinics since 1957, when Dr. Brown recommended an adults clinic be set up. The emphasis in the early stage of mass polio immunization was for children, but Dr. Brown was concerned lest the adult population be overlooked in the urgent need to immunize the youngsters.

It was through his suggestion that the P. T. A. set up the 1957 clinic, one of the very first for adults in the area. Since that time, a P. T. A. sponsored clinic has been held once or twice every year.

Mrs. Anderson, who is Chairman this year, has a record of all those taking the series and will keep a close check— notifying the persons when their next shots are due.

DOVER TO HOLD SPRING FESTIVAL DAYS

The Dover Retail Board of Trade announced today that their big spring festival days will be held on Friday and Saturday, April 21 and 22.

There will be many prizes awarded to lucky shoppers with the main attraction being a three-day vacation for two in New York City.

Participating stores (Retail Board of Trade members) will be displaying attractive yellow and green window banners and will have the necessary prize registration coupons.

Committee arranging the Dover Spring Festival includes Chairman Edward I. Shaines, William N. Wright, Raymond Ouellette, Frank Cohen, Nathan Issokoson and Harry Jestude.

H.S. Prin. Lists Supplies Purchased With Coke Machine Revenue

By Leo Landroche
High School Principal

The following supplies have been purchased for Newmarket High School from the profits of the coke machine, installed by the Coca-Cola Bottling Plants, Inc., Sanford, Me.

It would be impossible to list all of the supplies purchased, but I will list some of our major purchases. A great deal of your supplies are bought from federal surplus where we paid anywhere from five cents on a dollar to twenty-five cents on a dollar.

Five teachers' desks, \$30; one adding machine, \$5; one 30-drawer cabinet, new, \$42; four used file cabinets, \$24; three used typewriters, \$15; one freezer, Hood and Co., \$55; one refrigerator, gift; one popcorn machine, \$25; two program boards, \$50; two wire recorders, \$14; thirteen musical instruments, rental, \$50.

Two cash boxes, \$11; one medicine kit, \$6.50; thirty gallons paint and thirty brushes, \$76; one hundred reams typing paper, \$35; one divan for teachers' room, \$15; two chairs, teachers' room, \$29.95; two hospital beds and mattresses, \$2; one paper cutter, \$68.05.

Supplies for photo copying machine, \$43.50; insurance for truck, \$42.18; one truck from

surplus, \$25; desk tops, \$167; eleven films, \$17; one hedge trimmer and sander, \$53.73; one amplifier for gym, \$45; one microphone, \$34.

The above materials have been purchased in the past two years and many more items, such as stamped envelopes, office supplies, magazines and many other items to numerous too mention.

At the present time we average sending out eight to ten letters a day and at this rate we spend anywhere from sixty dollars a year to ninety dollars a year on postage alone.

The books at Newmarket High School are put in order by Miss Matilda McDonough at no cost to the taxpayers of Newmarket as she also has a full teaching load and the materials that we have purchased do not come out of the school district funds, but solely from the profits of the coke machines.

Com. Club Guest Night

The Lee Community Club held the annual guest night at the recent meeting. Clarence Faulkner, regional supervisor of U. S. Branch of Predator and Rodent Control, Bureau of Sports, Fisheries and Wildlife, was the guest speaker. His topic was "Wildlife Hazard to Aircraft".

It was announced during the short business meeting preceding the evening's entertainment, that the club's annual luncheon will be held at 11 a.m., May 3, at Flagstone's Restaurant. Election of officers will precede the luncheon.

Anyone interested in attending is asked to contact Mrs.

Songsters Start Season

We've been anxiously waiting for the first peepers to start their chorus down in the meadow pond. Until that time we hardly dare believe spring was here.

But Sunday noon the bassos started tuning up with their deep harumphs, were joined

soon after by the tenors, altos and the sweet peeping sopranos. By nightfall the chorus was all warmed up and in full swing with their welcome spring symphony.

Now we can safely think of planting peas, spring cleaning and picnic lunches.

Little Dog Lost

Sunday morning Mr. and Mrs. Herbert Thompson of Wadleigh's Falls found a half-grown pup huddled under their barn.

Being animal lovers, they have taken the pup under their wings and are feeding and sheltering it until the owner can be found.

If anyone has lost a pup of the following description, please contact the Thompsons immediately at OL 9-3085: female, mostly dalmatian, with two black ears, probably eight or nine months old. No collar or other identification.

Fire Towers Open Season

With the opening of the fire towers last week-end, the fire season has officially begun. The warm sun and high winds the past two weeks have dried out top grass, leaves, slash and brush.

In spite of the fact snow still lingers in the deep shadows of the woods, the fire hazard is daily becoming more serious.

Fire Chief and Warden Lloyd F. Stevens of Lee, reminds residents they must obtain a permit before starting a fire of any kind outdoors. Permits must also be obtained for incinerators or outdoor fireplaces. This must be done yearly.

Any smoke spotted by the fire towers resulting from an unpermitted fire is reported by the tower watchman to local and state authorities. According to the state law, penalty for such an offense is \$200 or imprisonment of not more than sixty days.

Fire towers servicing the area around Lee are Blue Job in Strafford, Pawtuckaway in Deerfield and Stratham Hill in Stratham. By cross checking their readings, the towers can spot a fire within fifty feet of its actual location.

Spring Training Session

Lloyd Stevens, Charles Brady, Mike Menter and Oliver Kenard attended the Spring Forest Fire Wardens and Deputies Training Session for District #5 which was held Monday at Middleton.

A supper was held previous to the meeting.

The meeting was opened with District Chief Robert W. Smith discussing the fire plan for District #5. Rockingham County area Chief Webber spoke on properly making out fire reports and bills.

Hillsboro County area Chief Winn Hannaford spoke on causes and investigation of fires. James Ricard (Smokey, the Bear), fire prevention training officer spoke on fire prevention. Richard Diehl, fire control assistant, spoke on legislative measure concerning the Forestry Department.

Attends Spring Meeting

Road Agent Lloyd F. Stevens attended the New Hampshire Highway Division #6 spring meeting held in Dover Wednesday afternoon.

The New Hampshire state highway program, state and federal aid and care of equipment and personnel was discussed at the meeting of the secondary roads division of the New Hampshire Highway Department.

Highway agents, town and city officials and selectmen were told that the proposed Durham by-pass would be built within the biennium. It is one of three projects being undertaken in the state by the federal government.

Red Cross Fund Drive

According to Lee American Red Cross chairman, Mrs. Florence Caldwell, solicitors are now canvassing the town for

contributions to the American Red Cross.

It is significant to note, that in conjunction with the Lee Fire Department Auxiliary, the Lee Red Cross Chapter sponsors one youngster every year to Camp Tevya, one of the finest aquatic schools in the United States. Upon graduation the fully accredited Red Cross instructor then returns to Lee to teach in the Lee swimming school.

Any child, five or over, who is a resident of Lee is eligible to attend the classes.

Fire Department Auxiliary

In spite of the bad weather Monday evening, twelve members of the Lee Fire Department Auxiliary turned out at the Lee vestry for a fascinating evening of entertainment provided by George Webb, Fox Garrison road, Lee.

Mr. Webb showed slides with running commentary on the island of Guam, the United States' most western outpost.

Among some of the slides were pictures of the infamous caves where the Japanese holed up during the allied invasion in World War II. Also shown were some picturesque ruins of Spanish forts built in the seventeenth century, as well as the towns, military installations and beautiful terrain on the island.

Prior to the entertainment, a business meeting was held with final arrangements discussed for the "Hard Times" dance which the auxiliary will hold Saturday, April 22.

Dance chairman, Pat Brown, announced the following businesses had donated door prizes for the dance: Harley's Diner, Lee; Hardware House, Co-op Book Exchange, Newsky's Market, Norman's Beauty Salon, Community Market, Town and Campus, Co-op Store, all of Durham, and Sawyer's Mills of Dover.

Committees for the dance consist of ticket committee, Marion Stevens, Claire Webb, Faye Tuttle and Doris Granger. Decorating committee, Sandy Morrison, Almeda Durepo, Joy Harre, Carolyn Hublely and Julie Cook.

Poster: Jean Nugent, Juanita Woodward, Kate Mahoney and Harriet Underwood.

Entertainment: Paula Badger, Pauline Healy, Irene Faulkner and Pat Brown.

Clean-up: Kay Stanchfield, Irene Gooch and Faye Tuttle.

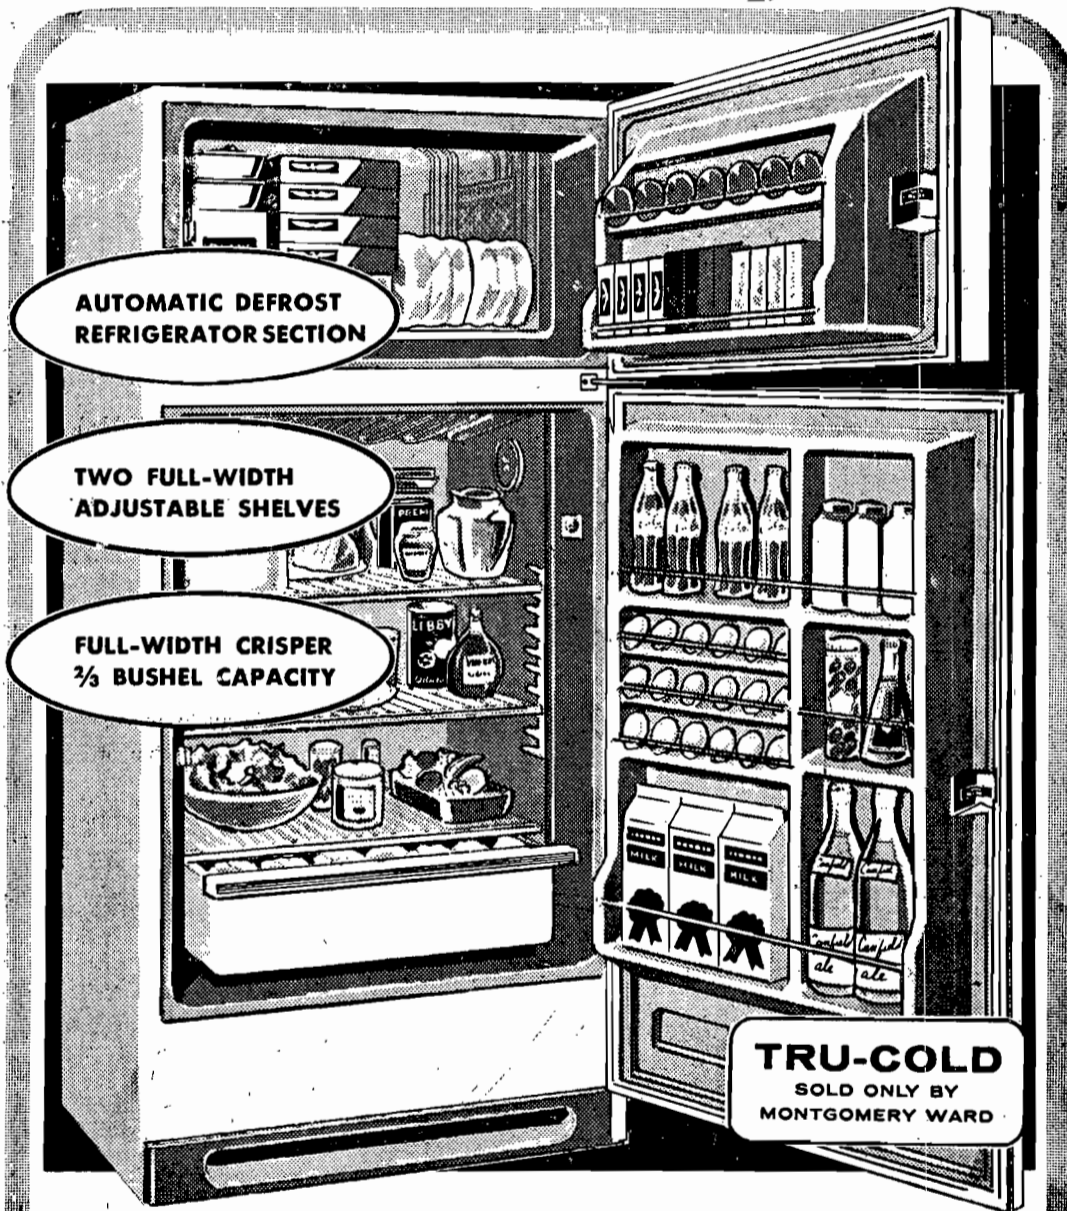

Set up committee: Donna Cooper, Ann Hatch, Sarah Black, Ann Nickerson and Helen MacDonald.

It was announced that the Lee Couples Club has invited members of the auxiliary and husbands to attend the next meeting of the Couples Club on May 13 to hear Conrad Quimby, executive director, speak on the New Hampshire of World Affairs.

It was decided that Mrs. Marion Stevens would contact a member of the swimming program in Durham to see if any young person 18 or over would be interested in being sponsored by the auxiliary and Lee Chapter of Red Cross to attend aquatic school and return to teach in the Lee swimming school.

Refreshments were served following the business meeting by Mrs. Almeda Durepo, Mrs. Sandra Morrison, Mrs. Sarah Black and Mrs. Ann Hatch.

Mrs. Almeda Durepo won the door prize.

American Legion News

By Fred L. Beale

I received a pleasant surprise these last two or three days. I have been called on the phone, stopped on the street and even last Friday night at an installation of officers in Salmon Falls, I was asked what happened. Now I knew a lot of interested members of the American Legion were reading my column, but I never dreamed that so many and in so many places, was there so much interest in my meager writings.

Although I am retired, it seems that there are not enough hours in a day to complete all the business that piles up and it fell on me like a ton of brick last week and I was unable to get a notice out. Begin busy with the program project for the coming department convention in Portsmouth and with several funerals, I let things slide.

However, now that I know that there are a few who rely upon my meanderings in THE NEWMARKET TIMES, I shall try not to disappoint you. In return, don't you disappoint me this coming Monday at the election of officers of the Robert G. Durgin Post. This will be the most interesting and active

meeting that we have held for a long time.

The following list is the present official list of nominees: for commander, Robert L. McKenna; vice commander, Frank M. Toland; junior vice commander, Frederick R. Degonyoun; adjutant, Joseph L. Ledger; finance officer, John F. Sullivan and Fred L. Beale; chaplain, Harold E. Ward; no historian nominated as yet; sergeant at arms, Richard Gilbert; trustee of Club 67 for three years, Frank M. Schanda.

For executive commander beside the officers set by the by-laws, five to be elected. Those running are Gerard Plante, Robert Ferland, Joseph Plante, Joseph A. Rousseau, Richard Gilbert and Frederick H. Degonyoun. Delegates to the department convention will be the following: commander, adjutant and running, Fred L. Beale, Frederick H. Degonyoun, J. F.

Sullivan, Charles E. Bennett, Harold E. Ward, Louis L. Rowell and Joseph L. Ledger.

The only opposition so far and that is a very important contest is for finance officer. It would seem that ten years of hard work was of no consequence to some members and the every year effort of a few to undermine this stability is on again. It could happen and will if the responsible-minded members fails to attend and register their vote. The night of election of officers in Monday, April 17. Will you be present and accounted for?

The following members of the Post and Auxiliary attended the installation of officers of the

Martel-Robergé Post of Salmon Falls Friday and saw what may well be the prettiest installation of the year: William Robitille, Mr. and Mrs. Robert L. McKenna, Mrs. Jane Bucklin, Mr. and Mrs. Joseph L. Ledger, and Fred L. Beale, all of Newmarket, and from Durham, Robert True.

Every officer installed in the Post was in uniform and all the girls installed were dressed in white. A very handsome sight to see especially to someone who had never attended an installation.

The Robert G. Durgin Post will be installed on Saturday night, April 29. It is the desire of the officers of both the Post

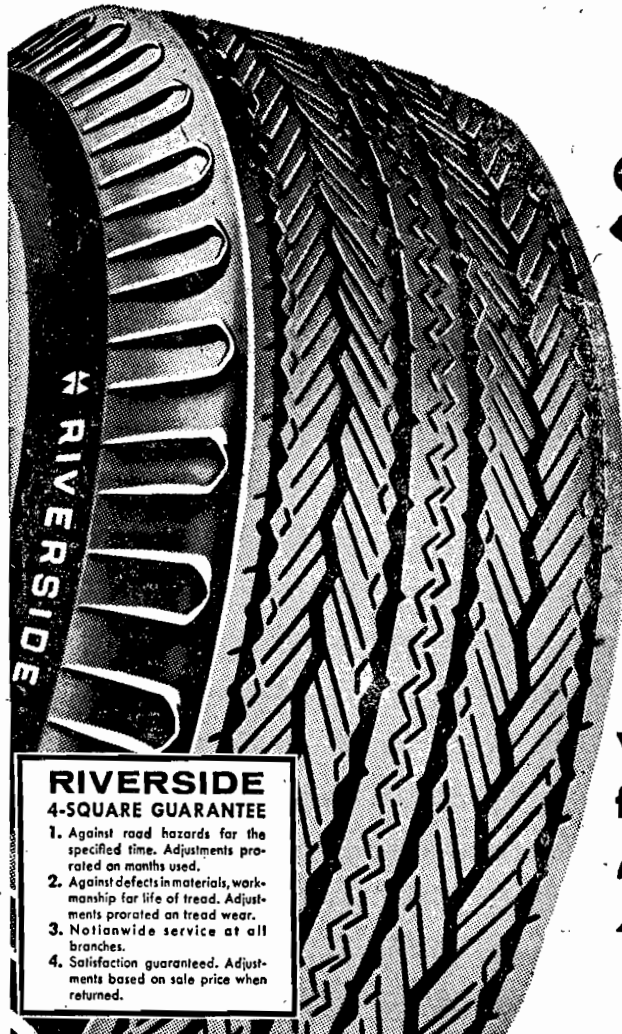

and Auxiliary that all members make an extra effort and attend this event as the attendance is running larger this year and we want to have as many present as we have visiting. A fine social period is scheduled following the installation, which only takes about an hour.

I'm sure you heard about the new underworld automobile called the Mafia. When you lift the hood there is another one under it... Something I learned this week is, "A youthful figure is something you get when you ask any woman her age."

A list of the officers elected and more on the installation in next week's TIMES.

First Grade

The first grade has been studying magnets. They have gathered a variety of objects and have two boxes, one labeled yes and the other no. The children experiment and put the objects in the correct box.

In arithmetic they are doing simple problems and are learning the addition facts of 9.

One reading group has finished their first reader and have started another.

To culminate our study of the four seasons we have made a large mural in sections.

We are each making a dictionary of the words we know to help us when we write stories.

Dianne MacDougall is at

Second Grade

The optimistic second graders have decorated the windows with gaily colored butterflies, birds and flowers as an indication that spring is really here.

The children are eagerly reading books from our science table to learn about some of the signs of spring. Later each child will make a report on the animal, bird, flower or insect of his choice.

One group in arithmetic is studying ways to solve written problems. The other group is testing its ability to decide the correct procedure to use when all types of examples are listed together.

Some of the second graders are learning to write their spelling words.

Dany Coburn has moved to Raymond. Monday we welcomed a new boy, Gary Hoyt, from Rockville, Conn.

Third Grade

The third graders are beginning on multiplication and will be for the rest of the year.

One of the reading groups have finished their first two readers and have advanced to their third book.

They are preparing for projects in social studies, completing their study of clothing. The girls will make a family of dolls and have a doll show. The

She is one of twenty persons chosen from New Hampshire to attend, along with twenty from Maine and twenty from Vermont.

boys will have a showing of men in uniforms.

Decorating their room to give the year the appearance of spring, in spite of the weather are chains of daisies and leaves and, of course, drawings, giving their impressions of spring.

Fourth Grade

New officers have been chosen for the month of April. They are as follows: room manager, Richard Schanda, and librarians, Susan St. Amour and David Brown.

We recently had a review test on geographical terms. Those people with a mark of "A" were David Brown, Kathy Hood, Chris Marchese, Philip Mitchell, Johanne Russell, Susan St. Amour and Linda Wilson.

Sixth Grade

We are happy to welcome back Fredrick Toland, who has been ill.

At the completion of our study of the West Indies, Alfred Zych showed films to us of his visit to the Bahamas.

The fifth grade invited us to see movies of Alaska. Catherine Purington of grade five has lived there. Her mother showed the pictures to us.

We have made posters for National Library Week. These will be on display in the Public Library.

Our science lessons are about earth formations, fossils and early man.

Highest spelling scores for the past two weeks were Janice Call, Raymond Hatch, Dorothy Melendy, Barbara Sewall, Alan Smith, Donna Stevens and Peter Valliere.

Helpers at hot lunch are Sharon Sewall and Frederick Toland.

Eagle House in Manila

Eagle-Care project in Asia is dedicated to principles of democracy. So today the F. O. E. is glad to announce that the first Eagle House in Asia which is a vocational training center for indigent youth, was opened in a spacious wing of the YMCA in Manila of the Philippines.

Approximately \$10,000 worth of power tools and equipment donated through CARE by Eagle Aeries throughout the United States and Canada make this one of the most outstanding shops in the country.

The Eagles' "YMCA-CARE" story started over a year ago. With successful vocational training centers operating in Italy and West Germany, the F. O. E. was much interested in opening a third center in Asia, in the Philippines, which is the "showcase of democracy" in the Far East.

According to a well-known F. O. E. officer who has visited this Eagle House in Manila, "This is a woodworker's paradise." Everything is in order; saws, pliers, hammers, screwdrivers, drills and other precision tools of all kinds are arranged neatly side by side in specially constructed wall-brackets.

Nothing is more needed in helping Manila's youth than this training center. It is to be remembered that many of these boys were born during and right after World War II. Most of them grew up in a city devastated by bloody battles where unemployment was rampant and morale shattered.

We all know that for the past several years these young fellows have been roaming the streets, with the lucky ones picking up odd jobs, but the others wandering and looking around for a job to make a decent living without any luck. Of course, welfare agencies offer some aid, but there are always more and more boys coming in from all around looking for a good opportunity.

In such cases, what was needed most was a vocational training center, where these poor and sometimes fatherless boys could learn the fundamentals of a trade. These facts were brought to the attention of all Eagles in the United States and Canada. The F. O. E. secretary of Manila Aerie sent an appeal to help for this great cause, in order to relieve these poor unfortunates.

As Eagles are known the world over as "people helping people", therefore, in this case, as always, they didn't fail to cooperate one hundred per cent. The response to this plea to help these young men in distress was magnificent and con-

tribution poured in from all F. O. E. Aeries.

Now we can see the wonderful result of such cooperation and generosity. Today it is not only a mere dream but it is a reality and all Eagles should be proud of this particular achievement among so many others in this Fraternal Organization. Facts speak more than words.

So let us remember that Eagle House in Manila was more than a project, but we must all feel that it was and in fact, it is, a richly rewarding human experience which indeed should be duplicated all over the United States, especially in our depressed areas where unemployment is flourishing at this very moment.

By doing so we may be sure that the seeds of friendship and fraternalism will be sown deeply in the heart of our young generation here and abroad.

Therefore members, let us keep up the good work in our numerous F. O. E. activities throughout the world.

OYSTER RIVER P. T. A. HOLDS FINAL MEETING

A well received "style show" with about one hundred junior and senior high school girls participating, highlighted the final meeting of the Oyster River P. T. A. last Tuesday evening at the Oyster River Auditorium in Durham.

Previous to the evening's entertainment the annual election was held with the following officers elected: William Wolfe of Durham, president; Dale Underwood of Lee, vice president; Mrs. Dorothy Raynes of Madbury, secretary, and M. Evans Munroe of Lee treasurer.

Mrs. Marjorie Moore, school nurse, gave a final report on the P. T. A. sponsored dental health clinic which operated for the first time this year. Nineteen children between the ages of seven and thirteen were given dental care by Dr. Hooz of Dover, made possible by matching funds from the Oyster River P. T. A. and the federal government.

Mrs. Moore also reported that the polio clinic held Tuesday at Oyster River School was highly successful with five hundred forty-six students, adults and pre-schoolers attending.

Mrs. Moore expressed her appreciation for the services of Drs. Ellen Greenleaf and Charles Howarth; registered nurses Mrs. Russell Hobby, Mrs. Donald Sumner and Mrs. Delwyn Main.

Also for the help of Mrs. William Henry, Mrs. George Donahue, Mrs. George Frick, Mrs. Robert Willard and Mrs. Andrew Connor, with special thanks to Miss Peggy Ninde, who acted as coordinator.

P. T. A. President Robert Owens called for reports from Mrs. Richard Hull, chairman of the library service committee; Franklin Heald and Lawrence Bevan, members of the legislative committee, who spoke of the latest educational bills be-

fore the New Hampshire Legislature, and George Bamford, chairman of the liaison committee.

Mrs. William Henry reported that profits from the recent P. T. A. sponsored dance stood at \$179.90. This money was raised to carry on the dental health clinic.

In concluding the business meeting, outgoing President Owens thanked his executive board for their splendid cooperation during the year and for the invaluable assistance of Principals Thomas McAdam and George Pasichuke.

Home economics teacher Mrs. C. Hilton Boynton then produced a commendable dress revue by her talented students.

An attractive rose arbor and garden scene was made especially for the occasion by the art department.

Miss Frances Driscoll, art supervisor, narrated the show, describing each costume and its cost, while pianist Mrs. Ralph Granger supplied the background music.

Following the dress revue, seven high school girls who had made outfits outside of school and entered them in the Federated Woman's Club Vogue Pattern contests, local junior division, model their entries.

Mrs. Joseph Peterson of the Durham Woman's Club, presented the awards. First prize went to Joanne Stewart, a sophomore; second prize to Alma Manock, a senior; third prize to Patricia Jones, freshman. Others participating were Ramona Colpritt, senior; Shirley LaRoche, sophomore; Sandra Lloyd, sophomore, and Jeanne Savidge, senior.

Mrs. Peterson also announced that Joanne Stewart won honorable mention in the Portsmouth district contest.

Refreshments and a social hour ended the evening.

Home Dept. to Hear Mrs. Royce

Mrs. A. Katherine Royce of Somersworth, N. H., will give an illustrated talk on her trip to California as a delegate to the convention of the General Federation of Women's Clubs. This program is sponsored by the home economics department.

Hostesses for the meeting which will be held Tuesday, April 18 at 8 p.m., at the Newmarket Community Church vestry, will be Mrs. Mildred Rooney, chairman; Miss Rena Young, Mrs. Elizabeth Brandt, Mrs. Pearl Chesley, Mrs. Beatrice Geoffrion, Mrs. Irene Labranche, Mrs. Claudia Pitman, Myra Sewall and Ruth Thompson.

Sandra Brangiel Has 2nd Birthday Party

Miss Sandra Lee Brangiel, daughter of Mr. and Mrs. Frank Brangiel, was guest of honor at a family party on the occasion of her second birthday, Tuesday evening at her home.

The birthday cake was made by her mother and she received many lovely gifts from her family.

Present to help her celebrate besides her parents, were her grandfather, Karol Brangiel; her aunt, Fay Brangiel, and Mr. and Mrs. Adam Malek. Mrs. Malek is Sandra's grandmother.

BUTTON & BOWS

The fourteenth meeting of the Button and Bows 4-H Club was held April 11 at the home of Mrs. John Kitchin with five members present.

Brenda Silver was in charge of the health meeting and all members participated.

It was decided to cancel the next regular meeting due to school vacation. The next scheduled meeting will be held May 9.

Following the meeting, members worked on their projects.

EASTER SEAL CAMPAIGN ENDS; CONTINUED SUPPORT URGED

How firm a foundation does a crippled child need? A foundation built on Faith, of course; Faith in those who love her, Faith in those who guide her care and treatment, plan her future. Equally important is Hope, Hope for the day—perhaps not too far away—when crutches and braces become a memory. Add to Faith and Hope a third ingredient, Confidence in the thoughts that her tomorrows will be happy and rich in usefulness and opportunities. Such firm foundations can be and are being built through Easter Seal services. These services began in New Hampshire twenty-six years ago.

The third report of the 1961 Granite State shows one hundred fifty-one towns reporting returns totaling \$35,000 to date \$100,000, announced today in a report by Robert W. Upton, state Easter Seal chairman.

The honor roll shows the following towns which have been added to those exceeding last years returns: Brookline, Grafton, Franklin, Greenville, New Boston, Hanover, North Conway, Northwood, Pelham, Pier-

mont and Wentworth. In his report, Upton also said, "Although Easter Seal month officially ends with Easter Sunday, the fight against crippling must go on the year around, and I urge every citizen of New Hampshire who has not yet contributed to do so at their earliest convenience so that we may continue our services to our less fortunate fellow citizens."

Miss Rena Young Feted on Birthday

A surprise belated birthday party was given Miss Rena Young on the occasion of her 88th birthday, last Sunday afternoon at her home on Creighton street, by members of the American Homes Department.

Miss Young was presented with a bouquet of mixed flowers and a cake decorated for the special occasion by Mrs. Marjorie Atherton.

Mrs. William Michelfelder Receives Columbia College Appointment

The appointment of Mrs. William Michelfelder as director of College Relations at Columbia College was recently announced by John G. Palfrey, dean of the men's undergraduate college of Columbia University. Mrs. Michelfelder is the former Phyllis R. Deveneau of Woodman avenue, Durham.

In this newly-created post, Mrs. Michelfelder will be responsible for the public relations program of the college. In addition, she will assist the Columbia College Fund in establishing a parents annual giving program and other special fund-raising projects.

Before joining the Columbia staff, Mrs. Michelfelder was assistant director of the Independent College Funds of America, the national coordinating center for four hundred ninety private liberal arts col-

leges engaged in raising funds from business and industry.

Previously Mrs. Michelfelder was director of Public Relations at Barnard College from 1951 to 1959. Before that she had been director of Public Relations at Douglass College (the woman's college of Rutgers University), assistant director of the News Bureau at the University of New Hampshire, and with the Associated Press in New York. She received her A.B. in English in 1943 from the University of New Hampshire, where she was a Cogswill Scholar.

She is a former member of the national board of directors of the American College Public Relations Association and is active in the Association of Fund Raising Directors, the Committee on Women in Public Relations, and other organiza-

COMMUNITY CHURCH SUNDAY SCHOOL TEACHERS MEET

Teachers of the primary department met Friday evening for supper and meeting at the home of superintendent, Mrs. Calvin Wright. Miss Linda Record was presented a farewell gift in appreciation of her services as teacher in the primary department.

Following the supper, teachers met with Rev. Wright to discuss the Bible background on the Book of Acts which will serve as this quarter's source of material for the primary department. There was also a discussion period of problems and procedures for the department.

The following schedule was set up for the primary department's part in the worship service of Sunday School:

April 16, Miss Karen Nesbitt's class; April 23, Mrs. Velma Szacik's class; April 30, Mrs. Mildred Cashman's class; May 7, Mrs. Mildred Livingston's class; May 14, Miss Linda Record's class; May 21, Mrs. Betty Wright's class; May 28, Miss Karen Nesbitt's class, and June 4, Mrs. Velma Szacik's class.

It was announced that there will be no more Saturday morning fun times for the primary department until April 22.

Children in the primary department will be collecting used Christmas cards as part of their Mission project. Cards will be sent to Burma. Anyone having old Christmas cards

are asked to call any of the primary teachers or bring same to the church.

The next primary teachers meeting will be held on May 12. The Junior Choir of the Newmarket Community Church distributed church boxes during the Lenten season. Any boxes still out may be brought back to the church or will be collected at homes if persons will contact Mrs. Irving Brown or Mrs. John Kitchin.

Town Meeting in the Old Days

During the days of the Revolutionary War, many town meetings were held. A very special meeting was held on April 24, 1775.

It was voted that forty-three men be enlisted as Minute Men, completely equipped at a minutes notice. Old guns were repaired and made ready for service. All the lead in town was collected for bullets.

Clothing and knapsacks, together with ninety-two pounds of pork, a drum and an assort-

ment of shoes were contributed the first week of the war.

It was voted that twenty-four men be kept for the safety of the town and that sentinels be kept at the Lamprey River bridge and at the bridge over Exeter River.

Feelings against Tories ran high. Town meetings were frequent. Many conferences were held at the Moody parsonage.

Wentworth Cheswell was the town messenger and on his fast gray horse carried news of these preparations to Exeter and returned to report startling news from Boston.

At one of the meetings a disagreement about counting the polls occurred. In the excitement and confusion it was not easy to determine the vote by the usual method of counting

hands, so the the moderator ordered the yeases to the central door of the meeting house and the nays to the women's gallery. The nays refused to go. A motion for a written ballot was defeated. Then someone suggested that the nays stand near the pulpit and stay there until counted. The moderator must have had in mind a plan to put the negative voters in an embarrassing position.

The women's gallery was no place for a man in those days. The women's gallery was called by the rowdy element in town the "squaw seats".

For many years after the Civil War, what might be called headquarters were maintained for each political party. The Republicans congregated at the northerly part of Main street under favorable conditions and popular leaders and the Democrats drifted southerly to the store of J. S. and E. Bennett.

At each place voters who didn't care who or what they voted for as long as they were paid for it, were cordially welcomed. Trading votes for merchandise, liquid or solid, was regular business and always in

order. Plans for town meeting were carefully made. The doubtful voters were watched, so they didn't go over to the other side.

Many of the voters of that time would be very much surprised if they could come back and see how our town meetings are managed today—not a saloon in town, no drunks on the street and best of all, women voting along with the men.

Report of the selectmen for the fiscal year ending Feb. 15, 1897, inventory of the Town of Newmarket, April 1, 1896: 597 polls, \$159,700; real estate, \$661,969; 283 horses, \$16,500; 32 oxen, \$1,537; 338 cows, \$8,727; 18 other neat stock, \$98; 55 sheep, \$165; 21 hogs, \$258; 200 fowls, \$100; 36 carriages, \$2,471; stock in public funds, \$300; stock in band and other corporation, \$25,900; surplus in bank, \$3,500; money on hand at interest and deposit, \$34,514; stock in trade, \$113,235; factories and machinery, \$389,210.

Town officers: moderator, Samuel H. Green; town clerk, George I. Dearborn; representatives, John H. Griffin, Alvah H. Place; selectmen, Alanson C. Haines, Charles W. Chapman, John Meader; town treasurer, Woodbridge W. Durell; tax collector, John H. Knight; highway agent, William F. Durell; supervisors of check list, Freeman F. Tuttle, Peter H. Auger,

Albert E. Stevens; auditors, Andrew J. Watterson, Charles E. Tasker; fire engineers, Frank M. Bunker, Franklin A. Brackett, William H. Small and Pliney E. Thompson.

GIRL SCOUT NEWS

Girl Scout Troop 226 was called to order, dues were collected and attendance taken with only two scouts absent.

We had an Easter party. Mrs. Howard Getchell was there to help us on our cooking badge. At the party we had tonic, cake and cookies, all made by the scouts. Rita Blouin, Faith Silver and Ellen Fecteau entertained us with tap dancing.

Dorothy Vidler was program chairman for the cookout, and Mrs. Irene Vidler assisted at the party.

We closed the meeting with the closing ceremony, the Girl Scout promise and the laws.

Troop 585 invited our troop to a party Saturday, April 8, at the American Legion Hall at one in the afternoon.

Susan Davey

Girl Scout Troop 585 met in St. Mary's school yard, April 5, at which time permission slips for a party at Miss Shirley Varney's house were collected.

Upon arriving at Miss Varney's house we played games. Then was enjoyed hot dogs, tonic and other refreshments.

The meeting was adjourned at 6 p.m.

5. Also a tract of marsh land,

Only fifteen members of the Newmarket P. T. A. showed up to hear a most interesting talk on the U.N.H.'s new Paul Creative Arts Center, and the role of the theatre in the college curriculum, by Associate Professor Joseph D. Batcheller, Monday evening.

A short business meeting preceded the speaker, with John Dodds presiding in the absence of P. T. A. president, Mrs. Nellie Anderson.

Due to the apparent lack of willingness of Newmarket citizens to participate in the support of the P. T. A., the nominating chairman announced she was unable to present a slate of officers for election. Election of officers was necessarily postponed until the May meeting.

It was announced that the state P. T. A. convention will be held May 4 to 6 at the Eastern Slopes Inn in North Conway. It was voted to send two delegates from Newmarket to the convention.

A report on the successful polio clinic was given, with the information that three hundred eighty children and adults participated.

Miss Marcelle Houle, Newmarket High School English teacher and dramatic coach, then introduced Prof. Batcheller.

Following the meeting, refreshments were served by Mrs. Mildred Cashman, Mrs. Gertrude Hazeltine, Mrs. Betty Gowen and Mrs. Doris St. Amour.

Mrs. Eickholt At Naval Hospital

Mrs. Kenneth Eickholt learned the true meaning of friendship when she was overwhelmed by the cards, flowers and remembrances sent her upon being confined to the Chelsea Naval Hospital in Massachusetts.

She entered the hospital on March 21, and although she has been home for several weeks, expects to be confined for several more weeks.

Cards may be sent to the Chelsea Naval Hospital, Dependents Medical Ward, Room 202, Chelsea, Mass.

containing two acres, more or less, situate in said Stratham, near the toll bridge, and bounded:

Northerly by the creek; Easterly by land formerly of Isaac S. Wiggin and S. W. Pearson; Westerly by land formerly of Andrew W. Smith and Southerly by land of Ezra Barker.

The described premises are the same premises conveyed to Charles H. Chase by Ada O. Dearborn, by her deed dated the fourteenth day of January 1925, recorded in Rockingham Records Book 753, Page 181.

6. A certain tract of land containing 15 acres, more or less, in said Stratham on the Northerly side of the Winnicut Road, but not touching said road, bounded and described as follows:

Beginning at the Northeasterly corner of the said tract at land of the mortgagor herein conveyed and land of one Severance, and running from thence Southerly to Severance's land and Tuck land as the wall and fence now stands to a point 180 feet Northerly of the said Winnicut Road, and thence turning and running Westerly by a line parallel with said Winnicut Road and 180 feet therefrom by land formerly of one Varney to an iron pipe driven in the ground by the Easterly side of a path; thence turning at a right angle and running Northerly still by said Varney land to the brook; thence turning and running Westerly by the brook and by land of said Varney and land of Russell Chapman to the land of the heirs of George B. Wiggin; thence turning and running Northerly by said Wiggin heirs land to land of the said mortgagors; thence turning and running Easterly by land of said mortgagors to the point begun at, together with the right to pass and repass over path as now established from said tract to the said Winnicut Road.

The described premises are the same premises conveyed to Charles H. Chase by Herbert C. Varney, by his deed dated the thirteenth day of January 1941, recorded in Rockingham Records Book 979, Page 33.

7. A certain parcel of land situate on the Northerly side of Winnicut Road said Stratham, being a strip of land 15 feet wide bounded:

South by the road; East by land conveyed to Raymond E. Tucker and Anna W. Tucker; North by other land herein conveyed; West by land of Russell Chapman.

This parcel is a portion of the premises described in deed of Russell M. Miller and James A. Miller to Charles H. Chase, dated the thirteenth day of January 1941, recorded in Rockingham Registry of Deeds, Book 979, Page 121. See deed of Charles H. Chase to Raymond E. Tucker and Anna W. Tucker dated April 26, 1950, recorded in Rockingham Registry of Deeds, Book 1167, Page 123, wherein this parcel is reserved.

The entire premises hereby conveyed are subject to a right of way of Socony Vacuum Oil Company, as described in a deed of Charles H. Chase and Maude T. Chase, dated the seventeenth day of June, 1946, recorded in Rockingham Registry of Deeds, Book 1058, Page 301, and more particularly described in an option agreement dated April 7, 1944, and recorded said Records Book 1019, Page 350.

The premises hereby conveyed are the same premises conveyed to us by Charles H. Chase by his deed duly recorded.

Said premises are to be sold subject to a prior mortgage in favor of Exeter Banking Co., Exeter, N. H., taxes and other prior liens.

Terms of sale: 10% cash at time of sale, balance within five (5) days upon delivery of deed.

Dated this 30th day of March 1961.

The Northern Parts of Exeter Become Newmarket

Anno Regni Regis Georgii Secundi Primo.

An act to establish a parish in the northern parts of Exeter— Whereas the Inhabitants of the Northern parts of Exeter are a considerable number, and live very remote from the place of Public Worship in said Town, and have therefore petitioned to be set off by a separate parish, at the same time showing forth the consent of the town theeto, by a Transcript from their Town Book certified by their Town Clerk—

BE IT THEREFORE ENACTED by His Honor the Lt. Governor, ye Council and Representatives convened in the General Assembly, and by the authority of the same, that for the encouragement of Religion and better accommodation of the people, residing in that part of the town before mentioned, by having the Holy Ordinances of God settled amongst them, the northern parts of said town of Exeter within the bounds hereafter mentioned, Be henceforth a Parish by the Name of Newmarket, and shall have and enjoy the privileges and Powers of a Parish, with respect to the calling, settling and maintaining a Minister; building and repairing a Meeting-House, Ministers or Ministers Houses, and Wages of a Sexton, and in no other respect.

And that all Residents, and

those that shall hereafter settle (and Estates) within the bounds of said Parish, be and hereby are, exempted from any charge, tax or Assessment to be made by the Selectmen of Exeter, so far as it may relate to the support of the Ministry, Building and Repairing Meeting Houses, Ministers or Ministry Houses, and Wages of a sexton, but in all other respects remain as heretofore.

And be it Enacted by the authority aforesaid, that the Bounds of said Parish be as follows:

Beginning at the South-West of Maj. Nicholas Gilman's Farm next to Exeter town; and beginning at the Salt Water, and from thence run West North West, a line four miles into the woods. And from then run a North East line to come to Dover Line and so bounding upon Dover Line, and East by South to the extent of the Town's Bounds, and so bounding on the Salt Water to the Bounds first mentioned.

And that Edward Hall, Andrew Glidden and William Perkins Jr., be the first selectmen of the Parish and continue in Said Office till other shall be chosen in their room.

And the anniversary Election of the said Parish for the choice of Parish Officers, shall be some Time in the Month of March from year to year.

MUNICIPAL COURT PROCEEDINGS

Judge Russell H. McGuirk heard one case at the regular Friday session of Municipal Court last Friday morning. Joseph V. Barthlow of 417 North High street, New Lexington, O., was charged with operating a motor vehicle at a speed greater than reasonable and prudent. He was found guilty and ordered to pay a fine of \$15. Officer John Jordan was complainant.

George A. McLaughlin of the USS Abraham Lincoln, stationed at Portsmouth Navy Yard, forfeited cash bail of \$25 for failing to appear in Municipal Court as ordered.

In a special Tuesday morning session of Municipal Court, Judge McGuirk heard a case brought in by State Conservation Officer Carl Ackery against Russell R. Fanjoy, 43, of 57 McDonough street, Portsmouth. Fanjoy was found guilty of taking clams over the limit allowed by law on April 9 in Newington and was fined \$20.

Joe Dixx's Sport Corner

By Richard Schanda

A few weeks back, this column reported that all signs pointed toward a good year for the smelt fisherman. The first strong spring spawning run of the smelt started last April 7.

From the 7th through the 9th one of the local weir fishermen netted about 6,000 pounds of smelts. Figure about 60 pounds per bushel which runs the number of bushels to about one hundred. A truck was loaded and went to Boston with one hundred bushel boxes which tends to back up this report.

If the last weir in the river picked up that many smelts after the other weirs strained the water, we can only guess what the total catch was.

Back in the pre-weir days or about thirty-five years ago a sport with a dip net under ideal condition, could dip a ten quart pail of smelts per dip. In fact, two local fishermen dipped 2,200 pounds of smelts below the dam. I think old Hank Willy was one of those fishermen.

Reports indicate that the first man to use a dip net back of the mills was a genuine fisherman who carries the nickname of "Sheriff". He still lives down on Lamprey street and he still does his share of salt water fishing.

Smelts dipping has become a popular sport followed by thousands of fishermen. Chances are they strain enough water to float one of our Portsmouth-built subs just to fill a frying pan with two or three pounds of smelts.

It sounds like a lot of work but as any dip netter will tell you, its great fun.

This poor man's fertilizer or robin's snow which fell last Monday set the grouse nesting season back a week or so. A short spell of dry warm weather would help matters. These cold wet days do more damage to the grouse population than all the hunters and predatory animals put together.

A cold wet nestful of eggs

means eight or ten less young birds. No good news to report on the salmon fishing. The lakes up country are just as tight as they were in January. Small holes have opened up but for every opening there are at least fifty fly casting sports.

The local boys tried it last Saturday with no luck. Matter of fact, the Fish and Game report only eight fish taken thus far. Pretty slim pickins.

The State Legislature recently passed House Bill #25. This law does away with the \$1 stamp but adds \$1 to the price of our hunting and fishing licenses. This law goes into effect Aug. 1, 1961.

If you buy your license now, you will have to buy a stamp. If you wait until August, no stamp will be required but the price of the license will be \$1 more.

The new prices are listed as follows: resident hunting, \$3.50; resident fishing, \$3.50; resident combination, \$5; non-resident fishing (season), \$8.25; nonresident fishing (15-day), \$5.25; nonresident fishing (3-day), \$3.75; nonresident hunting, \$25.25, and Coos County small game hunting (October only), \$10.25.

BETWEEN The BOOKENDS

Mary Gordon, Librarian

During the week of April 16-22, thousands of cities, towns and hamlets will celebrate National Library Week, an event sponsored by the National Book Committee Inc., in cooperation with the American Library Association.

Citizens of all occupations, and children in all schools will

unite to observe this event; an event that is essential to every man, woman and child, but the success depends on you—so, "Open Wonderful New Worlds—Wake Up And Read".

Following is the program listed for April 16-22:

A proclamation proclaiming National Library Week, signed by the Board of Selectmen, will be posted in the United States Post Office. Please read.

Four high school students will write essays on "The Perils of Communism". The fifth and sixth grades under the competent direction of Mrs. Ruth Robie and Mrs. Mildred Rooney will draw posters with the theme "Wake Up And Read".

St. Mary's Parochial School will make book-marks, and all articles will be on exhibit during the week of April 16-22.

We also have 1,000 commercial book-marks to be distributed to schools and library patrons.

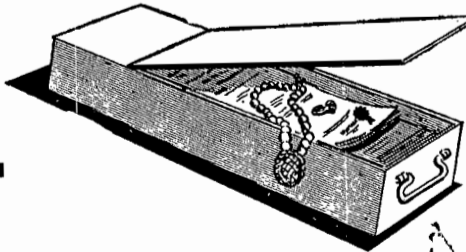

The Board of Trustees of the Newmarket Public Library and the librarian cordially invite the townspeople to visit the library to see the handicraft of their children.

Legion Auxiliary Holds Election

Nineteen members of the American Legion Auxiliary were present last Tuesday evening to enjoy many delicious fancy dishes at the pot luck supper which preceded the regular monthly meeting.

Election of officers was held with the following slate voted in: president, Helen Levesque; first vice president, Laurette Mitchell; second vice president, Helen Silver; secretary, Rose Houle; historian, Edna Fernald; chaplain, Winifred Hobbs, and sergeant at arms, Jane Bucklin.

Installation of officers will be held Saturday, April 29.

It was announced that the annual district spring conference of the American Legion and Auxiliary will be held in Newmarket on May 20.

Starting April 16, Mrs. Laurette Mitchell will hostess a series of whist parties at her home on 9 Lamprey street. The parties will be held every Sunday evening at 7:30 until further notice.

Everyone is cordially invited to attend. Proceeds will go for the benefit of the Auxiliary.

Nineteen members were present and Miriam Hobbs won the special prize of the evening.

Executive Board Meeting Of Women's Club Friday

There will be a special meeting of the executive board of the Newmarket Women's Club this Friday, April 14 at 8 p.m., at the home of president, Mrs. Edward Polchlopek. Members are urged to attend.
